SORE THROAT, Coughs, Consumption, Pains in various parts of the body, and other unpleasant symptoms, are the usual effects of catching cold.

Wright's Indian Vegetable Pills are a delightful medicine for carrying off a cold, because they purge from the body all morbid and corrupt humors in so easy and natural a manner, that the body is relieved of every kind of suffering as if by mogic. From three to six of said Indian Vegetable Pills, taken every night on going to bed, will, in a short time, make a perfect cure of the most obstinate cold—at the same time the blood and other fluids will be thoroughly purified, and the constitution so completely invigorated, that the body will be restored to even sounder health than before.

Beware of Counterfeits of all kind! Some are coated with sagar; others are made to resemble in outward appearance the original medicine.

The original genuine Indian Vegetable Pills have the signature of William Wright written with a pen on the top label of each box. None other is genuine, and to counterfeit this is forgery.

THE GREAT PREVENTIVE MEDICINE!

Though *Wright's Indian Vegetable Pills* have achieved triumph upon triumph, in the cure of obstinate cases of disease, even after they had been entirely given up, and after all other remedies had failed, yet their power of *prevention* may be justly esteemed their

CROWNING GLORY!

'Storms,' it is said, 'purify the air,' but storms do mischief also, and are so far an evil. Were it within human power to maintain the

ELECTRICAL EQUILIBRIUM

between the earth and air, there would be no occasion for storms, for the air would always be pure.

So of the human body. If kept free from morbid humors, the action is regular and healthy. But if those humors are allowed to accumulate, a crisis, or, in other words, a *storm*, will arise, which is always more or less dangerous.

WRIGHT'S INDIAN VEGETABLE PILLS

are equally well calculaled to *prevent* the storm, or to allay it when it comes. But

PREVENTION IS BETTER THAN CURE,

besides being cheaper and less troublesome. The delay of a day in the commencement of sickness has often proved fatal, and always renders the case more difficult to manage.

Let the sickness be caused by

CHANGES OF WEATHER,

high living, want of exercise, close confinement, functional derangement, or anything else, the effect upon the body is much the same—is equally dangerous, and is removable by the same means.

HAVE YOU A COLD?

Let it not ripen into Consumption! Are you Dyspeptic? Beware of the hypochondria. Two Pills taken every other night on an emptstomach, for a for a short time, will in nine cases out of ten, cure the Dyspepsia, and thereby drive away the legion of "devils blue." For Headach, no medicine is superior to

WRIGHT'S INDIAN VEGEATABLE PIELS.

Costiveness, that prolific mother of disease, is caused by a torpid state of the liver, which these Pills effectually cures. By striking at the root of disease, Wright's Indian Vegetable Pills prevent all and cure all. They can hardly ever be taken amiss, if used with common discretion; and we commend them to the use of those who have not yet tried them.

The following Agencies have been established for the sale of Wright's Indian Vegetable Pills, in

MONROE COUNTY.

DR. LE ROY'S

VEGETABLE UNIVERSAL PILLS.

The only known medicine that at the same time purges, purifies, and strengthens the system.

DR. *LE ROY'S* Pills are a new medicine which has just appeared, and is fast taking the places of all others of the same class. These pills are composed of many ingredients, but the two principal ones are Sarsaparilla and Wild Cherry, so united that they act together; the one, through its admixture with other substances, purifying and purging, while the othor is strengthening the system. Thus those pills are at the same time tonic and opening; a desideratum long and eagerly sought for by medicinal men, but never before discovered. In other words they do the work of the two medicines, and do it much better than any two we know of; for they remove nothing from the system but the impurities; so that while they purge they strengthen; and hence they cause no debilitation, and are followed by no re-action. Dr. Le Roy's Pills have a wonderful influence on the blood; they not only purify without weakening it, but they remove all noxious particles from the chyle before it is converted into fluid, and thus makes impure blood an utter impossibility. As there is no debilitation, so there is no nausea or sickness attending the opperations of this most excellent of medicines, which never strains or tortures the digestive functions, but causes them to work in a perfectly natural manner; and hence persons taking them do not become pale and emaciated, but the contrary; for while it is the property of the Sarsaparilla, united as it is with other ingredients, to remove all that is foreign and impure, it is equally the property of the Wild Cherto retain all that is natural and sound; and hence a robost state of health is the certain result of their united operations.
