VEGETABLE UNIVERSAL PILLS. The only known medicine that at the same time purges, purifies, and strengthens the system.

R. LE ROY'S Pilis are a new medicine which has just appeared, and is fast taking the places of all others of the same class. These pills are composed of many ingredients, but the two principal ones are Sarsaparilla and Wild Cherry, so united that they act together; the one, through its admixture with other substances, purifying and purging, while the other is strengthening the sys tem. Thus those pills are at the same time tonic and opening; a desideratum long and eagerly sought for by medicinal men, but never before discovered. In other words they do the work of the two medicines, and do it much better than any two we know of; for they remove nothing from the system but the impurities; so that while they purge they strengthen; and hence they cause no debilitation, and are followed by no re-action. Dr. Le but they remove all noxious particles from the chyle before it is converted into fluid, and thus makes impure blood an atter impossibility.
