SIX YEARS AGO

the children began to cry for Sherman's Lozenges The noise was not so loud at that time, but it has

kept increasing ever since, and now has become so great that the mouths of the little ones can scarce be stopped. Dr. Sherman sympathises with the little sufferers, and very much regrets that any of them should be disappointed. Knowing the vast benefit which has been conferred upon the community by the introduction of his infallible

Worm Lozenges,

he has entered into arrangements for enlarging his Manufactory, by means of which he thinks he will be able to supply the demand. And the same pains and care will be taken, that these celebrated cheap, by ezenges be made as they have always been, in order that those who depend upon them may not be disappointed in their hopes. He knew when he commenced the manufacture of the Worm Lozenges, that they would supercede the use of every other vermifuge, as the Lozenge is very pleasant to the taste, speedy in its effects, as well as Public notice is hereby given, that Cyrill certain, and the quantity required to effect a per-C.
