We believe it is not generally known that this British poet was the son of American parents, though born in England. His father was a royalist, and fled to the mother country, at the time of the revolution. His mother was a sister of the celebrated painter, Benjamin West

NFLAMMATION OF THE EYES, like all he found a certain cure for the above painful mal- ber. On this farm there is a good ady; because they purge from the body those corrupt and stagnant humors which are the cause not only of inflammation of the eyes, but of every description of disease. From three to six of the above named Indian Vegetable Pills, taken every night on going to bed, will completely rid the body of everything that is opposed to health; and therefore will most assuredly make a perfect cure of inflamation of the eyes, and at the same time the blood and other fluids will be of such a nealthy quality, that disease of any kind will be absolutev impossible.

Beware of Counterfeits of all kinds! Some are coated with sugar; others are made to resemble n outward appearance the original medicine.

The original genuine Indian Vegetable Pills have the signature of William Wright written with a pen on the top label of each box. None other is genuine, and to counterfeit this is forgery. For sale by George H Miller, who is the only

VEGETABLE UNIVERSAL PILLS The only known medicine that at the same time pur ges, purifies, and strengthens the system.

R. LE ROY'S Pills are a new medicine which has just appeared, and is fast taking the places of all others of the same class. These pills are composed of many ingredients, but the two principal ones are Sarsaparilla and Wild Cherry, so united that they act together; the one, through its admixture with other substances, purifying and purging, while the other is strengthening the sys tem. Thus those pills are at the same time tonic and opening; a desideratum long and eagerly sought for by medicinal men, but never before discovered. In other words they do the work of the two medicines, and do it much better than any rors and others attending Court are invited to Farmers' bank of Bucks The road leading from Stroudsburg to the two we know of; for they remove nothing from the call, and satisfy themselves.
