**"Vive la Republique!"
VIVE LES PILLULES VEGETALES INDIENNES DE WRIGHT!**

Long live the Republic! Long live Wright's Indian Vegetable Pills. Another crisis in the affairs of humanity has passed; another fever turned; the hostile elements have met--the battle is fought and won!
FRANCE IS FREE!
A long struggle it has been--first bursting into the wild excesses of sudden political emancipation--then relapsing under a victorious leader; then snapping the chains imposed by the allied powers--and again yielding to time-serving conservatism. But France had tasted the sweets of Liberty. Could she forget it? No! Her perfidious king was, in the splendor of his power, driven ignominiously from his throne and France--glorious, liberty-loving France, has again taken her place in the van of nations.
Napoleon said that "the stomach governs the world." Nations are distinguished by the quality of their cookery, and are indebted greatly for energy of character to the perfection of digestion. While the ancient Romans lived in simplicity, they were invincible; but when luxury crept in, physical and mental enervation followed, until they were no longer able to resist the more hardy northerners. By improving digestion, and removing morbid humors, Wright's Indian Vegetable Pills become a great moral and political engine. They clear the head, and by the buoyancy of spirit which they impart, improve the heart. They thus exercise a powerful influence in favor of civil liberty. The energy of a People depends measurably upon the health of a people, and the maintenance of their rights depends upon their energy. Therefore give health, and you give energy and sustain popular government.
Let all, then, cherish health, not merely for the enjoyment which it brings, but for the gigantic interests which depend upon it. Let Wright's Indian Vegetable Pills be used in the spring, to prevent disease in the fall. Had Louis Philippe been a man of common sagacity, he would have ceded to the people those little reforms for which they asked, and would thus have staved off a revolution. But he not only denied them, but added insult to injury, by curtailing the few privileges which the people had. Matter and mind are governed by the same general laws. Abuses may accumulate in the human body, which a revolution alone can remove; whereas, by moving in time the evil day is postponed indefinitely.

DR. LE ROY'S

VEGETABLE UNIVERSAL PILLS.
The only known medicine that at the same time purges, purifies, and strengthens the system.
DR. LE ROY'S Pills are a new medicine which has just appeared, and is fast taking the places of all others of the same class. These pills are composed of many ingredients, but the two principal ones are Sarsaparilla and Wild Cherry, so united that they act together; the one, through its admixture with other substances, purifying and purging, while the other is strengthening the system. Thus those pills are at the same time tonic and opening; a desideratum long and eagerly sought for by medicinal men, but never before discovered. In other words they do the work of the two medicines, and do it much better than any two we know of; for they remove nothing from the system but the impurities; so that while they purge they strengthen; and hence they cause no debilitation; and are followed by no re-action. Dr. Le Roy's Pills have a wonderful influence on the blood; they not only purify without weakening it, but they remove all noxious particles from the chyle before it is converted into fluid, and thus makes impure blood an utter impossibility. As there is no debilitation, so there is no nausea or sickness attending the operations of this most excellent of medicines, which never strains or tortures the digestive functions, but causes them to work in a perfectly natural manner; and hence persons taking them do not become pale and emaciated, but the contrary; for while it is the property of the Sarsaparilla, united as it is with other ingredients, to remove all that is foreign and impure, it is equally the property of the Wild Cherry to retain all that is natural and sound; and hence a robust state of health is the certain result of their united operations.

PIANO FORTES
FOR SALE.**

A copy of the report of the Judges of Musical Instruments at the late exhibition of the Franklin Institute, Philadelphia:
The Committee have awarded C. Meyer with a premium for the best seven octave Piano. The ground of this decision was the general excellence of the piano, and especially its power, brilliancy, and delicacy of touch. The judges did not give premiums for the best finished instruments, conceiving the best palpable tests of a piano to be its musical capabilities, and not its originality, its mechanical ingenuity, or that elegance of finish, which effects neither the action nor the tone, and is only designed to please the eye and not to satisfy the ear.
Another copy of the report of the judges of musical instruments at the last exhibition at Boston:--The committee have selected No. 591 a seven octave piano made by C. Meyer, worthy of special commendation.
No. 591, is a very fine instrument, particularly commendable for its elastic and ready touch, in repeated trials by different hands. The keys never failed of certain repetitions in the shake. The tone throughout was even of great beauty and power from the lowest note to the highest, and the damping was perfect in all cases.
The North American of Philadelphia, January 4, 1848, contains the following notice:
A Compliment to a Philadelphia Piano Manufacturer.---Our Boston neighbors know how well as we do to appreciate a good thing. The Massachusetts Charitable Mechanical Association, at their last Annual Fair,--that of the autumn of 1847--awarded to CONRAD MEYER, the celebrated Piano Manufacturer of this city, a diploma and silver medal, for the best seven octave piano--a compliment no other piano manufacturer of our city has received.
The subscriber keeps always on hand a supply of C. Meyer's Pianos, which he will dispose of, either for cash or in exchange for second hand instruments, at manufacturers' prices.
