

SPITTING OF BLOOD.—When the stream of life is encumbered with morbid humors, its volume or quantity is increased, and the blood-vessels are filled to overflowing; hence a rupturing of those which terminate in the lungs, and spitting of blood, consumption, and other dreadful complaints. Wright's Indian Vegetable Pills are certain to put a stop to spitting of blood; because they expel from the circulation those corrupt humors which are the cause of the bursting of blood-vessels, and of every malady incident to man.—From three to five of said Indian Vegetable Pills taken at night on going to bed, will in all cases give relief, and if repeated a few times, will most assuredly restore the body to a state of sound health.

The Leading Periodical in America. GODEY'S LADY'S BOOK.
For 1849.
Dedicated to the Ladies of the United States.
Edited by SARAH J. HALE, GRACE GREENWOOD, and J. A. GODEY.

A Novelle by Miss E. Leslie, who contributes to every No. N. P. WILLIS' Original Scriptural Poetry. T. S. ARTHUR, who contributes to every No., illustrative of Croome's Sketches of American Character. We intend merely to give a notice of our intentions for next year, leaving to others long advertisements—full of sound and fury, signifying nothing. Agreeably to the practice of last year, the publisher will issue as good a number each month as he does in January. This is a novel feature in Magazine publishing. During the whole of last year he gave more engravings and more reading matter than any of his contemporaries, and will continue to do so next year. Those who subscribe to Godey's Lady's Book, may do so under the assurance that they will receive more for their money in the Magazine alone, than by subscribing to any other work. To this is added and included in the same \$3, the LADY'S DOLLAR Newspaper, which contains in one month nearly, if not quite as much reading matter as the other monthlies, making for \$3, the amount of reading of two magazines a month. There are peculiarities about Godey's Lady's Book for the Ladies, that no other Magazine possesses. There is a Mezzotint and Line Engraving in each number—both by the best artists. In addition to these, there are given monthly what no other magazine gives—a Colored Fashion Plate, with a full description. This feature is peculiar to Godey, as no other work has them every month and colored. Then there are Caps, Bonnets, Chemisets. Equestrianism for Ladies, with Engravings. The Ladies' Work Table, with designs for knitting, netting, crochet, and all other kinds of work. Patterns for Smoking Caps, Chair covers, Window curtains, D'Oyley's, Purses, Bags, &c. &c. Health and Beauty, with Engravings. Model Cottages, with ground plans, and other engravings, always illustrative of something useful. Music, beautifully printed on tinted paper, which may be taken out and bound: Colored Modern Cottages, and Colored Flower Pieces occasionally. These are all extra in Godey, and to be found in no other Magazine. These were all given last year, and will be continued. In addition, we shall have in every No., one of 'Croome's Sketches of American Characteristics,' a most amusing series, now first given to the American public. These will be illustrated in every No. by a Story from the powerful pen of T. S. Arthur, Esq.

'The Changes of Fashion,' illustrated by Fay Robinson, Esq. This series will be very interesting to the ladies. 'The Applicability of the Fine Arts to Domestic Uses,' is another series of Engravings now in preparation, and will be published during the year. Cottage Furniture. Having given so many Model Cottages, we intend now to commence the publication of Cottage Furniture—a very necessary appendage to a Cottage. Religion and History. Our superior Artists, Walters, Tucker, Pease and Welch, are now engaged upon a set of plates illustrative of these subjects. Our Music. Prepared expressly for us—mostly original, and beautifully printed, has long commanded a decided preference over that of any other Magazine. It is a feature in the Book.

The Literary Character of Godey's Lady's Book. With such writers as Miss Leslie, Grace Greenwood, W. G. Simms, Mrs. Elliot, T. S. Arthur, Mrs. E. Oakes Smith, Mrs. J. C. Neal, H. T. Tuckerman, H. W. Herbert, &c. the author of the Widow Bellott, Professor Frost, Bryant, Longfellow, Holmes, and a host of others—must always take the lead in literary merit. Terms.—For Three Dollars we will send the Lady's Book, containing more reading than any other monthly, and the Lady's Dollar Newspaper published twice a month, which contains as much reading as any of the \$3 periodicals of the day—making three publications in one month, or if the subscriber prefers the following splendid engravings to the Lady's Dollar Newspaper, (although we would not advise it, as engravings cannot be sent through the mail without being crushed or creased,) we will send the beautiful plate containing the portraits of Harriet Newell, Fanny Foster, Mrs. Stewart, Mrs. Ann H. Judson and Mrs. E. B. Dwight, and the plates of Christ Weeping over Jerusalem. The opening of the Sepulchre, Deliverance of St. Peter, and The Rebuke. If preferred to the Newspaper or plates, we will send Miss Leslie's Novel of Amelia, and any three of Mrs. Grey's or Miss Pickering's popular novels.

For Five Dollars we will send two copies of the Lady's Book, and a set of the plates to each subscriber. For Ten Dollars we will send five copies of the Lady's Book; and a copy to the person sending the Club, and a set of plates to each. For Twenty Dollars, eleven copies of the Book and a set of Plates to each subscriber, and a copy of the Book to the person sending the Club. For One Dollar we will send the Lady's Book 4 months; and for 25 cents any one No. Postage to be paid on all orders. L. A. GODEY, 113 Cheanut street, Philada.

D. late of Paris, Professor of Midwifery, and author of the celebrated work on "Gestation and Child-Birth," which has had such an extensive sale in Europe and America. In this edition, there is no part of the original French work withheld. The whole secret of M. M. Desomeaux's instrument and method is fully revealed and described, and the recipe of Desomeaux's Portuguese Female Pills is given entire in plain English terms, so that the purchaser will actually get

NEW EDITION OF Dr. Weisselhoff's Scientific Work ON THE SUBJECT OF CHILD-BIRTH!
A new and beautiful edition of this celebrated work, on the subject of GESTATION and CHILD-BIRTH, by R. M. Weisselhoff, M. D. late of Paris, has just been issued in N. York. It is a work which should be in the hands of every MAN and WOMAN who has incurred, or intends to incur, the responsibilities of the Marriage state. It will be found of special value to those whose means, health or other circumstances, do not permit them to increase the number of their family, without great inconvenience, suffering, or perhaps risk of life. A method of avoiding these troubles and dangers at will, (recently discovered by a celebrated French Physician) is fully communicated in this work. The means of prevention, cost comparatively nothing, and are within the reach of all. The process is new, safe, infallible, convenient, simple, and cannot injure the health of the most delicate. Nor does it curtail matrimonial privileges in the least.

There is no deception or humbuggery of any kind about this work. It is precisely what its title indicates, a scientific publication, containing information of great value to married people, or those contemplating marriage, expressed in plain language which all can understand. The whole story is told, and the means of accomplishing the objects of the work fully and faithfully given, so that the reader may avail himself of it once, without purchasing any medicine, instrument, or other article, from the author. The means of protection which it recommends, may also be relied upon, without fear of disappointment or injury. Beware of Frauds on this Work.

Beware of a catch penny fraud upon this work, at 25 cents, which is only a decoy, to promote the sale of Mauriceau's or Desomeaux's instrument at \$10, for the same object that the work itself pretends to be written, the real secret of my original work being withheld. Those who wish for the original and genuine work, by Dr. Weisselhoff, with private notes added by his own hand, can obtain it only by sending directly to him, as he employs no Agents whatever, and never sells the work at wholesale—therefore no Book Agent, Pedlar, Postmaster or Bookseller can possibly furnish the genuine work. Beware, therefore, of false copies and imitations, which may not only be worthless, but dangerous! All infringements of the copyright are promptly prosecuted; and cheats will only sell abridged or altered copies. This is the only original and true work—no other can be genuine. Thousands of copies have been sent by mail with perfect safety.

Copies of this work will be sent, in a close envelope, at single letter postage, to any part of the United States for \$1, sent Post paid, to **DR. R. M. WEISSELHOFF,** Box 2710, New York City. Publication Office, 258 Broadway, New York City. December 7, 1848.
