The increasing popularity of Dr. G. BENJ. SMITH'S IMPROVED INDIAN VEGETA- evening between 8 and 9 o'clock p. M. BLE SUGAR COATED PILLS, has induced a number of persons to make something they call pills and coat them with sugar, in order to seli them for the genuine, while they do not possess a particle of the goodness, nor even assimilate in appearance to the original, Dr. Smith's Pills. In tured in Albany, N. Y., has given them up, as he fully solicited. says, on account of the miserable dishonest par-

ties concerned in manufacturing them. The same party are now industriously circulating reports calculated to injure Dr. Smith and to affect the reputation of his valuable pills; but rather than notice them in public, Dr. Smith is about to institute legal proceedings against them for their slanders, in which he recovered a large amount of damages. These miserable imitators have to resort to the most abominable means to palm off their counterfest pills, as the public know that Dr. Smith's are Coffe the original and genuine. Several instances have Loaf come to public notice in which life has been en- Dairy dangered by the unfortunate use of the counter- Spice feits. It is Doctor Smith's Pills that are doing so Smok much good in the country-as the following plainly show.
