**"Vive la Republique!"  
VIVE LES PILULES VEGETALES INDIENNES DE WRIGHT!**

Long live the Republic! Long live Wright's Indian Vegetable Pills. Another crisis in the affairs of humanity has passed; another fever turned; the hostile elements have met—the battle is fought and won!

**FRANCE IS FREE!**  
A long struggle it has been—first bursting into the wild excesses of sudden political emancipation—then relapsing under a victorious leader; then snatching the chains imposed by the allied powers—and again yielding to time-serving conservatism: But France had tasted the sweets of Liberty.—Could she forget it! No! Her peripatetic king was, in the splendor of his power, driven ignominiously from his throne and France—grievous, liberty-loving France, has again taken her place in the van of nations.  
**VIVE LES PILULES VEGETALES INDIENNES DE WRIGHT!**

Napoleon said that "the stomach governs the world." Nations are distinguished by the quality of their cookery, and are indebted greatly for energy of character to the perfection of digestion. While the ancient Romans lived in simplicity, they were invincible; but when luxury crept in, physical and mental enervation followed, until they were no longer able to resist the more hardy northerners. By improving digestion, and removing morbid humors, Wright's Indian Vegetable Pills become a great moral and political engine. They clear the head, and by the buoyancy of spirit which they impart, improve the heart. They thus exercise a powerful influence in favor of civil liberty. The energy of a People depends measurably upon the health of a people, and the maintenance of their rights depends upon their energy. Therefore give health, and you give energy and sustain popular government.

Let all, then, cherish health, not merely for the enjoyment which it brings, but for the gigantic interests which depend upon it. Let Wright's Indian Vegetable Pills be used in the spring, to prevent disease in the fall. Had Louis Philippe been a man of common sagacity, he would have ceded to the people those little reforms for which they asked, and would thus have staved off a revolution. But he not only denied them, but added insult to injury, by curtailing the few privileges which the people had. Matter and mind are governed by the same general laws. Abuses may accumulate in the human body, which a revolution alone can remove; whereas, by moving in time the evil day is postponed indefinitely.

**PIANO FORTES  
FOR SALE.**

A copy of the report of the Judges of Musical Instruments at the late exhibition of the Franklin Institute, Philadelphia:  
The Committee have awarded C. Meyer with a premium for the best seven octave Piano. The ground of this decision was the general excellence of the piano, and especially its power, brilliancy, and delicacy of touch. The judges did not give premiums for the best finished instruments, conceiving the best palpable tests of a piano to be its musical capabilities, and not its originality, its mechanical ingenuity, or that elegance of finish, which effects neither the action nor the tone, and is only designed to please the eye and not to satisfy the ear.  
Another copy of the report of the judges of musical instruments at the last exhibition at Boston:--The committee have selected No. 591 a seven octave piano made by C. Meyer, worthy of special commendation.  
No. 591, is a very fine instrument, particularly commendable for its elastic and ready touch, in repeated trials by different hands. The keys never failed of certain repetitions in the shake. The tone throughout was even of great beauty and power from the lowest note to highest, and the damping was perfect in all cases.  
The North American of Philadelphia, January 4, 1848, contains the following notice:  
A Compliment to a Philadelphia Piano Manufacturer.--Our Boston neighbors know how as well as we do to appreciate a good thing. The Massachusetts Charitable Mechanical Association, at their last Annual Fair,—(that of the autumn of 1847—awarded to CONRAD MEYER, the celebrated Piano Manufacturer of this city, a diploma and silver medal, for the best seven octave piano—a compliment no other piano manufacturer of our city has received.  
The subscriber keeps always on hand a supply of C. Meyer's Pianos, which he will dispose of, either for cash or in exchange for second hand instruments, at manufacturers prices.

**Dr. Townsend's Sarsaparilla.**  
Wonder and Blessing of the Age.

*The most Extraordinary Medicine in the World.*  
This Extract is put up in Quart Bottles: it is six times cheaper, pleasanter, and warranted superior to any sold. It cures without vomiting, purging, sickening or debilitating the Patient.  
The great beauty and superiority of this Sarsaparilla over all other medicines is, that while it eradicates, it invigorates the body. It is one of the very best

SPRING AND SUMMER MEDICINES  
Ever known; it not only purifies the whole system, and strengthens the person, but it creates new, pure and rich blood: a power possessed by no other medicine. And in this lies the grand secret of its wonderful success. It has performed within the last five years, more than 100,000 cures of severe cases of disease; at least 15,000 were considered incurable. It has saved the lives of more than 5,000 children during the two past seasons.  
**10,000 cases of General Debility and want of Nervous Energy.**

Dr. Townsend's Sarsaparilla invigorates the whole system permanently. To those who have lost their muscular energy by the effects of medicine or indiscretion committed in youth, or the excessive indulgence of the passions, and brought on a general physical prostration of the nervous system, lassitude, want of ambition, fainting sensation, premature decay and decline, hastening towards that fatal disease, Consumption, can be entirely restored by this pleasant remedy. This Sarsaparilla is far superior to any  
**Invigorating Cardiac.**  
As it renews and invigorates the system, gives activity to the limbs, and strength to the muscular system, in a most extraordinary degree.  
**Consumption Cured.**  
Cleanse and Strengthen. Consumption can be cured. Bronchitis, Consumption, Liver Complaint, Colds, Catarrh, Coughs, Asthma, Spitting of blood, Soreness in the Chest, Hectic Flush, Night Sweats, Difficult or Profuse Expectoration, Pain in the Side, &c., have been and can be cured.

**Spitting Blood.**  
New York, April 28, 1847.  
Dr. Townsend—I verily believe that your Sarsaparilla has been the means, through Providence, of saving my life. I have for several years had a bad Cough. It became worse and worse. At last I raised large quantities of blood, had night Sweats, and was greatly debilitated and reduced, and did not expect to live. I have only used your Sarsaparilla a short time, and there has a wonderful change been wrought in me. I am now able to walk all over the city. I raise no blood, and my cough has left me. You can well imagine that I am thankful for these results.  
Your obedient servant,  
**WM. RUSSELL, 65 Catherine-st  
Rheumatism.**

This is only one of more than four thousand cases of Rheumatism that Dr. Townsend's Sarsaparilla has cured. The most severe and chronic cases are weekly eradicated by its extraordinary virtues  
James Cummings, Esq., one of the assistant in the Lunatic Asylum, Blackwell's Island, is the gentleman spoken of in the following letter:  
*Blackwell's Island, Sept. 14, 1847.*  
Dr. Townsend—Dear Sir: I have suffered terribly for nine years with the Rheumatism; considerable of the time I could not eat, sleep or walk. I had the utmost distressing pains, and my limbs were terribly swollen. I have used four bottles of your Sarsaparilla, and they have done me more than one thousand dollars worth of good. I am so much better—indeed, I am entirely relieved.— You are at liberty to use this for the benefit of the afflicted.  
Yours respy,  
**JAS. CUMMINGS**

**Fits! Fits! Fits!**  
Dr. Townsend, not having tested his Sarsaparilla in cases of Fits, of course never recommended it, and was surprised to receive the following from an intelligent and respectable Farmer in Westchester County:  
**Fordham, August 13, 1847**  
Dr. Townsend—Dear Sir: I have a little girl seven years of age, who has been several years afflicted with Fits; we tried almost everything for her, but without success; at last, although we could find no recommendations in our circulars for cases like hers, we thought, as she was in very delicate health, we would give her some of your Sarsaparilla, and are very glad we did, for it not only restored her strength, but she has had no return of the Fits, to our great pleasure and surprise. She is fast becoming rugged and hearty, for which we feel grateful.  
Yours, respectfully,  
**JOHN BUTLER JR.**  
*Female Medicine.*

Dr. Townsend's Sarsaparilla is a sovereign and speedy cure for Incipient Consumption, Barrenness, Prolapsus Uteri, or Falling of the Womb, Costiveness, Piles, Leucorrhoea, or Whites, obstructed or difficult Menstruation, Incontinence of Urine, or involuntary discharge thereof, and for the general prostration of the system; no matter whether the result of inherent cause or causes, produced by irregularity, illness or accident. Nothing can be more surprising than its invigorating effects on the human frame. Persons all weakness and lassitude, from taking it, at once become robust and full of energy under its influence. It immediately counteracts the nervelessness of the female frame, which is the great cause of Barrenness. It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed but we can assure the afflicted, that hundreds of cases have been reported to us. Thousands of cases where families have been without children, after using a few bottles of this invaluable medicine, have been blessed with fine, healthy offspring.

**To Mothers and Married Ladies.**  
This Extract of Sarsaparilla has been expressly prepared in reference to female complaints. No female who has reason to suppose she is approaching that critical period, "The turn of life," should neglect to take it, as it is a certain preventive for any of the numerous and horrible diseases to which females are subject at this time of life.  
This medicine is also constantly kept on hand and for sale by **FRANCIS S. PAULI,** agent, Stroudsburg, Pa.
