The high and varied celebrity which these pre-eminent Medicines have acquired for their favorable efficacy in all the diseases which they profess to cure, has rendered the usual practice of pulling out only unnecessary, but unworthy of them. They are known by their fruits; their good works testify for them, and they turn not by the faith of the credulous.

 And thus remove all disease from the system.  
 A single trial will place the LIFE PILLS and PHENIX BITTERS beyond the reach of competition in the estimate of every patient.  
 The genuine of these medicines are now put up in white wrappers and labels, together with a pamphlet, called "Moffat's Good Samaritan," containing the directions, &c., on which is a drawing of a boat from the harbor of New York, by which strangers visiting the city can very easily find us. The wrappers and Samaritans are copyrighted, therefore those who procure them with white wrappers can be assured that they are genuine. Be careful, and do not buy those with other wrappers; but if you do, be satisfied that they come direct from us, or don't touch them.

**SIX YEARS AGO**  
 the children began to cry for Sherman's Lozenges. The noise was not so loud at that time, but it has kept increasing ever since, and now has become so great that the mouths of the little ones can scarce be stopped. Dr. Sherman sympathizes with the little sufferers, and very much regrets that any of them should be disappointed. Knowing the vast benefit which has been conferred upon the community by the introduction of his infallible **Worm Lozenges,**

he has entered into arrangements for enlarging his Manufactory, by means of which he thinks he will be able to supply the demand. And the same pains and care will be taken, that these celebrated Lozenges be made as they have always been, in order that those who depend upon them may not be disappointed in their hopes. He knew when he commenced the manufacture of the **Worm Lozenges,** that they would supercede the use of every other vermifuge, as the Lozenge is very pleasant to the taste, speedy in its effects, as well as certain, and the quantity required to effect a perfect cure, is very small. These properties in connexion with the fact that they are sold for 25 cents per Box, thus placing them in the reach of the poorest man in the land, has not only caused them to take the place of every other vermifuge ever offered, but also rendered them popular to the community.

**Dr. Sherman's Cough Lozenges,** continue to cure Coughs, Colds, Consumption, Asthma, shortness and difficulty of Breathing, and other diseases of the Lungs, with the same facility they did on their first introduction, and the people have now become persuaded by actual experience, that on the accession of a slight Cold, they have only to step to either the Dr.'s office, or one of his Agents, and obtain a box of his Cough Lozenges, which are very convenient to carry in the pocket, and to take a few through the day. By pursuing this course a cure is often effected in 24 hours, and the patient about his business. So great is the celebrity of the Lozenges, that thousands of persons who have used them, and become acquainted with their effects, will never be without them.

**Sherman's Poor Man's Plaster** has cured more cases of Rheumatism, Pain in the Back, Side and Chest, Lumbago and Weakness, than any application that has ever been made.—As the celebrity of the Plaster has increased, hundreds of unprincipled rascals have attempted to counterfeit it, and palm it off upon the community as the genuine. Beware of Deception. Remember that the true and genuine Plaster is spread upon reddish paper made expressly for the purpose, and in every case the signature of Dr. Sherman is printed upon the back of the Plaster, and the whole secured by Copy Right. None others are genuine. Therefore when you want a real good Sherman's Poor Man's Plaster, call at the office, 106 Nassau street and you will not be disappointed.

Remember the number, 106 Nassau st., where all Dr. Sherman's Lozenges are sold.

**Folger's Olosaonian,**  
**OR ALL-HEALING BALSAM.**  
**Its Course is Onward.**  
 So great has been the demand for Folger's Olosaonian, or All-Healing Balsam, and it has given such general satisfaction to those who have used it and become acquainted with its virtues, that it now stands pre-eminent as a Remedy in **DISEASES OF THE LUNGS,** and the testimony which has been given by different persons who have been cured by it, is altogether voluntary on their part. They have given it in the hope that all who may find themselves in need of this great remedy may apply for it without delay.

Read the following letter received from the Rev. Mr. Shimeall, Pastor of St. Jude's Episcopal Free Church. Mr. S. has not used the medicine himself, but has witnessed its effects in several very trying cases of disease. The letter will show his opinion of its virtues.

Dear Sir,—Believing it to be but an act of common humanity to those suffering under the various diseases of Coughs, Colds, Consumptions, Hoarseness, Asthma, &c. to point them to a safe, speedy and radical remedy, I take pleasure in bearing my testimony to your invaluable medicine called **Olosaonian, or All-Healing Balsam.** Of its efficacy I can speak first from my own experience. Being subject from exposure more or less to the vicissitudes of our climate, to frequent attacks of Influenza, Hoarseness, &c. I have always found it to afford almost instantaneous, and always by perseverance in its use, effectual relief. To a particular friend of mine, suffering severely under Asthma, and who had despaired of obtaining relief from any human source, upon my recommendation was induced to give the **Olosaonian** a trial, and he pronounced the effect produced upon him a perfect charm, affording him immediate, and almost incredible relief. In another instance I recommended it to a female friend, far advanced in Consumption. After the use of the first bottle, her Cough was entirely removed, and her appetite and strength restored to such a degree as to astonish all who saw her. With a long cherished and firmly established prejudice against the thousand and one specifics put forth in these days, as sovereign panaceas for all diseases, I assure you that nothing short of my firm conviction of the claims of your medicine to an origin so respectable, and to the effects of it as herein certified, both by my own experience and observation, I could not have been induced thus to come forward as a witness in its behalf.  
 I have the honor to be, sir, respectfully yours,  
**R. C. SHIMEALL.**

**HAVE YOU A COUGH**  
 which is troublesome and has not yielded to any of the remedies which you have used? Is it attended with pain in the side, shortness of breath, and night sweats?  
**Do you raise Blood**  
 when you cough and find your strength gradually failing? You will find that these symptoms if not properly attended to, will terminate in Consumption and Death. Are you troubled with that distressing complaint  
**Asthma**  
 which deprives you of your rest at night, and renders life burdensome.  
**Here is the Remedy.**  
 Remember the name, and place where it is to be obtained, and do not be put off with any other. It has produced a cure in as desperate cases as yours may appear to be, and doubtless will put to flight in a speedy manner those distressing symptoms which fill your minds with gloomy forebodings of the future.  
**Its Healing Properties**  
 do not deceive. The short dry Cough is quickly overcome, and easy and healthy expectoration takes its place. Spitting of Blood is immediately checked. Night Sweats, with pain in the Side and Chest, debility and difficulty of breathing, yield in a short time. Asthma, with all its dreadful accompaniments is at once relieved. Bronchitis, and in fact all the diseases of the Throat and Lungs, give way before this Remedy, when all other means have failed.  
 Persons may attempt to deceive you with some other Remedy, pronouncing it to be equally as good, but remember life is at stake, therefore  
**Be not Deceived.**  
 The only place in the City of New York, where **Folger's OLOSANIAN, or ALL-HEALING BALSAM** is sold, is at 106 Nassau street, one door above Ann street.

**Congressional Intelligencer.**  
 The Proprietors of the National Intelligencer in order to meet the wishes of those whose circumstances or inclination do not allow them to subscribe even to a weekly Washington paper during the whole year, have determined to issue during each session of Congress, a weekly sheet styled "The Congressional Intelligencer," to be devoted exclusively to the publication, as far as its limits will permit, of the Proceedings of both Houses of Congress, and Official Reports, and Documents connected therewith, including a complete official copy of all the Acts passed by Congress during the session.

To bring the price within the means of every man who can read, the charge for this paper will be for the first session of each Congress half a dollar.  
 The price of the "Congressional Intelligencer," to be issued on each Wednesday during the approaching Session of Congress, will therefore be one Dollar, paid in advance. To enlarge upon the value, to those who take no newspaper from Washington, of this publication, containing an impartial but necessarily abbreviated account of the Proceedings in Congress, including an authentic official copy of all the laws passed during the session, would be needless. The man who takes no such paper, ought to take one, if he does not prefer remaining ignorant of what most nearly concerns his own destiny, and that of his family and of this posterity forever.

When six copies are ordered and paid for by any one person, a deduction of one-sixth will be made from the price: that is to say, a remittance of Five Dollars will command six copies of the Congressional Intelligencer for the next Session. A remittance of Ten Dollars will secure thirteen copies; and for Fifteen Dollars remitted from any one person or place twenty copies will be forwarded.

**Weekly National Intelligencer.**  
 This paper, being made up of such portion of the contents of the National Intelligencer proper, as can be compressed within the compass of a single newspaper, continues to be issued and mailed to subscribers every Saturday at Two Dollars a year, payable in advance in all cases—account being opened with subscribers to the weekly paper.

To bring this paper yet more nearly within the reach of such as desire to take by the year a cheap paper from the seat of the General Government, a reduction will be made in the price of it where a number of copies are ordered and paid for by any person or association at the following rates:  
 For Ten Dollars, six copies will be sent.  
 For Twenty Dollars, thirteen copies; and  
 For each sum of Ten Dollars, above Twenty, eight copies will be forwarded: so that a remittance of Fifty Dollars will command thirty-seven copies.

**Publishers of papers throughout the several States and Territories who will give a single insertion to this advertisement, (with this note annexed) and send one of their papers to this office with the advertisement marked therein, shall receive the Weekly National Intelligencer for one year free of charge.**
