

away with ponderous metal now,  
and strike for the new-born year.  
Away with horse shoes, hammers, wedges;  
And all the other gear, sirs—  
Bellows, fires, anvils, sledges—  
And hail the new-born year, sirs.

The ladies too—God bless their hearts!  
So lovely, pretty, witty;  
Just have I ween, in numbers short,  
Brief, but cogent ditty:  
And now I 'spose it can't be helped,  
Some I fear have been "too late"—  
The solemn truth I must proclaim.  
Year's gone with forty-eight.  
Silks and satins, ribbons, curls,  
Sunny smiles, and hearts, so dear;  
Raise high the joyous anthem, girls!  
Gladly greet the new-born year.

While I this day do jog along—  
To Printers, Millers, Teachers—  
To all—to all—I'll sing a song—  
To Carpenters and Preachers:  
To Landlords, Saddlers, Bakers,  
And all to whom I "chooses";  
To Masons and Shoemakers—  
And those that court the Muses.  
The Printer's boy you'll not forget,  
Amidst your glee, I know, sirs,  
My new year's song, I now have sung,  
Now pony up the "dough," sirs.

It is said that old Father Ritchie, the editor of the Washington Union, supposes that the world rests upon his head—whereupon Prentice, an intolerable punster, declares that the old man is perfectly correct in his opinion, for he has frequently heard it remarked that the world stood upon nothing.

**Snow.—A Mexican Boy.**  
On Thursday night and Friday morning last we had our first snow this season. For a time the flakes fell like an old-fashioned snow storm. Up to that time in December the weather had been mild—many days more like Spring than Winter. Since then, we have had some comfortable winter weather—mixed however with mild weather and rain.

The change in the weather was more clearly indicated by the effect on a Mexican youth in your office. A fine boy, willing and quick to obey, he, however, on the appearance of a few inches of snow, declined to properly do a chore, saying "Me can't—me can't—too cole for me—me can't go in the snow."

Speaking of this boy, it occurs to us there are those who knew him on the passage from Mexico, who may be glad to hear of him.—He is a sprightly, intelligent lad. During a few months at school, he learned to read tolerably well—much faster than he learned to understand that which he could read. In the printing office he is doing equally well, and learning to talk and understand our language faster than he did at school. He sets type more correctly than boys of his age usually do on beginning. He is very desirous of learning the trade—is contented, and could scarcely be induced to return to Mexico. Usually cheerful, nothing has daunted or tried him, until he saw a few inches of snow, when he shrugged his shoulders—seemed troubled and was a little rebellious. He, however, still had no desire to return to Mexico. After learning the trade, he may return to his own country and become a useful citizen there.—[Wilkesbarre Advocate.]

On the 30th of December 1848, by the same, Mr. James White, of the Borough of Stroudsburg, and Miss Elizabeth Miller, daughter of Mr. John Miller, of Stroud township.  
On the 1st inst., by the Rev. William Scriber, Mr. Samuel S. Warne, of Mansfield N. J., and Miss Mary H., daughter of Col. Henry Brinker, of Drinker's Settlement.

**HAPPY NEW YEAR**—In the midst of our merry-making and good humor, let us not forget that moderation both in eating and drinking is the only rational means of securing to ourselves a happy New Year.  
It is not our purpose to encourage any species of intemperance; yet as the most circumspect may, at times, be seduced into an overloading of the digestive organs, we may be permitted to recommend Wright's Indian Vegetable Pills as the most effectual medicine in the world for removing headache, sick stomach, loss of appetite, loss of spirits, and all other complaints which arise from over indulgence at the table.  
**Beware of Sugar Coated Counterfeits.**—Remember, that the original and only genuine Indian Vegetable Pills have the written signature of W. Wright Water on the top label of each box.

**From Harrisburg.**

HARRISBURG, Jan. 2, 1849.

The Senate met this morning and organized by electing George Darsie (whig) Speaker in the place of William F. Johnston.  
The House could not organize.—Four unsuccessful ballots were had for Speaker—49 Locofocos voting for Mr. Packer—46 Whigs for Mr. Evans and 5 scattering. The House then adjourned until to-morrow. The Locofoco members met in caucus to-night and resolved on no compromise.

**EXTRAVAGANT SHIRTS.**—The New York dandies who frequent the Opera, are affording plenty of work for the fine needle women by the elaborate elegance of their shirt bosoms. Mrs. Beman, who a few years ago, was a poor, night working seamstress, now employs four hundred sewing women, and is overwhelmed with business. Her opera shirts are 'quick' at from \$5 to \$12 a piece.

**A GOVERNOR COOKING.**—Governor Mason, of California, has to do all his own cooking and washing! The servants have all sloped for the gold mines.

**GOOD. WHETHER TRUE OR NOT.**—There is a report in circulation, that a committee of the Locofocos now encamped in the State House, waited on the Rev. Chaplain of the Penitentiary on Saturday last and requested him to hold Divine Service in the Hall of the House, on the afternoon of the next day. The story is that the venerable minister while returning a very polite refusal to their request, added, that he was not constrained to do so from the fact, that although he had some experience in preaching to convicts, he never attempted to preach to lunatics, and did not know how.—Ohio S. Journal.

**WAR ON WORMS.**—The enemy routed, horse, foot, and dragons.—Children may rejoice, and clap their hands, and all others whom it may concern—for a remedy has been discovered for their old tormentors the worms, which will cure without sickening them, and is so effective in its operations, that the worms must beat a retreat whenever it comes amongst them, or else make up their minds to stay where they are and die, for there is something in its composition so fatal to them that they cannot taste of it and live. Heretofore it has been very difficult to expel worms; for a mild purgative had no effect on them, while too severe a one caused them to secrete themselves by clinging and actually increased the pain on which they fed. It was therefore necessary to procure a medicine which would act upon the worms themselves as on the system; and this has been more effectually accomplished, for in Clickener's Sugar Coated Purgative Pills there is one ingredient which is so repugnant to them that if they taste it death must follow. They therefore abandon the system, it is introduced into, as soon as they can. Another great advantage in Clickener's Pills is that they produce not the slightest nausea or bad taste and are therefore taken by children without any objection. At the present time worms prevail to a great extent amongst the children in our neighborhood; but the mothers and nurses are fast overcoming them, and curing their little patients, having abandoned all other remedies, and taken exclusively of Clickener's Sugar Coated Pills.

**Raising Blood**

And Consumption, pain in the side and night sweats, Asthma, Whooping Cough, palpitation of the heart, Liver complaint, Bronchitis, and all diseases of the throat, lungs and liver, cured by Sherman's All-Healing Balm.  
**RAISING BLOOD AND CONSUMPTION.**  
Mr. Milne, Builder, in Brooklyn, was attacked with raising blood, followed by a cough, pain in the side, and all the usual symptoms of consumption. He employed two of the best physicians; they did him no good, and told him he could not live.  
Heating of the wonderful cures performed by Sherman's Balm, he sent at 10 o'clock at night to Mrs. Hayes, 136 Fulton street, and got a bottle; it operated like a charm, stopped the bleeding and cough! Before he had taken one bottle he was able to be about his work. It had saved his life. His daughter, residing at 127 Myrtle Avenue, can attest it.  
Miss Ann Maston, of Williamsburg, living in Tenth, near South Fourth-street, says—That she had been troubled with a hacking cough, and pain in the chest, for a long time, which at last became so bad that she was obliged to give up her school for more than a year. She then commenced taking the All-Healing Balm—which soon alleviated her symptoms. She is now fast recovering, and has resumed her laborious occupation as a teacher.  
14 years Mr. John O'Neil, 10th avenue and 21st street, suffered with a cough, raising of phlegm, and pain in his side. He could get no relief till he tried the All-Healing Balm, which drove the pain from his side, allayed the cough, and brought the disease upon the surface; and before he had taken three bottles, was entirely cured.

**PLEURISY AND CONSUMPTION.**  
Mrs. Baggas, a lady upwards of 70, residing 88 Sheriff, has for years been subject to attacks of Pleurisy, Raising of Blood, severe Cough, Shortness of Breath, Pain in her Head and various parts of her body. Her friends believed her past recovery. The All-Healing Balm relieved her at once of all her alarming symptoms, and now she is able to attend to her work.  
**ASTHMA AND WHOOPING COUGH.**  
Mrs. Lucretia Wells, 95 Christie-st.; L. S. Beals, 19 Delancey st.; W. H. Youngs, 75 Walnut st., know the value of this great remedy.  
Ask for Sherman's All-Healing Balm, and see that his written signature is on each bottle. Price 25 cents and \$1 per bottle.  
Dr. Sherman's Worm and Cough Lozenges sold as above.

**CHILD-BIRTH:**

A valuable Scientific Work, upon the subject of Gestation and Child Birth, by R. G. GEISSNER, M. D. late of Paris, just published in New York by the Author.

Price Twenty-five Cents.

THIS WORK contains recently discovered information upon a subject of the highest importance to Married Persons, or those contemplating Marriage.  
It will be found of special value to those whose means, health or other circumstances, do not permit them to increase the number of their family, without great inconvenience, suffering, or perhaps risk of life. A method of avoiding these troubles and dangers, at will, (recently discovered by a celebrated French Physician,) is fully communicated in this work, so that any person may avail himself of it at once, without cost. The means of prevention here set forth are therefore within the reach of all. The process is new, safe, infallible, convenient, simple, and cannot injure the health of the most delicate.  
**CAUTION.**
