RHEUMATISM AND GOUT.—Wright's Indian Vegetable Pills are a most extraordinary medicine for the cure of Rheumatism and Gout, because they not only cleanse the stomach and bowels of those morbid humors which, if taken into the circulation and thrown upon the membrane and muscle, are the cause of the above painful maladies; but they excite the absorbent vessels to take up that which is already deposited, and therefore are absolutely certain to make a perfect cure of Rheumatism and Gout. A single twenty-five cent box of Wright's Indian Vegetable Pills will often give the most astonishing relief; and perseverance according to directions will be certain to drive pain of every description from the body.

Beware of Sugar Coated Counterfeits.—Remember, that the original and only genuine Indian Vegetable Pills have the written signature of WILLIAM WRIGHT on the top label of each box. For sale by George H. Miller, who is the only authorized agent for Stroudsburg; see advertisement for other agencies in another column. Office and general depot, 169 Race st. Phila.

PIANO FORTES
FOR SALE.

A copy of the report of the Judges of Musical Instruments at the late exhibition of the Franklin Institute, Philadelphia:

The Committee have awarded C. Meyer with a premium for the best seven octave Piano. The ground of this decision was the general excellence of the piano, and especially its power, brilliancy, and delicacy of touch. The judges did not give premiums for the best finished instruments, conceiving the best palpable tests of a piano to be its musical capabilities, and not its originality, its mechanical ingenuity, or that elegance of finish, which effects neither the action nor the tone, and is only designed to please the eye and not to satisfy the ear.

Another copy of the report of the judges of musical instruments at the last exhibition at Boston:—The committee have selected No. 591 a seven octave piano made by C. Meyer, worthy of special commendation.

No. 591, is a very fine instrument, particularly commendable for its elastic and ready touch, in repeated trials by different hands. The keys never failed of certain repetitions in the shake. The tone throughout was even of great beauty and power from the lowest note to highest, and the damping was perfect in all cases.

The North American of Philadelphia, January 4, 1848, contains the following notice:

A Compliment to a Philadelphia Piano Manufacturer.—Our Boston neighbors know how as well as we do to appreciate a good thing. The Massachusetts Charitable Mechanical Association, at their last Annual Fair,—that of the autumn of 1847—awarded to CONRAD MEYER, the celebrated Piano Manufacturer of this city, a diploma and silver medal, for the best seven octave piano—a compliment no other piano manufacturer of our city has received.

The subscriber keeps always on hand a supply of C. Meyer's Pianos, which he will dispose of, either for cash or in exchange for second hand instruments, at manufacturers prices.
