SIX YEARS AGO

The children began to cry for Sherman's Lozenges. The noise was not so loud at that time, but it has kept increasing ever since, and now has become so great that the mouths of the little ones can scarce be stopped. Dr. Sherman sympathises with the little sufferers, and very much regrets that any of them should be disappointed. Knowing the vast benefit which has been conferred upon the community by the introduction of his infallible

Worm Lozenges,

he has entered into arrangements for enlarging his Manufactory, by means of which he thinks he will be able to supply the demand. And the same pains and care will be taken, that these celebrated Lozenges be made as they have always been, in order that those who depend upon them may not be disappointed in their hopes. He knew when he commenced the manufacture of the Worm Lozenges, that they would supercede the use of every other vermifuge, as the Lozenge is very pleasant to the taste, speedy in its effects, as well as certain, and the quantity required to effect a perfect cure, is very small. These properties in connexion with the fact that they are sold for 25 cents per Box, thus placing them in the reach of the poorest man in the land, has not only caused them to take the place of every other vermifuge ever offered, but also rendered them popular to the community.

Dr. Sherman's Cough Lozenges, continue to cure Coughs, Colds, Consumption, Asthma, shortness and difficulty of Breathing, and other diseases of the Lungs, with the same facility they did on their first introduction, and the people have now become persuaded by actual experience, that on the accession of a slight Cold, they have only to step to either the Dr.'s office, or one of his Agents, and obtain a box of his Cough Lozenges, which are very convenient to carry in the pocket, and to take a few through the day. By pursuing this course a cure is often effected in 24 hours, and the patient about his business. So great is the celebrity of the Lozenges, that thousands of persons who have used them, and become acquainted with their effects, will never be without them.

Sherman's Poor Man's Plaster has cured more cases of Rheumatism, Pain in the Back, Side and Chest, Lumbago and Weakness, than any application that has ever been made. As the celebrity of the Plaster has increased, hundreds of unprincipled rascals have attempted to counterfeit it, and palm it off upon the community as the genuine. Beware of Deception. Remember that the true and genuine Plaster is spread upon reddish paper made expressly for the purpose, and in every case the signature of Dr. Sherman is printed upon the back of the Plaster, and the whole secured by Copy Right. None others are genuine. Therefore when you want a real good Sherman's Poor Man's Plaster, call at the office, 106 Nassau street and you will not be disappointed.

Remember the number, 106 Nassau st., where all Dr. Sherman's Lozenges are sold.

ASK THE SUFFERER

FROM ASTHMA

what has relieved him in such a short time from his difficulty of breathing, Cough and suffocation! He will tell you it was "the Olosonian, or All-Healing Balm." Ask the Consumptive what has allayed his Cough, removed the Pain in his Side and Chest, checked his night sweats and placed the rose of health upon his cheek! and he will tell you

Sherman's Olosonian.

OR ALL-HEALING BALM.

Ask your friends if they know of any thing that will so speedily cure a long and tedious Cough, Raising of Blood, Bronchitis, Dyspeptic Consumption, Hoarseness, Influenza, and diseases of the Throat, as the Olosonian! and they will tell you—No. There never yet has been a remedy introduced to public notice which has been productive of so much good in so short a space of time. Read the following

Astonishing Cures.

Wm. Bond, the celebrated Boston cracker baker, 98 Nassau street, Brooklyn, states that his wife has been afflicted with Asthma for 30 years, and could not find permanent relief from the best medical advice which New York and Brooklyn could produce, was induced to try this great remedy. She is now nearly well. His daughter, who was suffering from the same disease, tried it, and was also cured by it. Mrs. Bond is now so well that she is able to rise from her bed early in the morning and attend to her usual duties through the day without any annoyance from her distressing malady.

Henry Jackson, 13th street, near the Catholic Cemetery, came to the store for the purpose of obtaining a bottle of the Olosonian, having been afflicted with the Asthma for more than 30 years, and was so exhausted on his arrival that he could not speak. He purchased a bottle and rode home. Four days afterward he walked from his residence to the office without fatigue, a distance of over two miles, to tell of the wonderful relief which he had experienced from using about one half of one bottle.

Consumption of the Lungs.

Mrs. Comfort, 35 White street, was so low in the month of December last, that he was given up by his physician. His friends entertained no hope of his recovery. He was persuaded to try the Olosonian, and to his surprise it has so far restored him to health that he is now able to walk about the streets.

Mrs. Attree, the wife of Wm. H. Attree, James Harman, Esq., and George W. Hays, Esq. can all bear testimony from their own experience of the healing properties of this Great Remedy in Consumption of the Lungs.

Spitting Blood.

Mrs. Thoubourne, 352 Monroe street, who had been troubled for a great length of time by a severe cough, and raised quantities of blood, was relieved by one bottle of the Olosonian, and declares it the greatest remedy in the world.

Dennis Kelly, 26 Water street, was also relieved from the same complaint, although he was very much reduced when he commenced taking it, having been under the care of his physician during the past winter. Although he coughed constantly and was very much troubled with night sweats, two bottles of the remedy enabled him to return to his daily work. He was entirely relieved.

David Henderson, 60 Light street, George W. Burnett, formerly of Newark, N. J., Henry Lisbon, 199 Rivington street, and numerous other persons have been speedily and permanently cured of the same complaint by this remedy.

The Array of Names

which could be produced of persons who have used this great remedy would more than fill a column. Among the number we are permitted to refer to A. M. Binger, 102 Barclay street; Mr. Wilson of Hoboken; Mrs. Bell of Morristown, N. J.; James B. Devoe, 101 Reade street; Mrs. McCaffree, 50 Attorney street; F. Smith, 92 Third avenue; Mrs. Wm. H. Attree of this city, and Mrs. Archibald, 35 White street.

Be not Deceived.

The only place in the City of New York, where Sherman's OLOSONIAN, or ALL-HEALING BALM is sold, is at 106 Nassau street, one door above Ann street.
