Raising Blood

And Consumption, pain in the side and night sweats, Asthma, Whooping Cough, palpitation of the heart, Liver complaint, Bronchitis, And all diseases of the throat, lungs and liver, cured by Sherman's All-Healing Balm.

RAISING BLOOD AND CONSUMPTION. Mr. Milne, Builder, in Brooklyn, was attacked with raising blood, followed by a cough, pain in the side, and all the usual symptoms of consumption. He employed two of the best physicians; they did him no good, and told him he could not live.

Hearing of the wonderful cures performed by Sherman's Balm, he sent at 10 o'clock at night to Mrs. Hayes, 136 Fulton street, and got a bottle; it operated like a charm, stopped the bleeding and cough! Before he had taken one bottle he was able to be about his work. It had saved his life. His daughter, residing at 127 Myrtle Avenue, can attest it.

Miss Ann Maston, of Williamsburg, living in Tenth, near South Fourth-street, says—That she had been troubled with a hacking cough, and pain in the chest, for a long time, which at last became so bad that she was obliged to give up her school for more than a year. She then commenced taking the All-Healing Balm—which soon alleviated her symptoms. She is now fast recovering, and has resumed her laborious occupation as a teacher.

11 years Mr. John O'Neil, 10th avenue and 21st street, suffered with a cough, raising of phlegm, and pain in his side. He could get no relief till he tried the All-Healing Balm, which drove the pain from his side, allayed the cough, and brought the disease upon the surface; and before he had taken three bottles, was entirely cured.

PLEURISY AND CONSUMPTION. Mrs. Baggas, a lady upwards of 70, residing 85 Sheriff, has for years been subject to attacks of Pleurisy, Raising of Blood, severe Cough, Shortness of Breath, Pain in her Head and various parts of her body. Her friends believed her past recovery. The All-Healing Balm relieved her at once of all her alarming symptoms, and now she is able to attend to her work.

Silence

That dreadful cough! The Lungs are in danger! The work of the destroyer hath begun. The cough of consumption hath in it a sound of Death!

Are you a mother? Your darling child, your idol and earthly joy, is now perhaps, confined to her chamber by a dangerous cold, her pale cheeks, her thin shrunken fingers, tell the hold disease has already gained upon her, the sound of her sepulchral cough pierces your soul.

Young man, when just about to enter life, disease sends a hear-crushing blight over the fair prospects of the future, your hectic cough and feeble limbs tell of your loss of hope, but you need not despair. There is a balm which will heal the wounded lungs, it is

SHERMAN'S ALL-HEALING BALM. Mrs. Atree, the wife of Wm. H. Atree, Esq., was given up by Dr. Sewall of Washington, Drs. Roe and McClellan of Philadelphia, Dr. Roe and Dr. Mott of New York. Her friends all thought she must die. She had every appearance of being in consumption, and was so pronounced by her physicians—Sherman's Balm was given and it cured her.

Mrs. Garrabrants, of Bull's Ferry, was also cured of consumption by this Balm when all other remedies failed to give relief—she was reduced to a skeleton. Dr. A. C. Castle, Dentist, 281 Broadway, has witnessed its effects in several cases where no other medicine afforded relief—but the Balm operated like a charm. Dr. C. also witnessed its wonderful effects in curing Asthma, which it never fails of doing. Spitting Blood, alarming as it may be, is effectually cured by this Balm. It heals the ruptured or wounded blood vessels, and makes the lungs sound again.

Rev. Henry Jones, 108 Eighth avenue, was cured of cough and catarrhal affection of 50 years standing. The first dose gave him more relief than all the other medicine he had ever taken. Dr. L. J. Beals, 19 Delancey-street, gave it to a sister-in-law who was laboring under Consumption, and to another sorely afflicted with the Asthma. In both cases its effects were immediate, soon restoring them to comfortable health.

Mrs. Lechretia Wells, 95 Christie-st. suffered from Asthma 42 years. Sherman's Balm relieved her at once, and she is comparatively well, being enabled to subdue every attack by a timely use of this medicine. This indeed is the great remedy for Coughs, Colds, Spitting Blood, Liver Complaints, and all the affections of the throat, and even Asthma and Consumption.

M'Allister's All-Healing Ointment, Or, The World's Salve.

Contains no Mercury or other Mineral. From the Reading Eagle.

There was never, perhaps, a medicine brought before the public, that has in so short a time won such a reputation as **M'ALLISTER'S ALL-HEALING OR WORLD-SALVE.** Almost every person that has made trial of it speaks warmly in its praise. One has been cured by it, of the most painful Rheumatism, another of the Piles, a third of a troublesome pain in the limbs, &c., &c. If it does not give immediate relief, in every case, it can do no injury, being applied outwardly. As another evidence of the wonderful healing power possessed by this salve, we subjoin the following certificate, from a respectable citizen of Maiden-creek township in this county:

MAIDEN-CREEK, Berks Co., March 30, 1847. Messrs. Ritter & Co.—I desire to inform you that I was entirely cured of a severe pain in the back, by the use of **M'Allister's All-Healing Salve**, which I purchased from you. I suffered with it for about 20 years, and at night was unable to sleep. During that time I tried various remedies, which were prescribed for me by physicians and other persons, without receiving any relief, and at last made trial of this Salve, with a result favorable beyond expectation. I am now entirely free from the pain, and enjoy at night a peaceful and sweet sleep. I have also used the Salve since for other complaints, with similar happy results. Your friend, JOHN HOLDINBACH.

Doct.'r Townsend's Sarsaparilla.

Wonder and Blessing of the Age. The most Extraordinary Medicine in the World. This Extract is put up in Quart Bottles: it is six times cheaper, pleasanter, and warranted superior to any sold. It cures without vomiting, purging, sickening or debilitating the Patient.

The great beauty and superiority of this Sarsaparilla over all other medicines is, that while it eradicates, it invigorates the body. It is one of the very best

SPRING AND SUMMER MEDICINES Ever known; it not only purifies the whole system, and strengthens the person, but it creates new, pure and rich blood: a power possessed by no other medicine. And in this lies the grand secret of its wonderful success. It has performed within the last five years, more than 100,000 cures of severe cases of disease; at least 15,000 were considered incurable. It has saved the lives of more than 5,000 children during the two past seasons.

10,000 cases of General Debility and want of Nervous Energy. Dr. Townsend's Sarsaparilla invigorates the whole system permanently. To those who have lost their muscular energy by the effects of medicine or indolence committed in youth, or the excessive indulgence of the passions, and brought on a general physical prostration of the nervous system, lassitude, want of ambition, fainting sensation, premature decay and decline, hastening towards that fatal disease, Consumption, can be entirely restored by this pleasant remedy. This Sarsaparilla is far superior to any

Invigorating Cordial. As it renews and invigorates the system, gives activity to the limbs, and strength to the muscular system, in a most extraordinary degree.

Consumption Cured. Cleanse and Strengthen. Consumption can be cured. Bronchitis, Consumption, Liver Complaint, Colds, Catarrh, Coughs, Asthma, Spitting of blood, Soreness in the Chest, Hectic Flush, Night Sweats, Difficult or Profuse Expectoration, Pain in the Side, &c., have been and can be cured.

Spitting Blood. New York, April 28, 1847. Dr. Townsend—I verily believe that your Sarsaparilla has been the means, through Providence, of saving my life. I have for several years had a bad Cough. It became worse and worse. At last I raised large quantities of blood, had night Sweats, and was greatly debilitated and reduced, and did not expect to live. I have only used your Sarsaparilla a short time, and there has a wonderful change been wrought in me. I am now able to walk all over the city. I raise no blood, and my cough has left me. You can well imagine that I am thankful for these results.

Your obedient servant, WM RUSSELL, 65 Catherine-st. Rheumatism. This is only one of more than four thousand cases of Rheumatism that Dr. Townsend's Sarsaparilla has cured. The most severe and chronic cases are weekly eradicated by its extraordinary virtues.

James Cummings, Esq., one of the assistants in the Lunatic Asylum, Blackwell's Island, is the gentleman spoken of in the following letter: Blackwell's Island, Sept. 14, 1847. Dr. Townsend—Dear Sir: I have suffered terribly for nine years with the Rheumatism; considerable of the time I could not eat, sleep or walk. I had the utmost distressing pains, and my limbs were terribly swollen. I have used four bottles of your Sarsaparilla, and they have done me more than one thousand dollars worth of good. I am so much better—indeed, I am entirely relieved.—You are at liberty to use this for the benefit of the afflicted. Yours respy, JAS. CUMMINGS

Fits! Fits! Fits! Dr. Townsend, not having tested his Sarsaparilla in cases of Fits, of course never recommended it, and was surprised to receive the following from an intelligent and respectable Farmer in Westchester County: Fordham, August 13, 1847. Dr. Townsend—Dear Sir: I have a little girl seven years of age, who has been several years afflicted with Fits; we tried almost everything for her, but without success; at last, although we could find no recommendations in our circulars for cases like hers, we thought, as she was in very delicate health, we would give her some of your Sarsaparilla, and are very glad we did, for it not only restored her strength, but she has had no return of the Fits, to our great pleasure and surprise. She is fast becoming rugged and hearty, for which we feel grateful. Yours, respectfully, JOHN BUTLER Jr.

Female Medicine Dr. Townsend's Sarsaparilla is a sovereign and speedy cure for Incipient Consumption, Barrenness, Prolapsus Uteri, or Falling of the Womb, Costiveness, Piles, Leucorrhoea, or Whites, obstructed or difficult Menstruation. Incontinence of Urine, or involuntary discharge thereof, and for the general prostration of the system—no matter whether the result of inherent cause or causes, produced by irregularity, illness or accident.—Nothing can be more surprising than its invigorating effects on the human frame. Persons all weakness and lassitude, from taking it, at once become robust and full of energy under its influence. It immediately counteracts the nervousness of the female frame, which is the great cause of Barrenness. It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed but we can assure the afflicted, that hundreds of cases have been reported to us. Thousands of cases where families have been without children, after using a few bottles of this invaluable medicine, have been blessed with fine, healthy offspring.

To Mothers and Married Ladies. This Extract of Sarsaparilla has been expressly prepared in reference to female complaints. No female who has reason to suppose she is approaching that critical period, "The turn of life," should neglect to take it, as it is a certain preventive for any of the numerous and horrible diseases to which females are subject at this time of life. This period may be delayed for several years by using this medicine. Nor is it less valuable for those who are approaching womanhood, as it is calculated to assist nature, by quickening the blood, and invigorating the system. Indeed, this medicine is invaluable for all the delicate diseases to which

women are subject. It braces the whole system, renews permanently the natural energies, by removing the impurities of the body, not so far stimulating as to produce subsequent relaxation, which is the case of most medicines taken for female weakness and disease. By using a few bottles of this medicine, many severe and painful surgical operations may be prevented.

Great Blessing to Mothers and Children. It is the safest and most effectual medicine for purifying the system, and relieving the sufferings attendant upon child-birth ever discovered. It strengthens both the mother and child, prevents pain and disease, increases and enriches the food, those who have used it think it is indispensable. It is highly useful both before and after confinement, as it prevents diseases attendant upon child-birth—in Costiveness, Piles, Cramps, Swelling of the Feet, Despondency, Heartburn, Vomiting, Pain in the Back and Loins, False Pains, Hemorrhage, and regulating the secretions and equalizing the circulation it has no equal. The great beauty of the medicine is, it is always safe, and the most delicate use it most successfully, very few cases require any other medicine, in some a little Castor Oil, Magnesia, is useful. Exercise in the open air, and light food with this medicine, will always ensure a safe and easy confinement.

Beauty and Health. Cosmetics, Chalk, and variety of preparations generally in use, when applied to the face, very soon spoil it of its beauty. They close the pores of the skin, and check the circulation, which, when nature is not obstructed by disease or powder, or the skin inflamed by alkalis used in soaps, beautifies its own complexion in the "human face Divine," as well as in the garden of rich and delicately tinted and variegated flowers. A free, active and healthy circulation of the fluids or the coursing of the pure, rich blood, the extremities, is that which paints the complexion in the most exquisite beauty. It is that which imparts the indescribable shades and flashes of loveliness that all admire, but none can describe. This beauty is the offspring of nature—out of order or soap. If there is not a free and healthy circulation, there is no beauty. If the lady is as driven snow, if she paint, and use cosmetics, and the blood is thick, cold and impure, she is not beautiful. If she be brown or yellow, and her complexion is pure and active blood, it gives a rich bloom to the cheeks and a brilliancy to the eyes, especially the Spanish ladies, are so much admired. Ladies in the north who take but little exercise are confined in close rooms, or have spoiled their complexion by the application of deleterious substances, if they wish to regain elasticity of skin, buoyant spirits, sparkling eyes and beautiful complexions, they should use Dr. Townsend's Sarsaparilla. Thousands who have tried it, are more than satisfied, are delighted. Ladies of station, crowd our office daily.

Notice to the Ladies.—Those that imitate Townsend's Sarsaparilla, have invariably used their stuff a great Remedy for Females, &c., &c., and have copied our bills and circulars which relates to the complaints of women, word for word, other men who put up medicine, have since our great success of Dr. Townsend's Sarsaparilla, complaints incident to females, recommending theirs, although previously they did not. A number of these Mixtures, Pills, &c., are injurious to females, as they aggravate diseases, and undermine the constitution.

Scrofula Cured. This certificate conclusively proves that this Sarsaparilla has perfect cures over the most obstinate diseases of the Blood. Three persons cured in one house is unprecedented. **Three Children.** Dr. Townsend—Dear Sir: I have the pleasure to inform you that three of my children have been cured of the Scrofula by the use of your excellent medicine. They were afflicted very severely with bad Sores; have used nearly four bottles; it took them away, for which I am myself under great obligation.—Yours, respectfully, ISAAC W. CRAIN, 106 W. 3rd-st.

Opinions of Physicians. Dr. Townsend's most daily receiving orders from Physicians of different parts of the Union. This is not that we, the undersigned, Physicians of the County of Albany, have in numerous cases prescribed Dr. Townsend's Sarsaparilla, and believe it to be one of the most valuable preparations in the market.
