

Robbery of the Mail.
In March last a Mr. Tiffany, living in Susquehanna county mailed for the city of New York two letters, containing together eighty dollars; these letters never reached their destination. On complaint being made to the Post Master General, he commissioned officer A. M. C. Smith of the city of New York to ferret out the thief. Mr. Smith with his usual vigilance in such matters, satisfied himself that Mr. Eben H. Clark, (Post Master of Cherry Ridge, about three miles from Honesdale) was the thief. On being charged with the offence, Mr. Clark confessed, and restored to Mr. Tiffany his money. He was promptly arrested, and committed to jail. On Monday he was admitted to bail by Judge Jessup in the sum of \$2,000. Mr. Clark's reputation in this community has heretofore been good, and he was looked upon as the last man who would commit an offence of this kind. By his misconduct, an amiable wife and an interesting family are plunged in the deepest distress.

YANKEE NOTIONS.—Among other articles exported to England, are clothes pins, ivory and wood combs, augers, gimlets, and cutnicks. In all these things we supply English market, much to the astonishment of the folks over there, who have an idea that Brother Jonathan is a manufacturer and dealer in most every thing, from a bed to a baby!

FINE HORSES.—The little city of Lowell is getting to be another Richmond, in the beauty of its horses, some of which have gained regal attention on foreign shores. The Lowell Courier states that only a year since, a beautiful pair of well matched light greys were owned and driven through the streets of that city by Rodney Parker, Esq., which are now caparisoned with gold lace, pearls, and precious stones, and are attached to a chariot in which is seated a Prince of the blood in all the dazzling splendor of oriental magnificence, moving majestically through the crowded streets of Calcutta! These horses, says the Courier, were sold by Mr. Parker to a gentleman in Boston, to be shipped for \$600, and the consignee, before they reached the wharf in Calcutta, was offered \$1500! and refused it, for them. They were one hundred and twenty days on their passage out, perfectly healthy during all this long voyage, and were the first American horses ever exported to that far country.

MARSH MALLOW.—A friend of ours, in whose judgement we have confidence, informs us that he has tried the herb known as MARSH MALLOW, (called by the children CHEESE,) which can be found in abundance along the roads and fences, and found it to be a most excellent and speedy remedy for cuts, swellings, tooth-ache, &c. The Mallows can be dried, or used in a green state, boiled and put on as a poultice.—*Delaware Republican.*

ALLIGATOR OIL.
A letter from St. Augustine, dated April 12th says:
"I suppose you may not have heard that we have discovered the utility of alligators. An alligator is found to be as valuable in his way as a spermaceti whale. An expedition has left this place for the river of St. John's, and the dark Tributary stream of Black Creek swarming with these hideous creatures, with the view of killing them to obtain their oil.
The oil of the alligator is said to be better for lamps than even whale oil, and it is extracted from the animal in considerable quantity and without any great difficulty. For this discovery we are indebted to the Indians, who have been in the habit, for how long a time I know not of extracting the oil of the alligator and using it for various purposes. It makes a fine transparent fluid and burns admirably.
A MAN DOWN EAST has invented a machine to renovate old bachelors. Out of a good sized fat, greasy old bachelor, he can make quite a decent young man, and have enough left to make two small puppies, a pair of leather breeches, and a small kettle of soft soap.

TO THE LADIES.
HEADACHE AND NERVOUS COMPLAINTS are a source of much suffering; and the nervous are singularly prone to have their functions disordered by an oppressed condition of the stomach. To relieve a state of so much distress, (in which mind and body participate) Dr. Smith's Sugar Coated Indian Vegetable Pills are highly recommended, as, by combining aromatic, tonic, and aperient properties, they remove all oppressive accumulations, strengthen the stomach, induce a healthy appetite, and impart tranquility to the nervous system. They also cure dyspepsia, coughs and colds, and bilious complaints.

SIX YEARS AGO
The children began to cry for Sherman's Lozenges. The noise was not so loud at that time, but it has kept increasing ever since, and now has become so great that the mouths of the little ones can scarce be stopped. Dr. Sherman sympathises with the little sufferers, and very much regrets that any of them should be disappointed. Knowing the vast benefit which has been conferred upon the community by the introduction of his infallible **Worm Lozenges**, he has entered into arrangements for enlarging his Manufactory, by means of which he thinks he will be able to supply the demand. And the same pains and care will be taken, that these celebrated Lozenges be made as they have always been, in order that those who depend upon them may not be disappointed in their hopes. He knew when he commenced the manufacture of the **Worm Lozenges**, that they would supersede the use of every other vermifuge, as the Lozenge is very pleasant to the taste, speedy in its effects, as well as certain, and the quantity required to effect a perfect cure, is very small. These properties in connection with the fact that they are sold for 25 cents per Box, thus placing them in the reach of the poorest man in the land, has not only caused them to take the place of every other vermifuge ever offered, but also rendered them popular to the community.
Dr. Sherman's Cough Lozenges, continue to cure Coughs, Colds, Consumption, Asthma, shortness and difficulty of Breathing, and other diseases of the Lungs, with the same facility they did on their first introduction, and the people have now become persuaded by actual experience, that on the accession of a slight Cold, they have only to step to either the Dr.'s office, or one of his Agents, and obtain a box of his Cough Lozenges, which are very convenient to carry in the pocket, and to take a few through the day. By pursuing this course a cure is often effected in 24 hours, and the patient about his business. So great is the celebrity of the Lozenges, that thousands of persons who have used them, and become acquainted with their effects, will never be without them.
Sherman's Poor Man's Plaster has cured more cases of Rheumatism, Pain in the Back, Side and Chest, Lumbago and Weakness, than any application that has ever been made. As the celebrity of the Plaster has increased, hundreds of unprincipled rascals have attempted to counterfeit it, and palm it off upon the community as the genuine. Beware of Deception! Remember that the true and genuine Plaster is spread upon reddish paper made expressly for the purpose, and in every case the signature of Dr. Sherman is printed upon the back of the Plaster, and the whole secured by Copy Right. None others are genuine. Therefore when you want a real good Sherman's Poor Man's Plaster, call at the office, 106 Nassau street and you will not be disappointed.
Remember the number, 106 Nassau st., where all Dr. Sherman's Lozenges are sold.
