**READ! BE GUARDED! To the Public.**

In 1843, I commenced the manufacture of what are now extensively known as "Improved Indian Vegetable Pills, Sugar Coated," after expending a great deal in means and experiments. The pills are said to be superior to any others on various accounts. They are every box, made of superior materials, are extremely pleasant, and always efficacious. The "Sugar Coating," which renders them still more pleasant, is also an original invention of my own, as is well known

Having brought these pills into market, where their virtues might be more extensively appreciated, I did a work of actual benevolence; and where I seek to make an honest livelihood after years of labor, I am, through these pills, improving the health and strength of thousands

Now these pills are made to sell upon their reputation as a good medicine, and should they not be distinguished from every imitation that is sought to be palmed off on their reputation? As you value your life and health do not touch those pills which are offered simply from being "coated with sugar!" Have not several unprincipled persons put forth a "Sugar Coated" pill as such since Dr. Smith's have become popular? Now, all I ask is the candid attention of the public to the following:

**ASK THE SUFFERER**

FROM ASTHMA

What has relieved him in such a short time from his difficulty of breathing, Cough and suffocation? He will tell you it was "the Olosaonian, or All-Healing Balm." Ask the Consumptive what has allayed his Cough, removed the Pain in his Side and Chest, checked his night sweats and placed the rose of health upon his cheek! and he will tell you Sherman's Olosaonian.

**OR ALL-HEALING BALM.**

Ask your friends if they know of any thing that will so speedily cure a long and tedious Cough, Raising of Blood, Bronchitis, Dyspeptic Consumption, Hoarseness, Influenza, and diseases of the Throat, as the Olosaonian! and they will tell you--No. There never yet has been a remedy introduced to public notice which has been productive of so much good in so short a space of time. Read the following

**Astonishing Cures.**

Wm. Bond, the celebrated Boston cracker baker, 95 Nassau street, Brooklyn, states that his wife has been afflicted with Asthma for 30 years, and could not find permanent relief from the best medical advice which New York and Brooklyn could produce, was induced to try this great remedy. She is now nearly well. His daughter, who was suffering from the same disease, tried it and was also cured by it. Mrs. Bond is now so well that she is able to rise from her bed early in the morning and attend to her usual duties during the day without any annoyance from her distressing malady.

Henry Jackson, 13th street, near the Catholic Cemetery, came to the store for the purpose of obtaining a bottle of the Olosaonian, having been afflicted with the Asthma for more than 30 years and was so exhausted on his arrival that he could not speak. He purchased a bottle and rode home. Four days afterward he walked from his residence to the office without fatigue, a distance of over two miles, to tell of the wonderful relief which he had experienced from using about one half of one bottle.

**Consumption of the Lungs.**

Mr. Comfort, 35 White street, was so low in the month of December last, that he was given up by his physician. His friends entertained no hope of his recovery. He was persuaded to try the Olosaonian, and to his surprise it has so far restored him to health that he is now able to walk about the streets.
