The Pueblo Indians.

In the recent massacre and subsequent engagements in New Mexico these Indians acted a conspicuous part. We learn from the Independence Expositor that when the fortified church of Taos was fired by the American forces...

Singular if True.

The following, from the Cincinnati Morning Herald, takes the shine off any thing in the "local items" line we have seen for many a day.

"As a gentleman was passing along Fifth street, he passed a place where some boys were playing marbles. One of them, in shooting his marble, cleverly put it under the gentleman's foot...

Quere. Is the boy who shot the marble responsible for all the consequent damages?

A Canal to connect the Atlantic and Pacific.

The steamer Polk, which sailed from Norfolk for Huasacualco, in the bay of Campeachy, a short time since, carries out an armament for the purpose of taking occupation of that port.

A Frenchman, wishing to tell a fat lady that she was very considerate, said, 'Madame, you are very considerate.'

A DIALOGUE. Good morning, A, how are you? A. Not very well. This spring weather affects me.

B. The spring weather affects every body, more or less. Why don't you take a dose or two of Wright's Indian Vegetable Pills?

A. I don't believe in them. I don't believe one medicine can cure every thing.

B. I don't believe one medicine can cure every thing either, in the way you look at it. But you believe it is possible to prepare a medicine in such a way as to be applicable to the human system in all cases?

A. Why, yes. I believe in the possibility of anything, now-a-days.

B. Well, that is all I want you to admit. Call in to-night, and I will give you a dose of Wright's Indian Vegetable Pills to try on, and if you don't pronounce the medicine the best you ever used, why, you will then be able to estimate my opinion next time as it deserves.

A. Thank you, friend B. I will try anything on your recommendation. Exit severally.

Beware of Counterfeits.--The public are cautioned against the many spurious medicines, which in order to deceive are called by names similar to Wright's Indian Vegetable Pills.

It is Written.

In the Book of Nature and Common Sense, that the natural vegetable productions of every country are, if properly applied, are amply sufficient for the cure of every malady incident to each peculiar climate.

Wright's Indian Vegetable Pills, of the North American College of Health, are composed of plants which grow spontaneously on our own soil, and are therefore better adapted to our constitutions than medicines concocted from foreign Drugs, however well they may be compounded; and as they are founded upon the principle that the human body is in truth

Subject to but One Disease, viz: corrupt humors, and that said medicine cures this disease on

Natural Principles by cleansing and purifying the body; it will be manifest, that if the constitution be not entirely exhausted--a perseverance in their use, according to directions, is absolutely certain to drive disease of every name from the body.

When we wish to restore a swamp or morass to fertility, we drain it of the superabundant waters; in like manner if we wish to restore the body to health, we must cleanse it of impurity.

Wright's Indian Vegetable Pills will be found one of the best, if not the very best medicine in the world for carrying out this Grand Purifying Principle, because they expel from the body all morbid and corrupt humors, the cause of disease, in an easy and natural manner; and while they every day

Give Ease and Pleasure, disease of every name is rapidly driven from the body.

The following Agencies have been established for the sale of Wright's Indian Vegetable Pills, in MONROE COUNTY.

George H. Miller, Stroudsburg; John Lander, Craig's Meadows; Bell & Brothers, Experiment Mills; Henry Kintz, Bartonville; A. S. Edinger, Tannersville; Joseph Keller & Son, Kellersville; Charles Saylor, Saylorburg; Broadhead & Brother, Dutotsburg; William Drake, Snyderville.

Beware of Counterfeits.--The public are cautioned against the many spurious medicines which in order to deceive, are called by names similar to Wright's Indian Vegetable Pills.
