BLACKNESS OF DARKNESS .--- Attended by police officers and a few curiously disposed gentlemen from out of town we lately paid a visit to the old 'Brewery Building' in Antony street we had to pass through what is called" Murderer's Alley," which is about one hundred feet long, when we found ourselves in a very large and ricketty building which was cut up in small rooms. The number of families which were supposed to call that their homes is sixty. and more miserable set of beings we have never seen. Our visit was in the night time, and most of the residents were at home. In one room we saw a husband and his wife with three children sound asleep on a bed of shavings and the furniture consisted only of a pine box, a wooden bowl, which was full of meal and a tin cup, while on the hearth of an empty fire place were scattered a few meailess bones. In another we saw a woman in a beastly state of intoxication whose child wrapped in some filthy rags was lying on a bed of warm ashes in one corner of a fire place. In one, a lot of half clothed negroes, were fighting like hyents; and in another a forlorn old man was suffering with delirium tremens. As our leader walked on, peering into the dark rooms of poverty and infamy, we were forcibly reminded of Dante's description of hell. The majority of their rents, we are informed varied from two to six shillings per week. Our guide then directed our attention to the back yard, where, within the last two years, upwards of twenty persons were found dead. Their histories remain in mystery, and we were told of the very singular fact that a funeral has not been known to occur at the Brewery, for many years --- as it is the market place for anatomists and their menials. We could hardly believe, until we saw if that such a place as the Antony street Brewery actually existed, in the Empire city.

MOLDS, COUGHS, AND CONSUMPTION Wright's Indian Vegetable Pills are a most delightful medicine for carrying off a cold, because they expel from the system all morbid and corrupt humors, (the cause of every kind of disease) in so easy and natural a manner, that the body is relieved of all its sufferings as if by magic. Four or five of said Indian Vegetable Pills, taken every night on going to bed, will in a short time remove the most obstinate cold-at the same time the digestive organs will be restored to a healthy tone, and the blood so completely purified, that inflammation of the lungs, consumption, or any other form of disease will be absolutely impossible.

Wright's Indian Vegetable Pills also aid and improve digestion, and purify the blood; and, therefore, not only remove every vestige of the Liver Complaint, but, at the same time, give new life and vigor to the whole frame
