THEN we say that Wright's Indian Vege- Jury List -- April Term -- 1847. table Pills are adapted to the relief and cure of almost every form of disease, it is not to be presumed that any medicine under heaven is equally calculated to do so. Even the best imitations of the above celebrated Pills have so far proved wholly worthless compared to the original. The reason of this is, that Wright's Indian Vegetable Pills have a strictly scientific basis, and by a rare combination of properties, bring the whole system under their influence.

We do not ask, however, that a single word of the above shall be taken on trust. We appeal to experience, and to the overwhelming testimony which has voluntarily been offered in favor of the medicine. A single trial will do more to convince than a volume of words.

Beware of Counterfeits .- The public are cautioned against the many spurious medicines, which in order to deceive are called by names similar to Wright's Indian Vegetable Pills.
