

made, commenced yesterday by Gen. Twigg, was terminated this day about noon, after several hours hard fighting on both sides, in which many lives were lost. On the part of the enemy, I have no means of ascertaining. So far as I have been able to recollect the names of the volunteers killed and wounded I give them. We have to mourn the death of Gen. SHELTON, attached to General Twigg's division. He fell at an early hour, gallantly engaged in urging his men onward, and died soon after.

The line of march was commenced at daylight this morning, by General Worth's division moving off, which was followed soon after by the second and first Tennessee, and first and second Pennsylvania. Company F. (Naylor's) was attached to the second Tennessee, as were also one Kentucky company, and I assure you our work was by no means easy. At about 10 o'clock the contest was at its height, and several times were our troops forced to retreat under the galling fire of the Mexicans, but they soon rallied, and with such mighty effect as to force them from every point.

Never were an enemy more strongly entrenched, and never did they struggle harder to maintain their position; but our bayonets were too much for them. They had two 6 gun batteries; two 2 guns, one of 3 guns, and a height which seemed impossible for any human power to obtain, with 4 guns. They all, one by one, fell into the hands of our brave and gallant band.

Santa Anna, finding it impossible to maintain his ground, ordered a retreat, and of course, sent the example himself. Gen. La Vega, who found himself surrounded, surrendered, with a force of 5000 men, including four other Generals, who are now prisoners of war in our camp! We have all their arms, ammunition, &c. and I trust ere long we will have Santa Anna himself, as he is being hotly pursued by the daring Col. Harney, who has immortalized himself. The Dictator's splendid Carriage, one of his Cork Legs, several trunks, and about \$70,000 are also ours! The owner being obliged to cut loose one of his mules in order to escape!

The Pennsylvania Regiment discharged their duty nobly, as did the gallant Tennesseans and noble Kentuckians. The 2d Tennessee Regiment under Col. Haskill, suffered severely, as did also the Kentucky Company. The Mounted Rifles and 7th Infantry, under Col. Harney, are also badly cut up. The latter deserve the gratitude of their country for the manner in which their duty was discharged. But I have not time to say more, as the express is about leaving, except to annex the names of killed and wounded. I am tired, nay fatigued; and the scene I have witnessed this (Sabbath) day, will long be remembered.

Gen. Scott was present in person.  
 KILLED—Gen. Shields; Lieut. Gill, Co. E, 21 Tennessee Regiment; Serg't. H. L. Bynum, do. do.; Lieut. F. B. Nelson, Co. D, do.; Serg't. Brown, Co. H, (Rifle Guards) do.; Privates, George Keeney, Co. WOUNDED—Brig. Gen. Pillow, 1st Brigade Gen. Patterson's Division of Volunteers, in the arm, slightly; Lieut. Col. Cummings, of 2d Tenn. Regiment, in the foot; Major Robert Parkeharson, 1st Tenn. Reg't.; Capt. Murray, Co. B, 2d Tenn. Reg't.; Lieut. Yeowood, Co. H, do.; Lieut. W. P. Halle, Co. E, do. Privates, C. Ross, Co. D, do.; Ben. Havre, Co. D, do.; Jonas M. Woods, Co. H, do.; Wm. KENTUCKY VOLUNTEERS—Lieut. Sutherland; Sergeant Allen T. Mockabee; Henry Brewer; Minor T. Smith; Henry Williams; John Langston; Whitmore Kieth.

Ex-President Herrera is also a prisoner, and appears to be a plain, unassuming, personage. The prisoners of rank, as they are collected at the head quarters of Gen. Scott, attract crowds of soldiers, all anxious to catch a glimpse of the "lions."

Gen. Patterson has gone to Jalapa.

A Strong Specific for Curling Hair.—A correspondent informs us that he bought a bottle of this Specific out west, and applied it once to his pate; which caused his hair to curl so tight that it raised him off the ground for two weeks, three days, thirteen minutes and seven seconds!

LAST OF THE ROMANS—Mr. Bowden, M. C., in a recent speech in Talladega, Alabama, called Mr. Polk "The last of the Romans." The Montgomery Journal on the occasion, expressed its delight that the breed was so high run out!

The Liverpool Albion says that recently a man sold his wife in a public market place at Barton, for a shilling.

A Village for Sale—To show the effects of the great immigration to America, the entire village of Meimbresen, in the Electorate of Cassel, is offered for sale, as all the inhabitants, 600, are about to leave for the United States.

Starvation.—A careful estimate makes the number of deaths from starvation in Ireland, to the 26th of February, upwards of 26,000.

**DROWSINESS, Swimming of the Head, a roaring noise in the ears, headache, palpitation of the heart, &c.** Wright's Indian Vegetable Pills are a certain cure for the above unpleasant complaints, because they purge from the body those stagnant and corrupt humors which, when floating in the general mass of circulation, are the cause of a determination or rush of blood to the head, giddiness, loss of memory, dimness of sight, drowsiness, pain of the head, and many other symptoms of a loaded and corrupt state of the blood.

Wright's Indian Vegetable Pills are also one of the very best medicines in the world for the cure of indigestion, and therefore will not only remove all the above unpleasant symptoms, and entirely prevent any evil consequences resulting from a rush of blood to the head, but will most assuredly restore the body to a state of sound health.

Beware of Counterfeits.—The public are cautioned against the many spurious medicines, which in order to deceive are called by names similar to Wright's Indian Vegetable Pills.

For sale by George H. Miller, Stroudsburg, who is the only authorized agent for that place; see advertisement for other agencies in another column. Office and general depot, 169 Race st. Phil'a.

The Collectors of County and State Taxes are hereby notified to pay to the Treasurer all arrears of Taxes, due on their Duplicates, on or before the 21st of June next. The Commissioners will meet at their office on that day, to grant necessary exonerations. The increased expenses of the county, in consequence of building the public offices, and a reduction of the county tax for the present year, is warranted only by their determination to require a speedy and full settlement of the Duplicates now in arrears. We trust this appeal will not be in vain; and that the promptitude of the taxpayer will enable you to make a full payment of all arrears on that day.

**It is Written**

In the Book of Nature and Common Sense, that the natural vegetable productions of every country are, if properly applied, are amply sufficient for the cure of every malady incident to each peculiar climate.

**Wright's Indian Vegetable Pills,**

of the North American College of Health, are composed of plants which grow spontaneously on our own soil, and are therefore better adapted to our constitutions than medicines concocted from foreign Drugs, however well they may be compounded; and as they are founded upon the principle that the human body is in truth

Subject to but One Disease, viz: corrupt humors, and that said medicine cures this disease on

**Natural Principles**

by cleansing and purifying the body; it will be manifest, that if the constitution be not entirely exhausted—a perseverance in their use, according to directions, is absolutely certain to drive disease of every name from the body.

When we wish to restore a swamp or morass to fertility, we drain it of the superabundant waters; in like manner if we wish to restore the body to health, we must cleanse it of impurity.

**Wright's Indian Vegetable Pills**

will be found one of the best, if not the very best medicine in the world for carrying out this

**Grand Purifying Principle,**

because they expel from the body all morbid and corrupt humors, the cause of disease, in an easy and natural manner; and while they every day

**Give Ease and Pleasure,**

disease of every name is rapidly driven from the body.

The following Agencies have been established for the sale of Wright's Indian Vegetable Pills, in
