

the accumulation of inferior stocks. Altogether there is no disposition to do largely in provisions.

As we have for some time expected, our opponents are attempting to lie the Boston Chronotype into a Whig Journal, and the Camden Democrat asserts without qualification that it is so. We have seen sundry No.'s of the Chronotype, and know the assertion of the Democrat to be false. The paper in question is not only not Whig, but it is free trade; and of course its affinities are much more Locofocoish than Whiggish.—Belvidere Apollo.

A Hail storm did great damage in York county, Pa., a few days since. One farmer suffers a loss of \$2000 in crops, &c.

It snowed at Black Creek, Carbon county, on Tuesday the 15th instant.

**Suicides in the United States.**  
One of the papers which took notes, states that there were two hundred and two suicides committed in the U. States last year. Of this number 35 were by cutting the throat, 51 hanging, 29 shooting, 25 drowning, 22 poison, 10 jumping from a height, 6 stabbing, 6 under railroad cars. Of this number 59 were insane, 15 drunk, and 18 filled with remorse and despair.

The Capitol, at Washington, has been undergoing some improvements of late. A gas lantern, invented by Mr. Crutchett, six feet in diameter and six feet high, fitted with superior silver plate glass reflectors, and surmounted with a golden metal ball, is to be placed on a mast, one hundred feet high, on the top of the dome. It is thought that the light will produce a fine effect.

**Farming by Steam.**  
The leading article of the London Agricultural Gazette of May 8th is on the employment of steam in farming, to which the editors are favorable, considering it a more docile and less costly power than either man or horse. Every hundred acres of ploughing involves the passing over 1,000 linear miles by 500 consumers of food. They calculate the saving by steam on every ploughing at \$1 per acre, or \$100,000,000 on as many acres.

**SUDDEN DEATH.**—Apoplexy, bursting of bloodvessels, &c. Wright's Indian Vegetable Pills are certain to prevent the above dreadful consequences, because they purge from the body those morbid humors, which, when floating in the general circulation, are the cause of a determination or rush of blood to the head, a pressure upon the brain, and other dreadful results. From two to six of said Indian Vegetable Pills, taken every night on going to bed, will, in a short time, so completely cleanse the body from every thing that is opposed to health, that sudden death, apoplexy, bursting of blood-vessels, or, indeed, any other malady, will be in a manner impossible.

**Beware of Counterfeits.**—The public are cautioned against the many spurious medicines, which in order to deceive are called by names similar to Wright's Indian Vegetable Pills.  
For sale by George H. Miller, Stroudsburg, who is the only authorized agent for that place; see advertisement for other agencies in another column. Office and general depot, 169 Race st. Phil'a.

**A CARD.**  
D.D.J. V. MATTISON respectfully announces to the people of Stroudsburg and vicinity, that he has permanently located at Stroudsburg, for the purpose of practicing medicine, where he hopes by strict attention and great care to merit the patronage of those who may employ him. Dr. M. also takes this method of informing those who are afflicted with diseases of long standing, that he has, for a few years past, devoted much time and attention, and has had ample opportunity, such as only a hospital affords, of investigating diseases of a chronic character, and he flatters himself that those calling upon him laboring under this class of disease will meet with prompt and immediate relief.  
He will be found at his room at the Mansion House, ready to consult with those who may favor him with a call at all hours when not absent on professional business.

**It is Written**

In the Book of Nature and Common Sense, that the natural vegetable productions of every country are, if properly applied, are amply sufficient for the cure of every malady incident to each peculiar climate.  
Wright's Indian Vegetable Pills, of the North American College of Health, are composed of plants which grow spontaneously on our own soil, and are therefore better adapted to our constitutions than medicines concocted from foreign Drugs, however well they may be compounded; and as they are founded upon the principle that the human body is in truth  
Subject to but One Disease,  
viz: corrupt humors, and that said medicine cures this disease on  
Natural Principles  
by cleansing and purifying the body; it will be manifest, that if the constitution be not entirely exhausted—a perseverance in their use, according to directions, is absolutely certain to drive disease of every name from the body.  
When we wish to restore a swamp or morass to fertility, we drain it of the superabundant waters; in like manner if we wish to restore the body to health, we must cleanse it of impurity.  
Wright's Indian Vegetable Pills will be found one of the best, if not the very best medicine in the world for carrying out this  
Grand Purifying Principle,  
because they expel from the body all morbid and corrupt humors, the cause of disease, in an easy and natural manner; and while they every day  
Give Ease and Pleasure,  
disease of every name is rapidly driven from the body.  
The following Agencies have been established for the sale of Wright's Indian Vegetable Pills, in  
MONROE COUNTY.
