VEGETABLE UNIVERSAL PILLS, The only known medicine that at the same time pur-

ges, purifies, and strengthens the system. R. LE ROY'S Pills are a new medicine which has just appeared, and is fast taking the places of all others of the same class. These pills are composed of many ingredients, but the two principal ones are Sarsaparilla and Wild Cherry, so united that they act together; the one, through its admixture with other substances, purifying and purging, while the other is strengthening the sys tem. Thus those pills are at the same time tonic and opening; a desideratum long and eagerly sought for by medicinal men, but never before discovered. In other words they do the work of the two medicines, and do it much better than any ton at 2 o'clock, P. M., in time for dinner; retwo we know of; for they remove nothing from the turning on the following day, leaving D. Consystem but the impurities; so that while they purge they strengthen; and hence they cause no debili tation, and are followed by no re-action. Dr. Le Roy's Pills have a wonderful irfluence on the blood; they not only purify without weakening it, but they remove all noxious particles from the makes impure blood an utter impossibility. As there is no debilitation, so there is no nausea or sickness affending the opperations of this most excellent of medicines, which never strains or tortures the digestive functions, but causes them to work in a perfectly natural manner; and hence persons taking them do not become pale and Stroudsburg, March 25, 1847 emaciated, but the contrary; for while it is the property of the Sarsaparilla, united as it is with other ingredients, to remove all that is foreign and impure, it is equally the property of the Wild Cher- Begs leave respectfully to inform her old friends to retain all that is natural and sound; and hence a robost state of health is the certain result of their united operations.
