Russleville, Putnam Co., Ind., July 17 '47. Dr. Wright-Sometime since your agent left me a supply of your Indian Veg'e Pills. I have found said Pills to be in great demand lately for the cure of Fever and Ague. Mr. Jas. Boyd has a son who has been laid up with various other remedies, all of which proved of no avail. He determined to ery your Indian Vegetable Pill, and by using one box he is now sound and well. Mr. T. Spenster had a daughter, Mr. Hugh Groves a son, and Mr. Charles Nichols and three of his family were down at the same time with fever and ague, and had also tried the various other remedies without effect. Your Indian Vegetable soon restored them all to perfect health. I can assure you from what I have seen, your Indian Vegetable Pills may be relied on for a permanent cure of fever and ague Yours respectfully, JACOB DURHAM. M. P.

Also, an Acting Justice of the Peace. This is to certify that I was entirely cured of the Chills and Fever, of several months' standing, by the use of four doses of four pills each, of Wright's Indian Vegetable Pills, after taking medicine from a regular physician for some time, and have had no symptoms of it since, which has been about one year ago. J. W. SPENCER,

Before he had taken one bottle he was able to be about his work. It had saved his life. His daughter, residing at 127 Myrtle Avenue, can attest it.

Miss Ann Maston, of Williamsburg, living in Tenth, near South Fourth-street, says --- That she had been troubled with a hacking cough, and pain in the chest, for a long time, which at last become so bad that she was obliged to give up her school for more than a year. This period may be delayed for several years by using this medicine. Indeed, this medicine is invaluable for all the delicate diseases to which

women are subject. It braces flie whole system renews permanently the natural energies, by removing the impurities of the body, not so far stim ulating as to produce subsequent relaxation, which is the case of most medicines taken for female weakness and disease.
