

A London letter published in the Boston Herald, says: The most extraordinary and unaccountable case connected with the failures of the day, is that of the Duke of Buckingham, the owner of the magnificent residence of Chandos House and Buckingham House, of London; of St. James and Walpole House, and Avington, in Hampshire. It is stated that the Duke of Buckingham actually owes his creditors nearly ten millions of dollars; and that he is an extremely hard case, for a large portion of this money is due to tradespeople, who are not able to afford to lose it. They have attempted to seize and sell by auction his personal property, as for his estates, they cannot be touched. The value of the splendid pictures by the old masters, the elegant furniture, the magnificent silver and silver plate, the large stock of old lace, and his other effects, contained in his residences, it is supposed, would sell for half a million of dollars.

In August an execution was put into Buckinghams House for twenty thousand pounds, and when the officers were about to seize the furniture and plate, they were informed that the Duke of Buckingham had assigned over the whole of his estate to his eldest son. On application to the judge, however, it was argued that the deed of assignment was fraudulent and void, and the sheriff should remain in possession, and the property should be sold to satisfy the claims.

This case is only one out of hundreds; for in this country, as in England, who are supposed to enjoy the fruits of civilization, and who are not content with being so deeply in debt that they cannot pay a tradesman's bill; and yet their real estate cannot be touched, whilst their personal property, if seized, would not satisfy more than a creditor in fifty. The proud nobility of England are in reality a set of bankrupts!

A Novel Witness.
Last Saturday a trial came off between two persons for debt. The person who brought the suit kept no book of accounts, but was in the habit of marking down his accounts on the cellar door! He appeared before the Squire at Morrisville, and the defendant demanded the evidence of the debt. The justice told him he must bring his book into court and prove it. He immediately procured a wagon and set out for the cellar door, and actually brought it into court, established his claim and got judgment. The lawyers were wonderfully puzzled in the cross examination; the witness being altogether upon the stubborn facts!

To make TROUSERS LAST.—Instruct your Taylor, when he builds you a suit of clothes, to make your coat and waistcoat first, by which means he will make your trousers last.

COLDS, COUGHS, CONSUMPTION, &c It should be remembered that a cough is always an evidence that some impurity is lodged in the lungs, which, if not speedily removed, will so irritate those delicate organs as to produce inflammation of the lungs, a disease which we all know is the high road to consumption. Wright's Indian Vegetable Pills are a safe, easy, and certain cure for colds and coughs, because they carry off by the stomach and bowels, those morbid humors which, if deposited upon the lungs are the cause of the above dangerous complaints. A single twenty-five cent box of said Indian Vegetable Pills is generally sufficient to make a perfect cure of the most obstinate cold; and at the same time the digestion is improved, and the blood so completely purified, that new life and vigor are given to the whole frame.
Beware of Counterfeits of all kinds! Some are coated with sugar; others are made to resemble in outward appearance the original medicine. The original genuine Indian Vegetable Pills have the signature of William Wright written with a pen on the top label of each box. None other is genuine, and to counterfeit this is forgery. For sale by *George H. Miller*, who is the only authorized agent for Stroudsburg; see advertisement for other agencies in another column.

DR. LE ROY'S VEGETABLE UNIVERSAL PILLS.

The only known medicine that at the same time purges, purifies, and strengthens the system.
DR. LE ROY'S PILLS are a new medicine which has just appeared, and is fast taking the place of all others of the same class. These pills are composed of many ingredients, but the two principal ones are Sarsaparilla and Wild Cherry, so united that they act together; the one, through its admixture with other substances, purifying and purging, while the other is strengthening the system. Thus these pills are at the same time tonic and opening; a desideratum long and eagerly sought for by medicinal men, but never before discovered. In other words they do the work of the two medicines, and do it much better than any two we know of; for they remove nothing from the system but the impurities; so that while they purge they strengthen; and hence they cause no debilitation, and are followed by no re-action. Dr. Le Roy's Pills have a wonderful influence on the blood; they not only purify without weakening it, but they remove all noxious particles from the chyle before it is converted into fluid, and thus makes impure blood an utter impossibility. As there is no debilitation, so there is no nausea or sickness attending the operations of this most excellent of medicines, which never strains or tortures the digestive functions, but causes them to work in a perfectly natural manner; and hence persons taking them do not become pale and emaciated, but the contrary; for while it is the property of the Sarsaparilla, united as it is with other ingredients, to remove all that is foreign and impure, it is equally the property of the Wild Cherry to retain all that is natural and sound; and hence a robust state of health is the certain result of their united operations.

The long experience which she has had in the business of keeping a hotel or public house in connection with the favorable location and commodiousness of the Mansion House, she hopes will afford a sufficient guarantee to secure a liberal patronage. Persons visiting town on business or pleasure excursions, will find a comfortable, convenient and quiet home. Jurors and others attending Court are invited to call, and satisfy themselves. Strangers from the city, or elsewhere, who contemplate spending some time in the beautiful and retired village of Stroudsburg, will do well by making the above house their home during their stay here;—in short, all are invited to call.

THE GREAT PREVENTIVE MEDICINE!

Though *Wright's Indian Vegetable Pills* have achieved triumph upon triumph, in the cure of obstinate cases of disease, even after they had been entirely given up, and after all other remedies had failed, yet their power of prevention may be justly esteemed their
CROWNING GLORY!
'Storms,' it is said, 'purify the air,' but storms do mischief also, and are so far an evil. Were it within human power to maintain the
ELECTRICAL EQUILIBRIUM between the earth and air, there would be no occasion for storms, for the air would always be pure. So of the human body. If kept free from morbid humors, the action is regular and healthy. If, on the other hand, humors are allowed to accumulate, a crisis, or, in other words, a storm, will arise, which is always more or less dangerous.
WRIGHT'S INDIAN VEGETABLE PILLS are equally well calculated to prevent the storm, or to allay it when it comes. But
PREVENTION IS BETTER THAN CURE, besides being cheaper and less troublesome. The delay of a day in the commencement of sickness has often proved fatal, and always renders the case more difficult to manage.
Let the sickness be caused by
CHANGES OF WEATHER, high living, want of exercise, close confinement, functional derangement, or anything else, the effect upon the body is much the same—is equally dangerous, and is removable by the same means.
HAVE YOU A COLD?
Let it not ripen into Consumption! Are you Dyspeptic! Beware of the hypochondria. Two Pills taken every other night on an empty stomach, for a short time, will in nine cases out of ten, cure the Dyspepsia, and thereby drive away the legion of "devils blue." For Headach, no medicine is superior to
WRIGHT'S INDIAN VEGETABLE PILLS. Costiveness, that prolific mother of disease, is caused by a torpid state of the liver, which these Pills effectually cures. By striking at the root of disease, *Wright's Indian Vegetable Pills* prevent all and cure all. They can hardly ever be taken amiss, if used with common discretion; and we commend them to the use of those who have not yet tried them.
