

HAY FROM IOWA.—Two cargoes of pressed hay arrived at New York, a few days since, from the far regions of Iowa, showing what things internal improvements are able to accomplish.

The air, or atmosphere, is an elastic fluid, and surrounds the earth, extending between forty-five and fifty miles above its surface.

TOBACCO.—Ohio is shooting ahead of Kentucky in raising this article—out of 2000 hhd. at Pittsburgh, awaiting transportation East, 1,900 were raised in Ohio.

A new State is about to be admitted into the Union. A bill has been reported to admit Wisconsin as a State. Iowa has already been authorized to form a State Constitution. So we shall probably have thirty States represented in the Thirtieth Congress.

Heretofore it has been very difficult, indeed, almost impossible, always to obtain good Green and Black Teas. But now you have only to visit the Pekin Tea Company's Store, to obtain as delicious and fragrant Tea as you could wish for. SIX YEARS AGO

The children began to cry for Sherman's Lozenges. The noise was not so loud at that time, but it has kept increasing ever since, and now has become so great that the mouths of the little ones can scarce be stopped. Dr. Sherman sympathizes with the little sufferers, and very much regrets that any of them should be disappointed. Knowing the vast benefit which has been conferred upon the community by the introduction of his infallible

Worm Lozenges,

he has entered into arrangements for enlarging his Manufactory, by means of which he thinks he will be able to supply the demand. And the same pains and care will be taken, that these celebrated Lozenges be made as they have always been, in order that those who depend upon them may not be disappointed in their hopes. He knew when he commenced the manufacture of the Worm Lozenges, that they would supersede the use of every other vermifuge, as the Lozenge is very pleasant to the taste, speedy in its effects, as well as certain, and the quantity required to effect a perfect cure, is very small. These properties in connection with the fact that they are sold for 25 cents per Box, thus placing them in the reach of the poorest man in the land, has not only caused them to take the place of every other vermifuge ever offered, but also rendered them popular to the community.

Dr. Sherman's Cough Lozenges,

continue to cure Coughs, Colds, Consumption, Asthma, shortness and difficulty of Breathing, and other diseases of the Lungs, with the same facility they did on their first introduction, and the people have now become persuaded by actual experience, that on the accession of a slight Cold, they have only to step to either the Dr.'s office, or one of his Agents, and obtain a box of his Cough Lozenges, which are very convenient to carry in the pocket, and to take a few through the day. By pursuing this course a cure is often effected in 24 hours, and the patient about his business. So great is the celebrity of the Lozenges, that thousands of persons who have used them, and become acquainted with their effects, will never be without them.

Sherman's Poor Man's Plaster

has cured more cases of Rheumatism, Pain in the Back, Side and Chest, Lumbago and Weakness, than any application that has ever been made.—As the celebrity of the Plaster has increased, hundreds of unprincipled rascals have attempted to counterfeit it, and pain it off upon the community as the genuine. Beware of Deception. Remember that the true and genuine Plaster is spread upon reddish-paper made expressly for the purpose, and in every case the signature of Dr. Sherman is printed upon the back of the Plaster, and the whole secured by Copy Right. None others are genuine. Therefore when you want a real good Sherman's Poor Man's Plaster, call at the office, 106 Nassau street and you will not be disappointed.

Remember the number, 106 Nassau st., where all Dr. Sherman's Lozenges are sold.
