

Sympathy for Henry Clay.—It amuses us old Clay men to mark in what new quarters sympathy over "the sacrifice of Henry Clay" breaks out.

Thus JOHN VAN BUREN, in Abington square, felt deeply, very deeply. Never was a man so anxious to have Whigs avenge HENRY CLAY's wrongs as was the pathetic and sympathetic JOHN!

If in 1844 a little of this sympathy had been felt; or if, then, when it was all important, something had been said by the Van Burens against "the extension of slavery," nothing need have been said now; for HENRY CLAY would have been our President, and crushed war and annexation in the bud.—New York Express.

WELL PUT.—The editor of the Oswego Times thus sums up his reasons for supporting General TAYLOR:

"Simply, we go for Gen. Taylor because he will administer the Government according to Whig principles: Because he will sign harbor appropriations: Because he will not thwart the will of the people on any question: Because, in the language of Washington, he would not quit our own to stand on foreign soil: Because he will not lead the country into disastrous, useless war: Because he is honest, capable, and faithful to the constitution."

Yellow Fever at New Orleans.—The New Orleans Picayune of the 27th ultimo has the following report of the Charity Hospital for the week just ended. It will be seen that the yellow fever is on the increase, although it has not yet become epidemic:

Table with 2 columns: Category and Count. Rows include: White number of admission for week (300), Discharges, of various diseases (225), Discharges, of yellow fever (52), Deaths, from various diseases (13), Deaths, from yellow fever (39).

MEXICO.—Vera Cruz advices to the 17th of August have been received by an arrival at New Orleans. Intelligence had reached the capital of the final evacuation of the city of Chihuahua by the American troops. It took place on the 18th July. The U. S. sloop of war Dale was at Guaymas on the 1st ultimo, all well.

Look Here! We would call the attention of the people of Monroe and adjoining counties, to J. H. Melick's well selected assortment of watches, clocks, jewelry, music boxes, accordions, silver, german silver, plated and britannia spoons, thimbles, spectacles, pen knives, razors, scissors, violins, flutes, toys, and a host of other pretty things which we could not name in a day. He has the prettiest assortment of goods in his line that was ever offered to the citizens of this County, and so cheap, that they come within the reach of all. Ladies, as well as Gentlemen, don't be behind the fashions when you can get these things at so trifling an expense. But few people visit Stroudsburg without giving him a call, and they are always sure to find something they are in want of. He makes no charge for showing his goods. If you see nothing you are in want of you are not compelled to buy, all he asks is a call to satisfy the people that he sells as cheap if not cheaper than can be had elsewhere.

DIED. In Stroudsburg, on Thursday last, Ellen Gordon, in the 16th year of her age. She died suddenly of apoplexy at the residence of her father, Abner Gordon. On Wednesday evening she retired to bed apparently in good health. In the morning she was found insensible. Medical aid was immediately called, and she lingered until about 11 o'clock when she expired.

WAR ON WORMS.—The enemy routed, horse, foot, and dragons.—Children may rejoice, and clap their hands, and all others whom it may concern; for a remedy has been discovered for their old tormentors the worms, which will cure without sickening them, and which is so effective in its operations, that the worms must seek a retreat whenever it comes amongst them, or else make up their minds to stay where they are and die, for there is something in its composition so fatal to them that they cannot taste of it and live. Heretofore it has been very difficult to expel worms; for a mild purgative had no effect on them, while too severe a one caused them to accuse themselves by clinging and actually increased the slime on which they fed. It was therefore necessary to procure a medicine which would act upon the worms themselves as well as on the system; and this has been more effectually accomplished, for in Clickener's Sugar Coated Purgative Pills there is one ingredient which is so repugnant to them that if they taste it death must follow. They therefore abandon the system, it is introduced into, as soon, as they can. Another great advantage in Clickener's Pills is, that they produce not the slightest nausea, or bad taste and are therefore taken by children, without any objection. At the present time worms prevail to a great extent amongst the children in our neighborhood; but the mothers and nurses are fast overcoming them, and curing their little patients, having abandoned all other remedies, and taken exclusively of Clickener's Sugar Coated Purgative Pills.

BAD Breath, a Disagreeable Taste in the Mouth, and other unpleasant symptoms, are the result of indigestion. When the food, instead of being properly dissolved, remains in the stomach until it becomes in a manner putrid, a deleterious fluid, called Septic Acid, is generated, which, mixing with the fluid of the mouth, is certain not only to give a bad breath, but is also the true cause of wasting of the gums, a deposit of tartar, and decayed teeth.

Wright's Indian Vegetable Pills not only cleanse the stomach and bowels of all bilious and putrid humors, and purify the blood, but they also restore the digestive organs to a healthy tone; and are therefore certain to remove a bad breath, and prevent a premature decay of the teeth.

Beware of Sugar Coated Counterfeits.—Remember, that the original and only genuine Indian Vegetable Pills have the written signature of WILLIAM WRIGHT on the top label of each box.

Cure for Fever and Ague.

Russellville, Putnam Co., Ind., July 17 '47. Dr. Wright—Some time since your agent left me a supply of your Indian Veg. Pills. I have found said Pills to be in great demand lately for the cure of Fever and Ague. Mr. Jas. Boyd has a son who has been laid up with various other remedies, all of which proved of no avail. He determined to try your Indian Vegetable Pills, and by using one box he is now sound and well. Mr. T. Spenser had a daughter, Mr. Hugh Groves a son, and Mr. Charles Nichols and three of his family were down at the same time with fever and ague, and had almost tried the various other remedies without effect. Your Indian Vegetable soon restored them all to perfect health. I can assure you from what I have seen, your Indian Vegetable Pills may be relied on for a permanent cure of fever and ague. Yours respectfully, JACOB DURHAM, M. P.

Raising Blood And Consumption, pain in the side and night sweats, Asthma, Whooping Cough, palpitation of the heart, Liver complaint, Bronchitis; And all diseases of the throat, lungs and liver, cured by Sherman's All-Healing Balm.

RAISING BLOOD AND CONSUMPTION Mr. Milne, Builder, in Brooklyn, was attacked with raising blood, followed by a cough, pain in the side, and all the usual symptoms of consumption. He employed two of the best physicians; they did him no good, and told him he could not live.

Hearing of the wonderful cures performed by Sherman's Balm, he sent at 10 o'clock at night to Mrs. Hayes, 126 Fulton street, and got a bottle; it operated like a charm, stopped the bleeding and cough! Before he had taken one bottle he was able to be about his work. It had saved his life. His daughter, residing at 127 Myrtle Avenue, can attest it.

Miss Ann Maston, of Williamsburg, living in Tenth, near South Fourth-street, says—That she had been troubled with a hacking cough, and pain in the chest, for a long time, which at last became so bad that she was obliged to give up her school for more than a year. She then commenced taking the All-Healing Balm—which soon alleviated her symptoms. She is now fast recovering, and has resumed her laborious occupation as a teacher.

14 years Mr. John O'Neil, 10th avenue and 21st street, suffered with a cough, raising of phlegm, and pain in his side. He could get no relief till he tried the All-Healing Balm, which drove the pain from his side, allayed the cough, and brought the disease upon the surface; and before he had taken three bottles, was entirely cured.

PLEURISY AND CONSUMPTION. Mrs. Baggas, a lady upwards of 70, residing 88 Sheriff, has for years been subject to attacks of Pleurisy, Raising of Blood, severe Cough, Shortness of Breath, Pain in her Head and various parts of her body. Her friends believed her past recovery. The All-Healing Balm relieved her at once of all her alarming symptoms, and now she is able to attend to her work.

ASTHMA AND WHOOPING COUGH. Mrs. Lucretia Wells, 95 Christie-street; L. S. Beale, 19 Delancey street; Wm. H. Youngs, 75 Walnut street, know the value of this great remedy. To the Voters of Monroe county.

Fellow Citizens:—Not having been encouraged by any of my friends I offer myself as a candidate for the office of

HIGH SHERIFF, at the ensuing election, of my own free will and accord. The principal inducement for so doing is the fear there will not be candidates enough in the field for the dear people to choose from: yet I will not have the least objection to being elected. Should that be the case, I will pledge myself to perform the duties of the office in the following manner, viz: First—If any process comes into my hands against any one I will catch him if I can, and keep him if I can until he is legally discharged by due course of law. 2nd—Be cautious how you get into debt; for if an execution comes into my hands against any one in the County, and he has not the cash I will levy on his property if I can find any, and sell it to the best bidder, and after taking good care of my own fees I will pay over the balance where it honestly belongs.— 3rd and last—If any one should be convicted of a capital crime (which God forbid) and a death warrant unfortunately come into my hands I will hang him up by the neck until he be dead, dead, dead, and may the Lord have mercy on his soul. As to politics, I am a full blooded Rough and Ready Whig.
