Park Benjamin, Editor.
TWO DOLLARS A YEAR IN ADVANCE.
 On Saturday, the second of October, was issued, on a very large and elegant folio sheet, and on the plan of 'The New World,' formerly published in this city, a weekly literary newspaper, with the above title.
 It contains the new and popular productions of all the best authors, home and foreign, including Bulwer, Dickens, James, Leigh Hunt, Jerrold, Thackeray, Heber, Bryan, Longfellow, Irving, Prescott, Sue, George Sand, and hosts of other celebrated writers.
 It also presents weekly extracts from new books, magazines, and newspapers of all kinds, of the most interesting and amusing description.
 The old 'New World' was so well known, that it is not requisite to enter upon any labored description of the new New World; since the latter is exactly like the former, except so far as it has been improved.
 It will be embellished with elegant and costly engravings.
 In consequence of the great economy which has been introduced into the art of printing and paper-making, the proprietors are enabled to offer the new paper at the low price of TWO DOLLARS A YEAR.
 The proprietors are making extensive arrangements in advance, to make 'The New World' the most unexceptionable and agreeable FAMILY NEWSPAPER published in the Union.
 They mean also that it shall be original as well as excellent; and they are accordingly prepared to make, and will make liberal arrangements with authors. SIX YEARS AGO
 The children began to cry for Sherman's Lozenges. The noise was not so loud at that time, but it kept increasing ever since, and now has become so great that the mouths of the little ones can scarce be stopped. Dr. Sherman sympathizes with the little sufferers, and very much regrets that any of them should be disappointed. Knowing the vast benefit which has been conferred upon the community by the introduction of his infallible **Worm Lozenges,** he has entered into arrangements for enlarging his Manufactory, by means of which he thinks he will be able to supply the demand. And the same pains and care will be taken, that these celebrated Lozenges be made as they have always been, in order that those who depend upon them may not be disappointed in their hopes. He knew when he commenced the manufacture of the **Worm Lozenges,** that they would supersede the use of every other vermifuge, as the Lozenge is very pleasant to the taste, speedy in its effects, as well as certain, and the quantity required to effect a perfect cure, is very small. These properties in connection with the fact that they are sold for 25 cents per Box, thus placing them in the reach of the poorest man in the land, has not only caused them to take the place of every other vermifuge ever offered, but also rendered them popular to the community.
Dr. Sherman's Cough Lozenges, continue to cure Coughs, Colds, Consumption, Asthma, shortness and difficulty of Breathing, and other diseases of the Lungs, with the same facility they did on their first introduction, and the people have now become persuaded by actual experience, that on the accession of a slight Cold, they have only to step to either the Dr.'s office, or one of his Agents, and obtain a box of his Cough Lozenges, which are very convenient to carry in the pocket, and to take a few through the day. By pursuing this course a cure is often effected in 24 hours, and the patient about his business. So great is the celebrity of the Lozenges, that thousands of persons who have used them, and become acquainted with their effects, will never be without them.
Sherman's Poor Man's Plaster has cured more cases of Rheumatism, Pain in the Back, Side and Chest, Lumbago and Weakness, than any application that has ever been made.—As the celebrity of the Plaster has increased, hundreds of unprincipled rascals have attempted to counterfeit it, and palm it off upon the community as the genuine. Beware of Deception. Remember that the true and genuine Plaster is spread upon reddish paper made expressly for the purpose, and in every case the signature of Dr. Sherman is printed upon the back of the Plaster, and the whole secured by Copy Right. None others are genuine. Therefore when you want a real good Sherman's Poor Man's Plaster, call at the office, 106 Nassau street and you will not be disappointed.
 Remember the number, 106 Nassau st., where all Dr. Sherman's Lozenges are sold.

READ! BE GUARDED! To the Public.
 In 1843, I commenced the manufacture of what are now extensively known as "Improved Indian Vegetable Pills, Sugar Coated," after expending a great deal in means and experiments. The pills are said to be superior to any others on various accounts. They are every box, made of superior materials, are extremely pleasant, and always efficacious. The "Sugar Coating," which renders them still more pleasant, is also an original invention of my own, as is well known.
 Having brought these pills into market, where their virtues might be more extensively appreciated, I did a work of actual benevolence; and where I seek to make an honest livelihood after years of labor, I am, through these pills, improving the health and strength of thousands.
 Now these pills are made to sell upon their reputation as a good medicine, and should they not be distinguished from every imitation that is sought to be palmed off on their reputation! As you value your life and health do not touch those pills which are offered simply from being "coated with sugar!" Have not several unprincipled persons put forth a "Sugar Coated" pill as such since Dr. Smith's have become popular! Now, all I ask is the candid attention of the public to the following:
UNITED STATES OF AMERICA.

Oath before the Mayor in 1844.
 State of New York:
 City and County of New York, } ss
 [s.] G. BENJAMIN SMITH, within named, being duly sworn, deposes and says, that he is a citizen of the United States, and resides in the city of New York; and that he is the original inventor of "Sugar Coated Pills," and that to his knowledge or belief "Sugar Coated" Pills had never been manufactured or sold by any person before, and that the statements contained in the within are true.
G. BENJAMIN SMITH, M D

 Mayor of the City of New York.
 The above was sent to Washington with our specification and application for a Patent. The following is the reply

THE ABOVE CONFIRMED!!!
 The following certificate is from the first Druggists and others in New-York, which shows I invented "Sugar Coating" in 1843, before which time "Sugar Coating" was never heard of.

 The danger of being deceived is now apparent; as Dr. Smith's Pills have become very popular throughout the country, imitators have sought to palm off worthless stuff with a "coating of sugar" to cover up a most dangerous compound
Dr. Crumbecker, of Wheeling, Va., says that a person in that place came near losing his life from the effects of the counterfeit "Sugar Coated" Pills. Also, a gentleman in Louisville, Ky, was seized with violent vomiting after their use.
 Get the genuine or get none, and see that **G Benjamin Smith** is written with a pen on the bottom of each box
DR. CHILTON'S EVIDENCE.
 Some of Dr Smith's opponents have circulated the report, that the astonishing cures these pills have made, are attributable to mercury; but the first Chemist in New York, after a minute chemical examination, gives the following:
 I have analyzed a box of Doctor Smith's Sugar Coated Indian Vegetable Pills, and find that they do not contain mercury in any form
James R Chilton, M D, Chemist
 New York, July 29, 1845

 Personally appeared before me Dr G Benjamin Smith, and made oath that the statement of Doct. Chilton above is true and that these Pills do not contain any injurious substance, but they are entirely composed of vegetable properties; and further, that he is the inventor of "Sugar Coated Pills."

ASK THE SUFFERER FROM ASTHMA
 what has relieved him in such a short time from his difficulty of breathing, Cough and suffocation! He will you it was "the Olossonian, or All-Healing Balm." Ask the Consumptive what has allayed his Cough, checked the Pain in his Side and Chest, removed his night sweats and placed the rose of health upon his cheek? and he will tell you
Sherman's Olossonian, OR ALL-HEALING BALM.
 Ask your friends if they know of any thing that will so speedily cure a long and tedious Cough, Raising of Blood, Bronchitis, Dyspeptic Consumption, Hoarseness, Influenza, and diseases of the Throat, as the Olossonian? and they will tell you—No. There never yet has been a remedy introduced to public notice which has been productive of so much good in so short a space of time. Read the following
Astonishing Cures.
Wm. Bond, the celebrated Boston cracker baker, 98 Nassau street, Brooklyn, states that his wife has been afflicted with Asthma for 30 years, and could not find permanent relief from the best medical advice which New York and Brooklyn could produce, was induced to try this great remedy. She is now nearly well. His daughter, who was suffering from the same disease, tried it, and was also cured by it. Mrs. Bond is now so well that she is able to rise from her bed early in the morning and attend to her usual duties through the day without any annoyance from her distressing malady.
Henry Jackson, 13th street, near the Catholic Cemetery, came to the store for the purpose of obtaining a bottle of the Olossonian, having been afflicted with the Asthma for more than 30 years, and was so exhausted on his arrival that he could not speak. He purchased a bottle and rode home. Four days after he walked from his residence to the office without fatigue, a distance of over two miles, to tell of the wonderful relief which he had experienced from using about one half of one bottle.
Consumption of the Lungs.
Mr. Comfort, 35 White street, was so low in the month of December last, that he was given up by his physician. His friends entertained no hope of his recovery. He was persuaded to try the Olossonian, and to his surprise it has so far restored him to health that he is now able to walk about the streets.
Mrs. Attree, the wife of Wm. H. Attree, James Harman, Esq. and George W. Hays, Esq. can all bear testimony from their own experience of the healing properties of this Great Remedy in Consumption of the Lungs.
Spitting Blood.
Mrs. Thourbaine, 352 Monroe street, who had been troubled for a great length of time by a severe cough, and raised quantities of blood, was relieved by one bottle of the Olossonian, and declares it the greatest remedy in the world.
Dennis Kelly, 26 Water street, was also relieved from the same complaint, although he was very much reduced when he commenced taking it, having been under the care of his physician during the past winter. Although he coughed constantly and was very much troubled with night sweats, two bottles of the remedy enabled him to return to his daily work. He was entirely relieved.
David Henderson, 60 Light street, George W. Burnett, formerly of Newark, N. J., Henry Lisbon, 199 Rivington street, and numerous other persons have been speedily and permanently cured of the same complaint by this remedy.
The Array of Names
 which could be produced of persons who have used this great remedy would more than fill a column. Among the number we are permitted to refer to A. M. Bininger, 102 Barclay street; Mr. Wilson of Hoboken; Mrs. Bell of Morristown, N. J.; James B. Devoe, 101 Reade street; Mrs. McCaffree, 50 Attorney street; F. Smith, 92 Third avenue; Mrs. Wm. H. Attree of this city, and Mrs. Archibald, 35 White street.
Be not Deceived.
 The only place in the City of New York, where **Sherman's OLOSONIAN, or ALL-HEALING BALM** is sold, is at 106 Nassau street, one door above Ann street.
