

FOREIGN INTELLIGENCE.—The news by the two last arrivals from Europe is cheering in its character. It is much more conciliatory and pacific than could have been anticipated. It has had a very sensible effect on the money market, particularly in New York, and its influence will be felt throughout the whole country.

HUBBELL'S SHELLS.—These destructive missiles, which blew up a target in the Delaware River, and also another one in New York Harbor, in the year 1842, are to be fired in a few days at a large oak structure, built like the side of a Man-of-War, now floating in the Delaware, near the Navy Yard. They have been pushed forward by the most able military officers of Pennsylvania, and will be witnessed by competent officers from Washington; should this trial prove them to be as destructive as the two former did, they will be the very projectile to blow down the Fortress of San Juan d'Ulloa, which is built of soft stone; and the instant these shells enter they blow up and destroy the mason work, which will bring the fortification, stone work, guns, Mexicans and all tumbling to the ground.

Peace or War.
A New Orleans paper is responsible for the following:—"Why have you volunteered?" said rather a careworn-looking newly enrolled volunteer to a fine looking young country soldier. "Why, I volunteered because I have no wife, and go in for war," was the unequivocal reply; "and now, why have you volunteered?" he added. "Ah!" said the careworn-countenanced little man—for he was little—with a significant sigh, "I have volunteered because I have a wife, and go in for peace."

G. BENJ. SMITH
IS WRITTEN WITH A PEN ON THE BOTTOM of every box of genuine Sugar Coated Improved Indian Vegetable Pills. Some dealers are misled into the error of supposing there is no difference in Sugar Coated Pills, and therefore buy some worthless imitation because they can buy cheap. We shall enlighten the public every where in reference to such men, after they are duly informed of the rascality of these imitators, every one of whom have either personally or through others sought to obtain information of my business, by soliciting the agency of my Pills. A man in Albany sent in a minister to obtain clandestinely, some knowledge of my Pills. We shall speak of them all as they deserve.
N. B.—No Sugar Coated Pills are genuine without the signature of G. Benj. Smith on every box.

SIX YEARS AGO
The children began to cry for Sherman's Lozenges. The noise was not so loud at that time, but it has kept increasing ever since, and now has become so great that the mouths of the little ones can scarce be stopped. Dr. Sherman sympathizes with the little sufferers, and very much regrets that any of them should be disappointed. Knowing the vast benefit which has been conferred upon the community by the introduction of his infallible **Worm Lozenges,** he has entered into arrangements for enlarging his Manufactory, by means of which he thinks he will be able to supply the demand. And the same pains and care will be taken, that these celebrated Lozenges be made as they have always been, in order that those who depend upon them may not be disappointed in their hopes. He knew when he commenced the manufacture of the **Worm Lozenges,** that they would supersede the use of every other vermifuge, as the Lozenge is very pleasant to the taste, speedy in its effects, as well as certain, and the quantity required to effect a perfect cure, is very small. These properties in connection with the fact that they are sold for 25 cents per Box, thus placing them in the reach of the poorest man in the land, has not only caused them to take the place of every other vermifuge ever offered, but also rendered them popular to the community.

Dr. Sherman's Cough Lozenges,
continue to cure Coughs, Colds, Consumption, Asthma, shortness and difficulty of Breathing, and other diseases of the Lungs, with the same facility they did on their first introduction, and the people have now become persuaded by actual experience, that on the accession of a slight Cold, they have only to step to either the Dr.'s office, or one of his Agents, and obtain a box of his Cough Lozenges, which are very convenient to carry in the pocket, and to take a few through the day. By pursuing this course a cure is often effected in 24 hours, and the patient about his business. So great is the celebrity of the Lozenges, that thousands of persons who have used them, and become acquainted with their effects, will never be without them.

Sherman's Poor Man's Plaster
has cured more cases of Rheumatism, Pain in the Back, Side and Chest, Lumbago and Weakness, than any application that has ever been made.—As the celebrity of the Plaster has increased, hundreds of unprincipled rascals have attempted to counterfeit it, and palm it off upon the community as the genuine. Beware of Deception.—Remember that the true and genuine Plaster is spread upon reddish paper made expressly for the purpose, and in every case the signature of Dr. Sherman is printed upon the back of the Plaster, and the whole secured by Copy Right. None others are genuine. Therefore when you want a real good Sherman's Poor Man's Plaster, call at the office, 106 Nassau street and you will not be disappointed.
Remember the number, 106 Nassau st., where all Dr. Sherman's Lozenges are sold.
