

that he opposed and defeated that tax. It has been asserted that he voted against refunding the fine imposed upon Gen. Jackson at New Orleans, when he advocated and sustained that measure. These and other slanders have been recklessly repeated, time and again, in the face of the most conclusive evidence. But they only insult the people by such experiments upon their supposed ignorance. The people know Gen. Irwin and will vindicate him. A purer, more benevolent, patriotic and just man, the Keystone State knows not within her borders. With a mind vigorous and well cultivated, a sagacity that never errs and a probity that never falters—he will make a Governor worthy the best days of the State.—North American.

DYSPEPSIA.—This distressing complaint is a weakness of the digestive organs, and like every other disease, is caused by impurity of the blood. The gastric juice, a fluid peculiar to the stomach, when secreted from bad blood, is deficient in those wonderful solvent properties which are of such vital importance to digestion. Consequently, the food, instead of being speedily dissolved, often becomes absolutely spoiled or putrified in the stomach; hence bad breath, sour belching, costiveness, pains in the stomach, colic, dysentery, cholera morbus, and other dreadful complaints.

Wright's Indian Vegetable Pills are a certain cure for dyspepsia, because they cleanse the stomach and bowels from all bilious humors, and purify the blood. Four or five of said Pills, taken at night on going to bed, will in all cases give some relief, and if continued for a short time, will not only make a perfect cure of Dyspepsia, but will assuredly drive pain or distress of every description from the body.

Beware of Counterfeits of all kinds! Some are coated with sugar; others are made to resemble in outward appearance the original medicine.

The original genuine Indian Vegetable Pills have the signature of William Wright written with a pen on the top label of each box. None other is genuine, and to counterfeit this is forgery.

For sale by George H. Miller, who is the only authorized agent for Stroudsburg; see advertisement for other agencies in another column. Office and general depot, 169 Race st. Phil'a.

DR. LE ROY'S

VEGETABLE UNIVERSAL PILLS.

The only known medicine that at the same time purges, purifies, and strengthens the system.

DR. LE ROY'S Pills are a new medicine which has just appeared, and is fast taking the places of all others of the same class. These pills are composed of many ingredients, but the two principal ones are Sarsaparilla and Wild Cherry, so united that they act together; the one, through its admixture with other substances, purifying and purging, while the other is strengthening the system. Thus these pills are at the same time tonic and opening; a desideratum long and eagerly sought for by medicinal men, but never before discovered. In other words they do the work of the two medicines, and do it much better than any two we know of; for they remove nothing from the system but the impurities; so that while they purge they strengthen; and hence they cause no debilitation, and are followed by no re-acton. Dr. Le Roy's Pills have a wonderful influence on the blood; they not only purify without weakening it, but they remove all noxious particles from the chyle before it is converted into fluid, and thus makes impure blood an utter impossibility. As there is no debilitation, so there is no nausea or sickness attending the operations of this most excellent of medicines, which never strains or tortures the digestive functions, but causes them to work in a perfectly natural manner; and hence persons taking them do not become pale and emaciated, but the contrary; for while it is the property of the Sarsaparilla, united as it is with other ingredients, to remove all that is foreign and impure, it is equally the property of the Wild Cherry to retain all that is natural and sound; and hence a robust state of health is the certain result of their united operations.

A CARD.

DR. J. V. MATTISON respectfully announces to the people of Stroudsburg and vicinity, that he has permanently located at Stroudsburg, for the purpose of practicing medicine, where he hopes by strict attention and great care to merit the patronage of those who may employ him. Dr. M. also takes this method of informing those who are afflicted with diseases of long standing, that he has, for a few years past, devoted much time and attention, and has had ample opportunity, such as only a hospital affords, of investigating diseases of a chronic character, and he flatters himself that those calling upon him laboring under this class of disease will meet with prompt and immediate relief.

He will be found at his room at the Mansion House, ready to consult with those who may favor him with a call at all hours when not absent on professional business.

THE GREAT PREVENTIVE MEDICINE!

Though Wright's Indian Vegetable Pills have achieved triumph upon triumph, in the cure of obstinate cases of disease, even after they had been entirely given up, and after all other remedies had failed, yet their power of prevention may be justly esteemed their

CROWNING GLORY!

'Storms,' it is said, 'purify the air,' but storms do mischief also, and are so far an evil. Were it within human power to maintain the

ELECTRICAL EQUILIBRIUM

between the earth and air, there would be no occasion for storms, for the air would always be pure. So of the human body. If kept free from morbid humors, the action is regular and healthy. But if those humors are allowed to accumulate, a crisis, or, in other words, a storm, will arise, which is always more or less dangerous.

WRIGHT'S INDIAN VEGETABLE PILLS are equally well calculated to prevent the storm, or to allay it when it comes. But

PREVENTION IS BETTER THAN CURE,

besides being cheaper and less troublesome. The delay of a day in the commencement of sickness has often proved fatal, and always renders the case more difficult to manage.

Let the sickness be caused by

CHANGES OF WEATHER,

high living, want of exercise, close confinement, functional derangement, or anything else, the effect upon the body is much the same—is equally dangerous, and is removable by the same means.

HAVE YOU A COLD?

Let it not ripen into Consumption! Are you Dyspeptic! Beware of the hypochondria. Two Pills taken every other night on an empty stomach, for a short time, will in nine cases out of ten, cure the Dyspepsia, and thereby drive away the legion of "devils blue." For Headach, no medicine is superior to

WRIGHT'S INDIAN VEGETABLE PILLS.

Costiveness, that prolific mother of disease, is caused by a torpid state of the liver, which these Pills effectually cures. By striking at the root of disease, Wright's Indian Vegetable Pills prevent all and cure all. They can hardly ever be taken amiss, if used with common discretion; and we commend them to the use of those who have not yet tried them.

The following Agencies have been established for the sale of Wright's Indian Vegetable Pills, in
