Telegraphic Wedding.

A gentleman of Cincinnati and a lady of Philadelphia, were married in the latter city, on Thursday night last, and the fact being communicated by telegraph, the wedding feast was held simultaneously in Cincinnati and Philadelphia. The "joy greeting" and the response were telegraphed, the Cincinnati Commercial says, and, therefore, though strange as it may seem, this wedding celebration had participants in persons separated by nearly a thousand miles. What will science do next?

The Great Robbery.

The value of Dr. Darlington, which contained the stolen money of the Chester County Bank, was found a week or ten days ago, near the Falls of Schuylkill, cut open and rifled of its contents, except a memorandum and some rare plants the Doctor had received in the city. The Delaware Republican has a rumor that the supposed robber had been arrested somewhere near Port Deposit. This is rather doubtful, as we find no mention of it in the Philadelphia papers.

RHEUMATISM CURED.—John Burns, living at 202 N. Second St., Philadelphia, had been several years afflicted with Rheumatic Pains in various parts of the body. During which time he tried various remedies, and used outward applications without number, and in all cases with no essential benefit. Was finally induced to make trial of Wright's Indian Vegetable Pills, a single 25 cent box of which not only gave relief, but after using them a short time drove every particle of pain from the body.
Beware of Counterfeits of all kind! Some are coated with sugar; others are made to resemble in outward appearance the original medicine.
The original genuine Indian Vegetable Pills have the signature of William Wright written with a pen on the top label of each box. None other is genuine, and to counterfeit this is forgery.
For sale by George H. Miller, who is the only authorized agent for Stroudsburg; see advertisement for other agencies in another column.

MARRIED.

On the 11th inst., by the Rev. J. W. Mecaskey, Mr. Samuel Meyer, of Pocono township, and Miss Jeanette Labar, of the borough of Stroudsburg.

DIED.

At his residence at Dingman's Choice, on Thursday the 6th inst., at the age of 32 years, 4 months and three days, Daniel W. Dingman, Jr., after a painful illness of 53 hours.
By this afflicting dispensation of an All-wise Providence, the venerable parents, heart-broken wife, fatherless children, and other friends of the deceased are called to mourn his early death and separation from them, whilst the community in which he lived, of which he was a useful and universally esteemed member, has lost one of its brightest ornaments. He was a man of fine talents, and possessed those qualities which adorn the character of man. With fortitude he bore the tortures of disease, meeting his fate with calm resignation, and in the full possession of his intellect, until his noble spirit took its flight to the mansions of rest.

THE GREAT PREVENTIVE MEDICINE!

Through Wright's Indian Vegetable Pills have achieved triumph upon triumph, in the cure of obstinate cases of disease, even after they had been entirely given up, and after all other remedies had failed, yet their power of prevention may be justly esteemed their

CROWNING GLORY!
'Storms,' it is said, 'purify the air,' but storms do mischief also, and are so far an evil. Were it within human power to maintain the

ELECTRICAL EQUILIBRIUM between the earth and air, there would be no occasion for storms, for the air would always be pure. So of the human body. If kept free from morbid humors, the action is regular and healthy. But if those humors are allowed to accumulate, a crisis, or, in other words, a storm, will arise, which is always more or less dangerous.

WRIGHT'S INDIAN VEGETABLE PILLS are equally well calculated to prevent the storm, or to allay it when it comes. But

PREVENTION IS BETTER THAN CURE, besides being cheaper and less troublesome. The delay of a day in the commencement of sickness has often proved fatal, and always renders the case more difficult to manage.

Let the sickness be caused by **CHANGES OF WEATHER,** high living, want of exercise, close confinement, functional derangement, or anything else, the effect upon the body is much the same—is equally dangerous, and is removable by the same means.

HAVE YOU A COLD?
Let it not ripen into Consumption! Are you Dyspeptic! Beware of the hypochondria. Two Pills taken every other night on an empty stomach, for a for a short time, will in nine cases out of ten, cure the Dyspepsia, and thereby drive away the legion of "devils blue." For Headach, no medicine is superior to

WRIGHT'S INDIAN VEGETABLE PILLS. Costiveness, that prolific mother of disease, is caused by a torpid state of the liver, which these Pills effectually cures. By striking at the root of disease, Wright's Indian Vegetable Pills prevent all and cure all. They can hardly ever be taken amiss, if used with common discretion; and we commend them to the use of those who have not yet tried them.

The following Agencies have been established for the sale of Wright's Indian Vegetable Pills, in **MONROE COUNTY.**

DR. LE ROY'S

VEGETABLE UNIVERSAL PILLS.
The only known medicine that at the same time purges, purifies, and strengthens the system.

DR. LE ROY'S Pills are a new medicine which has just appeared, and is fast taking the places of all others of the same class. These pills are composed of many ingredients, but the two principal ones are Sarsaparilla and Wild Cherry, so united that they act together; the one, through its admixture with other substances, purifying and purging, while the other is strengthening the system. Thus those pills are at the same time tonic and opening; a desideratum long and eagerly sought for by medicinal men, but never before discovered. In other words they do the work of the two medicines, and do it much better than any two we know of; for they remove nothing from the system but the impurities; so that while they purge they strengthen; and hence they cause no debilitation, and are followed by no reaction. Dr. Le Roy's Pills have a wonderful influence on the blood; they not only purify without weakening it, but they remove all noxious particles from the chyle before it is converted into fluid, and thus makes impure blood an utter impossibility. As there is no debilitation, so there is no nausea or sickness attending the operations of this most excellent of medicines, which never strains or tortures the digestive functions, but causes them to work in a perfectly natural manner; and hence persons taking them do not become pale and emaciated, but the contrary; for while it is the property of the Sarsaparilla, united as it is with other ingredients, to remove all that is foreign and impure, it is equally the property of the Wild Cherry to retain all that is natural and sound; and hence a robust state of health is the certain result of their united operations.
