To the Free and Independent Electors OF MONROE COUNTY.

FELLOW-CITIZENS:--Almost three years have now expired since you did me the honor to elect me to the offices of Register and Recorder of this County. With sentiments of respect,
I remain your public servant.

"Vive la Republique!"

VIVE LES PILULES VEGETALES INDIENNES DE WRIGHT!

THE ORIGINAL AND ONLY

GENUINE INDIAN MEDICINE

Long live the Republic! Long live Wright's Indian Vegetable Pills. Another crisis in the affairs of humanity has passed; another fever turned; the hostile elements have met--the battle is fought and won!

FRANCE IS FREE!

A long struggle it has been--first bursting into the wild excesses of sudden political emancipation--then relapsing under a victorious leader; then snapping the chains imposed by the allied powers--and again yielding to time-serving conservatism. But France had tasted the sweets of Liberty--Could she forget it! No! Her perfidious king was, in the splendor of his power, driven ignominiously from his throne and France--glorious, liberty-loving France, has again taken her place in the van of nations.

VIVE LES PILULES VEGETALES INDIENNES DE WRIGHT.

Napoleon said that "the stomach governs the world." Nations are distinguished by the quality of their cookery, and are indebted greatly for energy of character to the perfection of digestion. While the ancient Romans lived in simplicity, they were invincible; but when luxury crept in, physical and mental enervation followed, until they were no longer able to resist the more hardy northerners. By improving digestion, and removing morbid humors, Wright's Indian Vegetable Pills become a great moral and political engine. They clear the head, and by the buoyancy of spirit which they impart, improve the heart. They thus exercise a powerful influence in favor of civil liberty. The energy of a People depends measurably upon the health of a people, and the maintenance of their rights depends upon their energy. Therefore give health, and you give energy and sustain popular government.

Let all, then, cherish health, not merely for the enjoyment which it brings, but for the gigantic interests which depend upon it. Let Wright's Indian Vegetable Pills be used in the spring, to prevent disease in the fall. Had Louis Philippe been a man of common sagacity, he would have ceded to the people those little reforms for which they asked, and would thus have staved off a revolution. But he not only denied them, but added insult to injury, by curtailing the few privileges which the people had. Matter and mind are governed by the same general laws. Abuses may accumulate in the human body, which a revolution alone can remove; whereas, by moving in time the evil day is postponed indefinitely.
