It is the most perfect master of pain discovered. All who use, recommend it. Every family should be provided with it. None can tell how soon some family will need it.

Observe each box of the genuine Ointment has the name of S. Tousey written on the outside label. To imitate this is forgery.

Let all try it.

Burns and Scalds Cured. Thousands of cases of Burns and Scalds, in all parts of the country, have been cured by Tousey's Universal Ointment. Certificates enough can be had to fill the whole of this sheet.

Violent Bruises Cured. Testimonials on testimonials, in favor of Tousey's Ointment for curing Bruises, have been offered the proprietors. Hundreds in Syracuse will certify to its great merits in relieving the pain of the most severe Bruise. All persons should try it.

Doctor Townsend's Sarsaparilla.

Wonder and Blessing of the Age.
The most Extraordinary Medicine in the World.

This Extract is put up in Quart Bottles: it is six times cheaper, pleasant, and warranted superior to any sold. It cures without vomiting, purging, sickening or debilitating the patient.

The great beauty and superiority of this Sarsaparilla over all other medicines is, that while it eradicates, it invigorates the body. It is one of the very best

SPRING AND SUMMER MEDICINES
Ever known; it not only purifies the whole system, and strengthens the person, but it creates new, pure and rich blood: a power possessed by no other medicine. And in this lies the grand secret of its wonderful success. It has performed within the last five years, more than 100,000 cures of severe cases of disease; at least 15,000 were considered incurable. It has saved the lives of more than 5,000 children during the two past seasons.

10,000 cases of General Debility and want of Nervous Energy.

Dr. Townsend's Sarsaparilla invigorates the whole system permanently. To those who have lost their muscular energy by the effects of medicine or indiscretion committed in youth, or the excessive indulgence of the passions, and brought on a general physical prostration of the nervous system, lassitude, want of ambition, fainting sensation, premature decay and decline, hastening towards that fatal disease, Consumption, can be entirely restored by this pleasant remedy. This Sarsaparilla is far superior to any

Invigorating Cordial,
As it renews and invigorates the system, gives activity to the limbs, and strength to the muscular system, in a most extraordinary degree.

Consumption Cured.
Cleanse and Strengthen. Consumption can be cured. Bronchitis, Consumption, Liver Complaints, Coughs, Croup, Asthma, Spitting of blood, Soreness in the Chest, Hoarse Cough, Night Sweats, Difficulty of Profuse Expectoration, Pain in the Side, &c., have been and can be cured.

Spitting Blood.
New York, April 28, 1847.

Dr. Townsend—I verily believe that your Sarsaparilla has been the means, through Providence, of saving my life. I have for several years had a bad Cough. It became worse and worse. At last I raised large quantities of blood, had night Sweats, and was greatly debilitated and reduced, and did not expect to live. I have only used your Sarsaparilla a short time, and there has a wonderful change been wrought in me. I am now able to walk all over the city. I raise no blood, and my cough has left me. You can well imagine that I am thankful for these results.

Your obedient servant,
WM RUSSELL, 65 Catherine-st
Rheumatism.

This is only one of more than four thousand cases of Rheumatism that Dr. Townsend's Sarsaparilla has cured. The most severe and chronic cases are weekly eradicated by its extraordinary virtues.

James Cummings, Esq., one of the assistant in the Lunatic Asylum, Blackwell's Island, is the gentleman spoken of in the following letter:

Blackwell's Island, Sept. 14, 1847.

Dr. Townsend—Dear Sir: I have suffered terribly for nine years with the Rheumatism; considerable of the time I could not eat, sleep or walk. I had the utmost distressing pains, and my limbs were terribly swollen. I have used four bottles of your Sarsaparilla, and they have done me more than one thousand dollars worth of good. I am so much better—indeed, I am entirely relieved. You are at liberty to use this for the benefit of the afflicted.

Yours respy,
Fits! Fits! Fits!
JAS. CUMMINGS

Dr. Townsend, not having tested his Sarsaparilla in cases of Fits, of course never recommended it, and was surprised to receive the following from an intelligent and respectable Farmer in Westchester County.

Fordham, August 13, 1847.

Dr. Townsend—Dear Sir: I have a little girl seven years of age, who has been several years afflicted with Fits; we tried almost everything for her, but without success; at last, although we could find no recommendations in our circulars for cases like hers, we thought, as she was in very delicate health, we would give her some of your Sarsaparilla, and are very glad we did, for it not only restored her strength, but she has had no return of the Fits, to our great pleasure and surprise. She is fast becoming rugged and hearty, for which we feel grateful.

Yours, respectfully,
JOHN BUTLER JR.

Female Medicine.
Dr. Townsend's Sarsaparilla is a sovereign and speedy cure for Incipient Consumption, Barrenness, Proflaps Uteri, or Falling of the Womb, Costiveness, Piles, Leucorrhoea, or Whites, obstructed or difficult Menstruation, Incontinence of Urine, or involuntary discharge thereof, and for the general prostration of the system—no matter whether the result of inherent cause or causes, produced by irregularity, illness or accident.—Nothing can be more surprising than its invigorating effects on the human frame. Persons all weakness and lassitude, from taking it, at once become robust and full of energy under its influence. It immediately counteracts the nervelessness of the female frame, which is the great cause of Barrenness. It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed but we can assure the afflicted, that hundreds of cases have been reported to us. Thousands of cases where families have been without children, after using a few bottles of this invaluable medicine, have been blessed with fine, healthy offspring.

To Mothers and Married Ladies.
This Extract of Sarsaparilla has been expressly prepared in reference to female complaints. No female who has reason to suppose she is approaching that critical period, "The turn of life," should neglect to take it, as it is a certain preventive for any of the numerous and horrible diseases to which females are subject at this time of life. This period may be delayed for several years by using this medicine. Nor is it less valuable for those who are approaching womanhood, as it is calculated to assist nature, by quickening the blood and invigorating the system. Indeed, this medicine is invaluable for all the delicate diseases to which

women are subject. It braces the whole system, renews permanently the natural energies, by removing the impurities of the body, not so far stimulating as to produce subsequent relaxation, which is the case of most medicines taken for female weakness and disease. By using a few bottles of this medicine, many severe and painful surgical operations may be prevented.

Great Blessing to Mothers and Children. It is the safest and most effectual medicine for purifying the system, and relieving the sufferings attendant upon child-birth ever discovered. It strengthens both the mother and child, prevents pain and disease, increases and enriches the food, those who have used it think it is indispensable. It is highly useful both before and after confinement, as it prevents diseases attendant upon childbirth—in Constiveness, Piles, Cramps, Swelling of the Feet, Dropsy, Heartburn, Vomiting, Pain in the Back and Loins, False Pains; Hemorrhage, and in regulating the secretions and equalizing the circulation it has no equal. The great beauty of this medicine is, it is always safe, and the most delicate use it most successfully, very few cases require any other medicine, in some a little Castor Oil or Magnesia, is useful. Exercise in the open air, and light food with this medicine, will always ensure a safe and easy confinement.

Beauty and Health. Cosmetics, Chalk, and a variety of preparations generally in use, when applied to the face, very soon spoil it of its beauty. They close the pores of the skin, and check the circulation, which, when nature is not thwarted by disease or powder, or the skin inflamed by alkalis used in soaps, beautifies its own production in the "human face Divine," as well as in the garden of rich and delicately tinted and variegated flowers. A free, active and healthy circulation of the fluids of the course of the pure, rich blood to the extremities, is that which paints the countenance in the most exquisite beauty. It is that which imparts the indescribable shades and flashes of loveliness that all admire, but none can describe. This beauty is the offspring of nature—not of powder or soap. If there is not a free and healthy circulation, there is no beauty. If the lady is driven snow, if she paint, and use cosmetics, and the blood is thick, cold and impure, she is not beautiful. If she be brown or yellow, and the blood is pure and active blood, it gives a rich bloom to the cheeks and a brilliancy to the eyes that is fascinating. This is why the southern, and especially the Spanish Ladies, are so much admired. Ladies in the north who take but little exercise, are confined in close rooms, or have spoiled the complexion by the application of deleterious mixtures, if they wish to regain elasticity of step, buoyant spirits, sparkling eyes and beautiful complexions, they should use Dr. Townsend's Sarsaparilla. Thousands who have tried it, are more than satisfied, are delighted. Ladies of every station, crowd our office daily.

Notice to the Ladies.—Those that imitate Dr. Townsend's Sarsaparilla, have invariably called their stuff a great Remedy for Females, &c., &c., and have copied our bills and circulars which relate to the complaints of women, word for word—other men who put up medicine, here, since the great success of Dr. Townsend's Sarsaparilla in complaints incident to females, recommended theirs, although previously they did not. A number of these Mixtures, Pills, &c., are injurious to females, as they aggravate diseases, and undermine the constitution.

Scrofula Cured. This certificate conclusively proves that this Sarsaparilla has perfect control over the most obstinate diseases of the Blood. Three persons cured in one house is unprecedented.

Three Children. Dr. Townsend—Dear Sir: I have the pleasure to inform you that three of my children have been cured of the Scrofula by the use of your excellent medicine. They were afflicted very severely with bad Sores; have taken only four bottles; it took them away, for which I feel myself under great obligation.—Yours, respectfully,
ISAAC W. CRAIN, 106 Wooster-st.

Opinions of Physicians. Dr. Townsend is almost daily receiving orders from Physicians in different parts of the Union. This is to certify that we, the undersigned, Physicians of the City of Albany, have in numerous cases prescribed Dr. Townsend's Sarsaparilla, and believe it to be one of the most valuable preparations in the market.

Caution.—Owing to the great success and immense sale of Dr. Townsend's Sarsaparilla, a number of men who were formerly our Agents, have commenced making Sarsaparilla Extracts, Elixirs, Bitters, Extracts of Yellow Dock, &c. They generally put it up in the same shaped bottles, and some of them have stole and copied our advertisements, they are only worthless imitations, and should be avoided.
