Pigeons.

The Cincinnati Chronicle says that on the moining of the 21st, the whole Southern horizon was covered with pigeons, which continued to move on over the face of the skies, in squadrons of various magnitude, forming an innumerable army of this prolific bird. They were moving northwardly, as the Spring approaches.

The same paper of a later date, says :- "The Pigeons continue to pass over the city in immense flocks. A friend told us yesterday, that the woods in Kentucky are filled with them. Fine sport over the way."

Strange Fact.

About a year ago a little daughter of Mr. John Wesley Hawkins, about three years old actually got into her windpipe a grain of burnt coffee. She had two or three choaking spells at short intervals of a few days. Had three physicians to attend her. She seemed to be relieved, but declined in health, until about two months ago, when she had two more choking spells, at the last of which she threw out of her wind-pipe the grain of coffee enlarged to the size of two grains, which had a very disagreeable smell. The grain of coffee was kept a few days, when it dried away to a small size. The child has since become quite healthy .- Ex.

GAME. - The vicinity of Cincinnati is filled with wild pigeons; the Atlas states that there is a toost up the Licking a few miles opposite, and that the fields around are strewn with the dead and wounded birds which have escaped the search of their destroyers.

SUDDEN CHANGES -There is nothing more trying to the human constitution than sudden changes of atmosphere. Heat rarefies the blood, quickens the circulation, and increases the perspiration; but when suddenly checked, those humors which should pass off by the skin are thrown off inwardly, causing coughs, colds, consumption, difficulty of breathing, watery and inflamed eyes, sore throat, fevers, rheumatic pains in various parts of the body, and many other complaints, the usual symptoms of catching cold

Wright's Indian Vegetable Pills are a delightful medicine for carrying off a cold-because they expel from the body those humors which are the cause not only of the above complaints, but of every malady under heaven. Four or five of said Indian Vegetable Pills taken every night on going to bed will, in a few days, carry off the most obstinate cold; at the same time the digestive organs will be restored to a healthy tone, and the blood so completely purified, that new life and vigor will be given to the whole frame.

Wright's Indian Vegetable Pills also aid and improve digestion, and purify the blood; and, therefore, not only remove every vestige of the Liver Complaint, but, at the same time, give new life offices. and vigor to the whole frame.

Beware of Counterfeits .- The public are cautioned against the many spurious medicines, which in order to deceive are called by names similar to Wright's Indian Vegetable Pills.
