LIKE MAGIC!" Thus it appears that the brave and patriotic Volunteers who have gone to Mexico, to defend the rights and honor of their country, already begin to realize the extraordinary value of this incomparable medicine. Long life to them!

HORRIBLE MISTAKES!!

Are sometimes made by confounding one medicine with another, and administering the wrong article. Equally horrible are those mistakes which are made in supposing that all Pills are alike, and that therefore, it is indifferent which are taken, and if one kind is bad all are bad together. This is a Passengers in this line will leave Joseph very great mistake. There is as much difference er articles, as between midnight and noonday !--We do not wish any to take our word for this statement. Let any one, having other medicines, try this. Nothing more will be necessary.

VEGETABLE UNIVERSAL PILLS

The only known medicine that at the same time purges, purifies, and strengthens the system.

R. LE ROY'S Pills are a new medicine which has just appeared, and is fast taking the places of all others of the same class. These pills are composed of many ingredients, but the two principal ones are Sarsaparilla and Wild Cherry, so united that they act together; the one, through its admixture with other substances, purifying and purging, while the other is strengthening the system. Thus those pills are at the same time tonic and opening; a desideratum long and eagerly sought for by medicinal men, but never before discovered. In other words they do the work of the two medicines, and do it much better than any two we know of; for they remove nothing from the system but the impurities; so that while they purge they strengthen; and hence they cause no debilitation, and are followed by no re-action. Dr. Le Roy's Pills have a wonderful irfluence on the blood; they not only purify without weakening it, but they remove all noxious particles from the chyle before it is converted into fluid, and thus makes impure blood an utter impossibility. As there is no debilitation, so there is no nausea or sickness attending the opperations of this most excellent of medicines, which never strains or tortures the digestive functions, but causes them to work in a perfectly natural manner; and hence emaciated, but the contrary; for while it is the Peters & Labar, Bushkill, property of the Sarsaparilla, united as it is with other ingredients, to remove all that is foreign and impure, it is equally the property of the Wild Cherto retain all that is natural and sound; and hence a robost state of health is the certain result of their united operations.
