

its preservation with jealous anxiety; dis-  
countenancing whatever may suggest even a  
suspicion that it can in any event be aban-  
doned; and indignantly frowning upon the  
first dawning of every attempt to alienate any  
portion of our country from the rest, or to en-  
feeble the sacred ties which now link togeth-  
er the various parts."

After the lapse of half a century, these  
admonitions of Washington fall upon us with  
all the force of truth. It is difficult to esti-  
mate the "immense value" of our glorious  
Union of confederated States, to which we  
are so much indebted for our growth in popu-  
lation and wealth, and for all that consti-  
tutes a great and happy nation. How unim-  
portant are all our differences of opinion upon  
minor questions of public policy, compared  
with its preservation; and how scrupulously  
should we tend to avoid all agitating topics  
which may tend to distract and divide us into  
contending parties, separated by geographi-  
cal lines, whereby it may be weakened or  
endangered.

Invoking the blessing of the Almighty Ruler  
of the Universe upon your deliberations,  
it will be my highest duty, no less than my  
sincere pleasure, to cooperate with you in  
all measures which may tend to promote the  
honor and enduring welfare of our common  
country.  
JAMES K. POLK.

#### The Message.

We publish in to-days' paper the entire Message  
of the President, to Congress, delivered on Tues-  
day week. In doing so, we necessarily exclude  
nearly every thing else from our columns in con-  
sequence of its great length, occupying over three  
pages of our paper. It is a very ordinary docu-  
ment, and quite warlike in its tone. Mr. Polk  
takes decided ground against a defensive line, and  
also against the withdrawal of our army altogether.  
He is in favor of prosecuting the war vigor-  
ously, but declares no object other than that of se-  
curing indemnification by the appropriation of  
Mexican territory. He goes for keeping all we  
have got, and getting all we can. Having failed  
to conquer or purchase a peace, Mr. Polk now  
seems determined to frighten the Mexicans with  
threats and big words. No further overtures of  
peace are to be made on our part, and more men  
and money are called for. He does not directly  
advocate Annexation and Conquest, but approach-  
es such a policy as closely as possible. All prospect  
of a speedy peace are at an end, so far as the  
Administration is concerned. The olive branch  
has been thrown aside, and the sword unsheathed  
by the "one man power" at Washington. Fortu-  
nately for the country, however, Congress will  
have something to say in this matter. We look  
to that body for prompt action, to check the reck-  
less and inglorious career of the present Adminis-  
tration.

A tax on the poor man's tea and coffee is again  
recommended.

The Doylestown Intelligencer says the  
Lewistown Bank has suspended specie payments.

We are indebted to the Hon. Andrew Stew-  
art, for an early copy of the Presidents Message.

**SPITTING OF BLOOD.**—It should be remem-  
bered when the stream of life is encumbered  
with morbid humors, that its volume or quantity  
is increased, the blood vessels are filled to over-  
flowing; hence a rupturing of those which termi-  
nate in the lungs and spitting of blood, consumption,  
and other dreadful complaints. Wright's Indian  
Vegetable Pills are certain to put an immediate  
stop to spitting of blood because they take out of  
the circulation those useless and corrupt humors  
which are the cause not only of the bursting of  
blood-vessels, but also of every malady incident  
to man. From three to six of said Indian Veget-  
table Pills taken at night on going to bed, will in  
all cases give immediate relief and if repeated a  
few times will most assuredly restore the body to  
a state of sound health.

#### THE NEW WORLD.

NEW SERIES.

Park Benjamin, Editor.

TWO DOLLARS A YEAR IN ADVANCE.

On Saturday, the second of October, was is-  
sued, on a very large and elegant folio sheet,  
and on the plan of 'The New World,' formerly  
published in this city, a weekly literary news-  
paper, with the above title.

It contains the new and popular productions  
of all the best authors, home and foreign, in-  
cluding Bulwer, Dickens, James, Leigh Hunt, Jer-  
old, Thackeray, Herbert, Bryant, Longfellow,  
Irving, Prescott, Sue, George Sand, and hosts  
of other celebrated writers.

It also presents weekly extracts from new  
books, magazines, and newspapers of all kinds,  
of the most interesting and amusing description.

The old 'New World' was so well known,  
that it is not requisite to enter upon any labored  
description of the new New World; since the  
latter is exactly like the former, except so far  
as it has been improved.

It will be embellished with elegant and cost-  
ly engravings.

In consequence of the great economy which  
has been introduced into the art of printing and  
paper-making, the proprietors are enabled to  
offer the new paper at the low price of TWO  
DOLLARS A YEAR.

The proprietors are making extensive ar-  
rangements in advance, to make 'The New  
World' the most unexceptionable and agree-  
able FAMILY NEWSPAPER published in the Union.

They mean also that it shall be original as  
well as excellent; and they are accordingly pre-  
pared to make, and will make liberal arrange-  
ments with authors. As an earnest of this,  
they commenced with the first number a NEW  
ROMANCE, written expressly for the New World  
by Frank Forester, author of the 'Warwick  
Woodlands,' 'My Shooting Box,' &c. &c. They  
will also give a series of ORIGINAL LEGENDS,  
by Edmund Flagg, Esq. author of 'Lucretia  
Borgia,' 'Catherine Howard,' 'Beatrice,' &c.

#### DR. LE ROY'S

VEGETABLE UNIVERSAL PILLS.  
The only known medicine that at the same time pur-  
ges, purifies, and strengthens the system.

DR. LE ROY'S Pills are a new medicine  
which has just appeared, and is fast taking  
the places of all others of the same class. These  
pills are composed of many ingredients, but the  
two principal ones are Sarsaparilla and Wild  
Cherry, so united that they act together; the one, through  
its admixture with other substances, purifying and  
purging, while the other is strengthening the sys-  
tem. Thus those pills are at the same time tonic  
and opening; a desideratum long and eagerly  
sought for by medical men, but never before dis-  
covered. In other words they do the work of the  
two medicines, and do it much better than any  
two we know of; for they remove nothing from the  
system but the impurities; so that while they purge  
they strengthen; and hence they cause no debilita-  
tion, and are followed by no re-action. Dr. Le  
Roy's Pills have a wonderful influence on the  
blood; they not only purify without weakening it,  
but they remove all noxious particles from the  
chyle before it is converted into fluid, and thus  
makes impure blood an utter impossibility. As  
there is no debilitation, so there is no nausea  
or sickness attending the operations of this most  
excellent of medicines, which never strains or  
tortures the digestive functions, but causes them  
to work in a perfectly natural manner; and hence  
persons taking them do not become pale and  
emaciated, but the contrary; for while it is the  
property of the Sarsaparilla, united as it is with  
other ingredients, to remove all that is foreign and  
impure, it is equally the property of the Wild Cher-  
ry to retain all that is natural and sound; and hence  
a robust state of health is the certain result of their  
united operations.

T. Schuch.

and acts of the Administration deemed to be  
adverse to the interests of the country, and ex-  
poses without fear or favor the corruptions of  
the party in power. Its columns are open to  
every man in the country for the discussion of  
political or any other questions.

In addition to politics a large space in the  
National Whig will be devoted to publications

second number, a large number of copies of  
which have been printed to supply calls for

The long experience which she has had in

rors and others attending Court are invited to  
call, and satisfy themselves. Strangers from

#### THE GREAT PREVENTIVE MEDICINE!

Though Wright's Indian Vegetable Pills have  
achieved triumph upon triumph, in the cure of ob-  
stinate cases of disease, even after they had been  
entirely given up, and after all other remedies had  
failed, yet their power of prevention may be justly  
esteemed their

#### CROWNING GLORY!

'Stomach,' it is said, 'purify the air,' but storms do  
mischief also, and are so far an evil. Were it  
within human power to maintain the

ELECTRICAL EQUILIBRIUM  
between the earth and air, there would be no occa-  
sion for storms, for the air would always be pure.  
So of the human body. If kept free from mor-  
bid humors, the action is regular and healthy. But  
if those humors are allowed to accumulate, a cri-  
sis, or, in other words, a storm, will arise, which  
is always more or less dangerous.

WRIGHT'S INDIAN VEGETABLE PILLS  
are equally well calculated to prevent the storm,  
or to allay it when it comes. But

PREVENTION IS BETTER THAN CURE.  
besides being cheaper and less troublesome. The  
delay of a day in the commencement of sickness  
has often proved fatal, and always renders the case  
more difficult to manage.

Let the sickness be caused by

CHANGES OF WEATHER,  
high living, want of exercise, close confinement,  
functional derangement, or anything else, the ef-  
fect upon the body is much the same—is equally  
dangerous, and is removable by the same means.

HAVE YOU A COLD?  
Let it not ripen into Consumption! Are you Dys-  
peptic! Beware of the hypochondria! Two Pills  
taken every other night on an empty stomach, for a  
for a short time, will in nine cases out of ten, cure  
the Dyspepsia, and thereby drive away the legion  
of "devils blue." For Headach, no medicine is  
superior to

WRIGHT'S INDIAN VEGETABLE PILLS.  
Costiveness, that prolific mother of disease, is  
caused by a torpid state of the liver, which these  
Pills effectually cures. By striking at the root of  
disease, Wright's Indian Vegetable Pills prevent  
all and cure all. They can hardly ever be taken  
amiss, if used with common discretion; and we  
commend them to the use of those who have not  
yet tried them.
