MANSION HOUSE.

Mrs. Margaret Eagles
Begg leave respectfully to inform her old friends
and the public generally that she has taken the
above establishment, which has been, and is
now being, fitted up upon the most approved
plan, for the accommodation of strangers and
travellers.

The long experience which she has had in
the business of keeping a hotel or public house
in connection with the favorable location and
commandingness of the Mansion House, she
hopes will afford a sufficient guarantee to se-
cure a liberal patronage. Persons visiting town
on business or pleasure excursions, will find a
comfortable, convenient and quiet home. Ju-
rors and others attending Court are invited to
call, and satisfy themselves. Strangers from
the city, or elsewhere, who contemplate spend-
ing some time in the beautiful and retired vil-
lage of Stroudsburg, will do well by making the
above house their home during their stay here;
—in short, all are invited to call.

Transient and steady boarders, by the day
or week, accommodated upon the most reason-
able terms.

DR. J. V. MATTISON respectfully announ-
ces to the people of Stroudsburg and vicin-
ity, that he has permanently located at Strouds-
burg, for the purpose of practising medicine,
where he hopes by strict attention and great
care to merit the patronage of those who may
employ him. Dr. M. also takes this method
of informing those who are afflicted with dis-
eases of long standing, that he has, for a few
years past, devoted much time and attention, and
has had ample opportunity, such as only a hos-
pital affords, of investigating diseases of a chron-
ic character, and he flatters himself that those
calling upon him laboring under this class of
disease will meet with prompt and immediate
relief.

He will be found at his room at the Mansion
House, ready to consult with those who may
favor him with a call at all hours when not ab-

THE NEW WORLD.

NEW SERIES.
Park Benjamin, Editor.

TWO DOLLARS A YEAR IN ADVANCE.
On Saturday, the second of October, was is-
sued, on a very large and elegant folio sheet,
and on the plan of 'The New World,' formerly
published in this city, a weekly literary news-
paper, with the above title.

It contains the new and popular productions
of all the best authors, home and foreign, in-
cluding Bulwer, Dickens, James, Leigh Hunt, Jer-
rold, Thackeray, Herbert, Bryant, Longfellow,
Irving, Prescott, Sue, George Sand, and hosts
of other celebrated writers.

It also presents weekly extracts from new
books, magazines, and newspapers of all kinds,
of the most interesting and amusing description.
The old 'New World' was so well known,
that it is not requisite to enter upon any labored
description of the new New World; since the
latter is exactly like the former, except so far
as it has been improved.

It will be embellished with elegant and costly
engravings.

In consequence of the great economy which
has been introduced into the art of printing and
paper-making, the proprietors are enabled to
offer the new paper at the low price of two
DOLLARS A YEAR.

The proprietors are making extensive ar-
rangements in advance, to make 'The New
World' the most unexceptionable and agreeable
FAMILY NEWSPAPER published in the Union.

They mean also that it shall be original as
well as excellent; and they are accordingly pre-
pared to make, and will make liberal arrange-
ments with authors. As an earnest of this,
they commenced with the first number a NEW
ROMANCE, written expressly for the New World
by Frank Forester, author of the 'Warwick
Woodlands,' 'My Shooting Box,' &c. &c. They
will also give a series of ORIGINAL LEGENDS,
by Edmund Flagg, Esq. author of 'Lucretia
Borgia,' 'Catherine Howard,' 'Beatrice,' &c.

SIX YEARS AGO

the children began to cry for Sherman's Lozenges.
The noise was not so loud at that time, but it has
kept increasing ever since, and now has become
so great that the mouths of the little ones can
scarcely be stopped. Dr. Sherman sympathises
with the little sufferers, and very much regrets
that any of them should be disappointed. Know-
ing the vast benefit which has been conferred upon
the community by the introduction of his infallible

Worm Lozenges,

he has entered into arrangements for enlarging
his Manufactory, by means of which he thinks he
will be able to supply the demand. And the same
pains and care will be taken, that these celebrated
Lozenges be made as they have always been, in
order that those who depend upon them may not
be disappointed in their hopes. He knew when
he commenced the manufacture of the Worm
Lozenges, that they would supercede the use of ev-
ery other vermifuge, as the Lozenge is very p-
asant to the taste, speedy in its effects, as well as
certain, and the quantity required to effect a p-
fect cure, is very small. These properties in con-
nection with the fact that they are sold for 25 cents
per Box, thus placing them in the reach of the
poorest man in the land, has not only caused them
to take the place of every other vermifuge ever of-
fered, but also rendered them popular to the com-
munity.

Dr. Sherman's Cough Lozenges,

continue to cure Coughs, Colds, Consumption,
Asthma, shortness and difficulty of Breathing, and
other diseases of the Lungs, with the same facility
they did on their first introduction, and the people
have now become persuaded by actual experience,
that on the accession of a slight Cold, they have
only to step to either the Dr's. office, or one of his
Agents, and obtain a box of his Cough Lozenges,
which are very convenient to carry in the pocket,
and to take a few through the day. By pursuing
this course a cure is often effected in 24 hours,
and the patient about his business. So great is
the celebrity of the Lozenges, that thousands of
persons who have used them, and become acquaint-
ed with their effects, will never be without them.

Sherman's Poor Man's Plaster

has cured more cases of Rheumatism, Pain in the
Back, Side and Chest, Lumbago and Weakness,
than any application that has ever been made.—
As the celebrity of the Plaster has increased, hun-
dreds of unprincipled rascals have attempted to
counterfeit it, and palm it off upon the community
as the genuine. Beware of Deception. Remember
that the true and genuine Plaster is spread upon
reddish paper made expressly for the purpose,
and in every case the signature of Dr. Sherman
is printed upon the back of the Plaster, and the
whole secured by Copy Right. None others are
genuine. Therefore when you want a real good
Sherman's Poor Man's Plaster, call at the office,
106 Nassau street and you will not be disappointed.

all Dr. Sherman's Lozenges are sold.

**READ! BE GUARDED!
To the Public.**

In 1843, I commenced the manufacture of what
are now extensively known as "Improved Indian
Vegetable Pills, Sugar Coated," after expending a
great deal in means and experiments. The pills
are said to be superior to any others on various
accounts. They are, every box, made of superior
materials, are extremely pleasant, and always ef-
ficacious. The "Sugar Coating," which renders
them still more pleasant, is also an original inven-
tion of my own, as is well known.

Having brought these pills into market, where
their virtues might be more extensively appreci-
ated, I did a work of actual benevolence; and where
I seek to make an honest livelihood after years of
labor, I am, through these pills, improving the
health and strength of thousands.

Now these pills are made to sell upon their re-
putation as a good medicine, and should they not be
distinguished from every imitation that is sought
to be palmed off on their reputation! As you value
your life and health do not touch those pills
which are offered simply from being "coated with
sugar!" Have not several unprincipled persons
put forth a "Sugar Coated" pill as such since Dr.
Smith's have become popular! Now, all I ask is
the candid attention of the public to the following:

of New York; and that he is the original inven-
tor of "Sugar Coated Pills," and that to his knowl-
edge or belief "Sugar Coated" Pills had never been
manufactured or sold by any person before, and
that the statements contained in the within are

your business with honorable and praiseworthy ex-
ertions Yours

Important Fact—We, the undersigned, whole-
sale Druggists in Louisville, Kentucky, are satis-
fied from the information we can obtain, that Dr.
G Benjamin Smith is the original inventor of the
Sugar Coated Pills. We are prepared to supply

The danger of being deceived is now apparent;
as Dr. Smith's Pills have become very popular
throughout the country, imitators have sought to
palm off worthless stuff with a 'coating of sugar'
to cover up a most dangerous compound

Dr. Crumbecker, of Wheeling, Va., says that a
person in that place came near losing his life from
the effects of the counterfeit 'Sugar Coated' Pills.
Also, a gentleman in Louisville, Ky, was seized
with violent vomiting after their use.

Get the genuine or get none, and see that G
Benjamin Smith is written with a pen on the bot-
tom of each box

DR. CHILTON'S EVIDENCE.

Some of Dr Smith's opponents have circulated
the report, that the astonishing cures these pills
have made, are attributable to mercury; but the
first Chemist in New York, after a minute chemi-
cal examination, gives the following:

I have analyzed a box of Doctor Smith's Sugar
Coated Indian Vegetable Pills, and find that they
do not contain mercury in any form

contain any injurious substance, but they are en-
tirely composed of vegetable properties; and fur-
ther, that he is the inventor of 'Sugar Coated

what has relieved him in such a short time from
his difficulty of breathing, Cough and suffocation!
He will tell you it was "the Olosonian, or All-
Healing Balsam." Ask the Consumptive
what has allayed his Cough, removed the
Pain in his Side and Chest, checked
his night sweats and placed the rose
of health upon his cheek! and he
will tell you

**Sherman's Olosonian,
OR ALL-HEALING BALSAM.**

Ask your friends if they know of any thing that
will so speedily cure a long and tedious Cough,
Raising of Blood, Bronchitis, Dyspeptic Consump-
tion, Hoarseness, Influenza, and diseases of the
Throat, as the Olosonian? and they will tell you
—No. There never yet has been a remedy intro-
duced to public notice which has been productive
of so much good in so short a space of time. Read
the following

Astonishing Cures.

Wm. Bond, the celebrated Boston cracker bak-
er, 98 Nassau street, Brooklyn, states that his
wife has been afflicted with Asthma for 30 years,
and could not find permanent relief from the best
medical advice which New York and Brooklyn
could produce, was induced to try this great re-
medy. She is now nearly well. His daughter,
who was suffering from the same disease, tried it,
and was also cured by it. Mrs. Bond is now so
well that she is able to rise from her bed early in
the morning and attend to her usual duties through-
out the day without any annoyance from her distress-
ing malady.

Henry Jackson, 13th street, near the Catholic
Cemetery, came to the store for the purpose of ob-
taining a bottle of the Olosonian, having been af-
flicted with the Asthma for more than 30 years,
and was so exhausted on his arrival that he could
not speak. He purchased a bottle and rode home.
Four days afterward he walked from his residence
to the office without fatigue, a distance of over
two miles, to tell of the wonderful relief which he
had experienced from using about one half of one
bottle.

Consumption of the Lungs.

Mr. Comfort, 35 White street, was so low in
the month of December last, that he was given up
by his physician. His friends entertained no hope
of his recovery. He was persuaded to try the
Olosonian, and to his surpris it has so far re-
stored him to health that he is now able to walk
about the streets.
