

Items from China.

A correspondent of the Boston Traveller states that the excitement about entering Canton has subsided. This writer states also that the country is overstocked with almost every description of foreign goods, and they can be bought as low as the first cost at home, or even lower. Only a few articles will pay now. A ship recently arrived, brought out fifty barrels of flour, and got 16 dollars per barrel for the lot, the retail price 20 dollars. We further learn that every dollar that changes hands among the Chinese is 'chopped,' that is, stamped by the one that pays it. A dollar is a curious specimen of a coin after it has been in China a short time, it is so bruised and mangled that a boy seeing it in the streets at home would hardly pick it up. The Compador receives no salary, but takes the perquisites of chopping dollars, &c. He will not receive money unless it is full weight, and pays by counting if he can; at any rate, gives as little as possible. He thus contrives to make a handsome salary from his situation. There is some prospect now of having an English chapel at Canton, to be supported by yearly subscriptions from the English residents. They wish to raise 5000 dollars per year—3000 to support the minister, and the other 2000 to defray the expenses of the society.

STRAWBERRY LEAVES—Three or four eaten green, are an immediate remedy for Dysentery, Summer Complaint, &c. Papers by publishing the above will confer a favor on the community, and save an immense amount of suffering and many valuable lives.

A London paper says that a cat having lost her kittens, was seen following a street pie-man, mewling very disconsolately. This is regarded as one of the most wonderful exhibitions of animal instinct upon record.

American ice sells in London at from £6 to £7 per ton.

JOHN SMITHS IN NEW YORK.—The new Directory of New York contains 65,833 names, being an increase since last year of 4,505. There is but 2,908 difference between the names in this and the last London directory. There are 956 Smiths announced this year, of which exactly one hundred are Johns.

SIX YEARS AGO

The children began to cry for Sherman's Lozenges. The noise was not so loud at that time, but it has kept increasing ever since, and now has become so great that the mouths of the little ones can scarce be stopped. Dr. Sherman sympathizes with the little sufferers, and very much regrets that any of them should be disappointed. Knowing the vast benefit which has been conferred upon the community by the introduction of his infallible

Worm Lozenges.

he has entered into arrangements for enlarging his Manufactory, by means of which he thinks he will be able to supply the demand. And the same pains and care will be taken, that these celebrated Lozenges be made as they have always been, in order that those who depend upon them may not be disappointed in their hopes. He knew when he commenced the manufacture of the Worm Lozenges, that they would supercede the use of every other vermifuge, as the Lozenge is very pleasant to the taste, speedy in its effects, as well as certain, and the quantity required to effect a perfect cure, is very small. These properties in connexion with the fact that they are sold for 25 cents per Box, thus placing them in the reach of the poorest man in the land, has not only caused them to take the place of every other vermifuge ever offered, but also rendered them popular to the community.

Dr. Sherman's Cough Lozenges, continue to cure Coughs, Colds, Consumption, Asthma, shortness and difficulty of Breathing, and other diseases of the Lungs, with the same facility they did on their first introduction, and the people have now become persuaded by actual experience, that on the accession of a slight Cold, they have only to step to either the Dr.'s office, or one of his Agents, and obtain a box of his Cough Lozenges, which are very convenient to carry in the pocket, and to take a few through the day. By pursuing this course a cure is often effected in 24 hours, and the patient about his business. So great is the celebrity of the Lozenges, that thousands of persons who have used them, and become acquainted with their effects, will never be without them.

Sherman's Poor Man's Plaster has cured more cases of Rheumatism, Pain in the Back, Side and Chest, Lumbago and Weakness, than any application that has ever been made. As the celebrity of the Plaster has increased, hundreds of unprincipled rascals have attempted to counterfeit it, and palm it off upon the community as the genuine. Beware of Deception. Remember that the true and genuine Plaster is spread upon redlinen paper made expressly for the purpose, and in every case the signature of Dr. Sherman is printed upon the back of the Plaster, and the whole secured by Copy Right. None others are genuine. Therefore when you want a real good Sherman's Poor Man's Plaster, call at the office, 106 Nassau street and you will not be disappointed.

Remember the number, 106 Nassau st., where all Dr. Sherman's Lozenges are sold.
