

Longings.

The craving appetite which many persons experience at times, is a source of much inconvenience not only themselves, but to those who may be friends with them. It is said in illustrating this, that of woman at Andernach, on the Rhine, longed for her husband, murdered him, ate what she could of him, and salted the rest. Calpurnius mentions another lady, who devoured fourteen hundred herrings during her "longing." Ludovicus Vives relates the case of a woman who longed for a bite in a young man's neck, and who would have gone crazy had she not been gratified. Roderick a Castro tells us another amiable female, who had set her heart upon biting off a bit of a Baker's shoulder. The husband bribed the baker to so much a bite, but the poor fellow could only "stand treat" once.

Cornelius Paulding has paid several New Orleans doctors \$4,717 for "medical advice and attendance" upon a sore finger, which immediately got well by his following the order of Dr. Smeat, to take off the rags and let it alone.

A couple of Counterfeiters were arrested at Lancaster last week, having \$4,700 of counterfeit notes in their possession, on Eastern Banks.

The following might be doubted by the reader, were we not to state, that it is copied from the letter of a distinguished western clergyman. By the way, a good thing happened here a while since. Our Methodist brethren of the Church of the Colored Messiah, got warmed up pretty decidedly; in the midst of which inspiration the minister prayed: "O Lord, curtail the influences of the Devil?" "Amen!" responded one of the worshippers; and another, catching the prevailing enthusiasm, exclaimed, "Yes e yah! Lord-ah! cut his tail off clean and clear-ah!"—*Knickerbocker*

DR. LE ROY'S VEGETABLE UNIVERSAL PILLS.

The only known medicine that at the same time purges, purifies, and strengthens the system.

DR. LE ROY'S Pills are a new medicine which has just appeared, and is fast taking the places of all others of the same class. These pills are composed of many ingredients, but the two principal ones are Sarsaparilla and Wild Cherry, so united that they act together; the one, through its admixture with other substances, purifying and purging, while the other is strengthening the system. Thus those pills are at the same time tonic and opening; a desideratum long and eagerly sought for by medicinal men, but never before discovered. In other words they do the work of the two medicines, and do it much better than any two we know of; for they remove nothing from the system but the impurities; so that while they purge they strengthen; and hence they cause no debilitation, and are followed by no reaction. Dr. Le Roy's Pills have a wonderful influence on the blood; they not only purify without weakening it, but they remove all noxious particles from the chyle before it is converted into fluid, and thus makes impure blood an utter impossibility. As there is no debilitation, so there is no nausea or sickness attending the operations of this most excellent of medicines, which never strains or tortures the digestive functions, but causes them to work in a perfectly natural manner; and hence persons taking them do not become pale and emaciated, but the contrary; for while it is the property of the Sarsaparilla, united as it is with other ingredients, to remove all that is foreign and impure, it is equally the property of the Wild Cherry to retain all that is natural and sound; and hence a robust state of health is the certain result of their united operations. Agents in Stroudsburg, Dr. Samuel Stokes and T. Schoch. July 29, 1847.

THE GREAT PREVENTIVE MEDICINE! Though Wright's Indian Vegetable Pills have achieved triumph upon triumph, in the cure of obstinate cases of disease, even after they had been entirely given up, and after all other remedies had failed, yet their power of prevention may be justly esteemed their.

CROWNING GLORY! 'Storms,' it is said, "purify the air," but storms do mischief also, and are so far an evil. Were it within human power to maintain the

ELECTRICAL EQUILIBRIUM between the earth and air, there would be no occasion for storms, for the air would always be pure. So of the human body. If kept free from morbid humors, the action is regular and healthy. But if those humors are allowed to accumulate, a crisis, or, in other words, a storm, will arise, which is always more or less dangerous.

WRIGHT'S INDIAN VEGETABLE PILLS are equally well calculated to prevent the storm, or to allay it when it comes. But

PREVENTION IS BETTER THAN CURE, besides being cheaper and less troublesome. The delay of a day in the commencement of sickness has often proved fatal, and always renders the case more difficult to manage.

Let the sickness be caused by CHANGES OF WEATHER, high living; want of exercise, close confinement, functional derangement, or anything else, the effect upon the body is much the same—is equally dangerous, and is removable by the same means.

HAVE YOU A COLD! Let it not ripen into Consumption! Are you Dyspeptic! Beware of the hypochondria. Two Pills taken every other night on an empty stomach, for a short time, will in nine cases out of ten, cure the Dyspepsia, and thereby drive away the legion of "devils blue." For Headach, no medicine is superior to

WRIGHT'S INDIAN VEGETABLE PILLS. Costiveness, that prolific mother of disease, is caused by a torpid state of the liver, which these Pills effectually cures. By striking at the root of disease, Wright's Indian Vegetable Pills prevent all and cure all. They can hardly ever be taken amiss, if used with common discretion; and we commend them to the use of those who have not yet tried them.

The following Agencies have been established for the sale of Wright's Indian Vegetable Pills, in

MONROE COUNTY.
