

CAUTION EXTRA.
A man by the name of CLAPP has engaged with a young man of the name of S. P. Townsend, and uses his name to put up Sarsaparilla, which they call Dr. Townsend's Sarsaparilla, denominated it GENUINE, Original, etc. This Townsend is no doctor, and never was; but was formerly a workman on rail roads, canals, and the like. Yet he assumes the title of Dr., for the purpose of gaining credit for what he is not. This is to caution the public not to be deceived, and purchase none but the GENUINE ORIGINAL OLD DR. JACOB TOWNSEND'S Sarsaparilla, having on it the Old Dr.'s likeness, his family coat of arms, and his signature across the coat of arms.
Principal Office, 102 Nassau-st., New York City.

OLD DR. JACOB TOWNSEND,
THE ORIGINAL DISCOVERER OF THE
GENUINE TOWNSEND Sarsaparilla.

Old Dr. Townsend is now about 70 years of age, and has long been known as the **AUTHOR and DISCOVERER** of the GENUINE ORIGINAL TOWNSEND'S Sarsaparilla. Being poor, he was compelled to limit its manufacture, by which means it has been kept out of market, and the sales circumscribed to those only who had proved its worth, and its value. It had retained the care of his descendants, and as persons who had been healed of sore diseases, and saved from death, proclaimed its excellence and wonderful

HEALING POWER.
Knowing, many years ago, that the mind, by its skill, science and experience, devised an article which would be of incalculable advantage to mankind when the means would be furnished to bring it into active notice, when its inestimable virtues would be known and appreciated. This time has come, the means are supplied; this

GRAND AND UNEQUALLED PREPARATION.
Manufactured on the largest scale, and is called for throughout the length and breadth of the land, especially as it is found incapable of degeneration or deterioration.
Unlike young S. P. Townsend's, it improves with age, and never changes, but for the better; because it is prepared as a scientific principle by a scientific man. The highest knowledge of Chemistry, and the latest discoveries of the arts have all been brought to bear in the manufacture of the Old Dr.'s Sarsaparilla. The Sarsaparilla root, it is well known to medical men, contains many medicinal properties, and is one of the most valuable and healing properties. Prepared in this way, it is made the most powerful agent in the

Care of innumerable diseases.
Hence the reason why we have commented on every side in its favor by men, women, and children. We find it doing wonders in the cure of

CONSUMPTION, PLEURISY, AND LIVER COMPLAINT, AND IN RHEUMATISM, SCROFULA, PILES, COSTIVENESS, ALL CUTANEOUS ERUPTIONS, PIMPLES, BLOTCHES, AND ALL AFFECTIONS ARISING FROM THE IMPURITY OF THE BLOOD.

It possesses a marvellous efficacy in all complaints arising from indigestion, from acidity of the stomach, from unequal circulation, determination of blood to the head, palpitation of the heart, cold feet and limbs, cold chills and hot flashes over the body. It has not its equal in Colds and Coughs; and promotes easy expectoration and gentle perspiration, relaxing stricture of the lungs, throat, and every other part.

But in nothing is its excellence more manifestly seen and acknowledged than in all kinds and sizes of

FEMALE COMPLAINTS.
It works wonders in cases of *Fleur-blanche* or Whites, Falling of the womb, Obstructed, Suppressed, or Painful Menstruation, Irregularity of the menstrual periods, and the like; and is as effectual in curing all the forms of *Edema*, Dropsy, and all swellings.

By removing obstructions, and regulating the general system, it gives tone and strength to the whole body, and thus cures all forms of

Nervous diseases and debility.
and thus prevents or relieves a great variety of other maladies, as *Spinal Irritation, Neuralgia, St. Vitus' Dance, Spasms, Epileptic Fits, Convulsions, &c.*

It cleanses the blood, restores the liver to healthy action, tones the stomach, and gives good digestion, relieves the bowels of torpor and constipation, always inflammation, purifies the skin, equalizes the circulation of the blood, restores the joints, and equally all over the body, and the insensible perspiration; relaxes all strictures and tightness, removes all obstructions, and invigorates the entire nervous system.

The medicine you pre-eminently need!
But can any of these things be said of S. P. Townsend's inferior article? This young man's liquid is not to be compared with the old Dr's, because of one GRAND FACT, that the one is INCAPABLE of DETERIORATION, and NEVER SPOILS,

while the other DOES; *spoiling, fermenting, and turning the bottle containing it into fragments; the sour, acid liquid exuding, and damaging other goods; must not this bottle contain poison to the system? What! put acid into a system already diseased with acid? What causes dyspepsia but acid? Do we not all know that when food is not properly digested, what mischief it produces? flatulence, heartburn, palpitation of the heart, liver complaint, diarrhoea, dysentery, colic, and corruption of the blood? What is Scrofula but an acid humor in the body? What produces all the humors which bring on Eruptions of the Skin, Scald Head, Salt Rheum, Erysipelas, White Swellings, Fever Swellings, and all vicarious eruptions, internal and external? It is nothing under heaven, but an acid substance, which sours, and thus spoils all the fluids of the body, more or less. What causes Rheumatism but a sour or acid fluid, which insinuates itself between the joints, and elsewhere, irritating and inflaming the delicate tissues upon which it acts? So of nervous diseases, of impurity of the blood, of deranged circulation, and nearly all the ailments which afflict human nature.*

Now is it not worthy to make and sell, and infinitely worse to use this

SOURING, FERMENTING, ACID "COMPOUND" OF S. P. TOWNSEND,
and yet he would fain have it understood that Old Dr. Jacob Townsend's *GENUINE ORIGINAL Sarsaparilla*, is an Imitation of his inferior preparation?

Heaven forbid that we should deal in an article which would bear the most distant resemblance to S. P. Townsend's article; and which should bring down upon the Old Dr. such a mountain load of complaints and eruptions from Agents who have sold, and purchasers who have used S. P. Townsend's FERMENTING COMPOUND.

We wish it understood, because it is the absolute truth, that S. P. Townsend's article and Old Dr. Jacob Townsend's Sarsaparilla are *leaves-wide apart, and infinitely dissimilar*; that they are unlike in every particular, having not one single thing in common.

As S. P. Townsend is no doctor, and never was, is no chemist, no pharmacist—knows no more of medicine or disease than any other common, unscientific, unprofessional man, what guarantee can the public have that they are receiving a genuine scientific medicine, containing all the virtues of the articles used in preparing it, and which are incapable of changes which might render them the AGENTS of Disease instead of health?

But what else should be expected from one, who knows nothing comparatively of medicine or disease? It requires a person of some experience to cook and serve up even a common decent meal. How much more important is it that the persons who use vitæfactive medicine, dedicated for

WEAK STOMACHS AND ENFERBED SYSTEMS,
should know well the medical properties of plants, the best means of securing and concentrating their healing virtues, and also an extensive knowledge of the various diseases which affect the human system, and how to adapt remedies to these diseases! It is in arrest from upon the unscientific, to pour him into wounded humanity, to kindle hope in the dissipating beams, to restore health and bloom, and vigor into the crushed and broken, and to launch infidelity that OLD DR. JACOB TOWNSEND use SAUGH and FOUND the opportunity and means to bring his

Grand Universal Concentrated Remedy
within the reach, and to the knowledge of all who need it, that they may learn and know, by their own experience, the **Transcendent Power to Heal.**

The testimony in its favor is overwhelming. The proprietors are daily in receipt of letters and certificates, going to prove its remarkable efficiency to all cases of worms, both in children and adults. Silence

That dreadful cough! The Lungs are in danger! The work of the destroyer hath begun. The cough of consumption hath in it a sound of Death!

Are you a mother? Your darling child, your idol and earthly joy, is now perhaps, confined to her chamber by a dangerous cold, her pale cheeks, her thin shrunken fingers, tell the blood disease has already gained upon her, the sound of her sepulchral cough pierces your soul.

Young man, when just about to enter life, disease sends a hear-crushing blight over the fair prospects of the future, your hectic cough and feeble limbs tell of your loss of hope, but you need not despair. There is a balm which will heal the wounded lungs, it is

SHERMAN'S ALL-HEALING BALSAM.
Mrs. Attree, the wife of Wm. H. Attree, Esq., was given up by Dr. Sewall of Washington, Drs. Roe and McClellan of Philadelphia, Dr. Roe and Dr. Mott of New York. Her friends all thought she must die. She had every appearance of being in consumption, and was so pronounced by her physicians—Sherman's Balsam was given and it cured her.

Mrs. Garrabrantz, of Bull's Ferry, was also cured of consumption by this Balsam when all other remedies failed to give relief—she was reduced to a skeleton. Dr. A. C. Castle, Dentist, 281 Broadway, has witnessed its effects in several cases where no other medicine afforded relief—but the Balsam operated like a charm. Dr. C. also witnessed its wonderful effects in curing Asthma, which it never fails of doing. Spitting Blood, alarming as it may be, is effectually cured by this Balsam. It heals the ruptured or wounded blood vessels, and makes the lungs sound again.

Rev. Henry Jones, 108 Eighth avenue, was cured of cough and catarrhal affection of 50 years standing. The first dose gave him more relief than all the other medicine he had ever taken. Dr. L. J. Beals, 19 Delancy-street, gave it to a sister-in-law who was laboring under Consumption, and to another sorely afflicted with the Asthma. In both cases its effects were immediate, soon restoring them to comfortable health.

Mrs. Lchreia Wells, 95 Christie-st. suffered from Asthma 42 years. Sherman's Balsam relieved her at once, and she is comparatively well, being enabled to subdue every attack by a timely use of this medicine. This indeed is the great remedy for Coughs, Colds, Spitting Blood, Liver Complaints, and all the affections of the throat, and even Asthma and Consumption.

M'Alister's All-Healing Ointment, Or, The World's Salve.

Contains no Mercury or other Mineral.
From the Reading Eagle.

There was never, perhaps, a medicine brought before the public, that has in so short a time won such a reputation as M'ALLISTER'S ALL-HEALING OR WORLD'S SALVE. Almost every person that has made trial of it speaks warmly in its praise. One has been cured by it, of the most painful Rheumatism, another of the Piles, a third of a troublesome pain in the limbs, &c., &c. If it does not give immediate relief, in every case, it can do no injury, being applied outwardly. As another evidence of the wonderful healing power possessed by this salve, we subjoin the following certificate, from a respectable citizen of Maiden-creek township in this county:

MAIDEN-CREEK, Berks Co., March 30, 1847.
Messrs. Ritter & Co.—I desire to inform you that I was entirely cured of a severe pain in the back, by the use of M'Alister's All-Healing Salve, which I purchased from you. I suffered with it for about 20 years, and at night was unable to sleep. During that time I tried various remedies, which were prescribed for me by physicians and other persons, without receiving any relief, and at last made trial of this Salve, with a result favorable beyond expectation. I am now entirely free from the pain, and enjoy at night a peaceful and sweet sleep. I have also used the Salve since for other complaints, with similar happy results.
Your friend,
JOHN HOLDINBACH.

Raising Blood
And Consumption, pain in the side and night sweats, Asthma, Whooping Cough, palpitation of the heart, Liver complaint, Bronchitis, And all diseases of the throat, lungs and liver, cured by Sherman's All-Healing Balsam.

RAISING BLOOD AND CONSUMPTION.
Mr. Milne, Builder, in Brooklyn, was attacked with raising blood, followed by a cough, pain in the side, and all the usual symptoms of consumption. He employed two of the best physicians; they did him no good, and told him he could not live.

Hearing of the wonderful cures performed by Sherman's Balsam, he sent at 10 o'clock at night to Mrs. Hayes, 136 Fulton street, and got a bottle; it operated like a charm, stopped the bleeding and cough! Before he had taken one bottle he was able to be about his work. It had saved his life. His daughter, residing at 127 Myrtle Avenue, can attest it.

Miss Ann Maston, of Williamsburg, living in Tenth, near South Fourth-street, says—That she had been troubled with a hacking cough, and pain in the chest, for a long time, which at last became so bad that she was obliged to give up her school for more than a year. She then commenced taking the All-Healing Balsam—which soon alleviated her symptoms. She is now fast recovering, and has resumed her laborious occupation as a teacher.

14 years Mr. John O'Neil, 10th avenue and 21st street, suffered with a cough, raising of phlegm, and pain in his side. He could get no relief till he tried the All-Healing Balsam, which drove the pain from his side, allayed the cough, and brought the disease upon the surface; and before he had taken three bottles, was entirely cured.

PLEURISY AND CONSUMPTION.
Mrs. Baggas, a lady upwards of 70, residing 88 Sheriff, has for years been subject to attacks of Pleurisy, Raising of Blood, severe Cough, Shortness of Breath, Pain in her Head and various parts of her body. Doct.'r Townsend's Sarsaparilla.
Wonder and Blessing of the Age.

The most Extraordinary Medicine in the World. This Extract is put up in Quart Bottles: It is 1812 times cleaner, pleasanter, and warranted superior to any sold. It cures without vomiting, purging, sickening or debilitating the Patient.

The great beauty and superiority of this Sarsaparilla over all other medicines is, that while it eradicates, it invigorates the body. It is one of the very best

SPRING AND SUMMER MEDICINES
Ever known; it not only purifies the whole system, and strengthens the person, but it creates a pure and rich blood: a power possessed by no other medicine. And in this lies the grand secret of its wonderful success. It has performed within the last five years, more than 100,000 cures of severe cases of disease; at least 15,000 considered incurable. It has saved the lives of more than 5,000 children during the two past seasons

10,000 cases of General Debility and want of Nervous Energy.

Dr. Townsend's Sarsaparilla invigorates the whole system permanently. To those who have lost their muscular energy by the effects of medicine or indiscretion committed in youth, or the excessive indulgence of the passions, and brought on a general physical prostration of the nervous system, lassitude, want of ambition, fainting sensation, premature decay and decline, hastening towards that fatal disease, Consumption, can be entirely restored by this pleasant remedy. This Sarsaparilla is far superior to any

Invigorating Cordial,
As it renews and invigorates the system, gives activity to the limbs, and strength to the muscular system, in a most extraordinary degree.

Consumption Cured.
Cleanse and Strengthen. Consumption can be cured: Bleachitis, Consumption, Liver Complaint, Colic, Catarrh, Coughs, Asthma, Spitting of blood, Soreness in the Chest, Heetic Flush, Night Sweats, Difficult or Profuse Expectoration, Pain in the Side, &c., have been and can be cured.

Spitting Blood.
New York, April 28, 1847.
Dr. Townsend—I verily believe that your Sarsaparilla has been the means, through Providence, of saving my life. I have for several years had a bad Cough. It became worse and worse. At last I raised large quantities of blood, had night Sweats, and was greatly debilitated and reduced, and did not expect to live. I have only used your Sarsaparilla a short time, and there has a wonderful change been wrought in me. I am now able to walk all over the city. I raise no blood, and my cough has left me. You can well imagine that I am thankful for these results.

Your obedient servant,
WM RUSSELL, 65 Catherine-st
Rheumatism.

This is only one of more than four thousand cases of Rheumatism that Dr. Townsend's Sarsaparilla has cured. The most severe and chronic cases are weekly eradicated by its extraordinary virtues.

James Cummings, Esq., one of the assistants in the Lunatic Asylum, Blackwell's Island, is the gentleman spoken of in the following letter:

Blackwell's Island, Sept. 14, 1847.
Dr. Townsend—Dear Sir: I have suffered terribly for nine years with the Rheumatism; considerable of the time I could not eat, sleep or walk. I had the utmost distressing pains, and my limbs were terribly swollen. I have used four bottles of your Sarsaparilla, and they have done me more than one thousand dollars worth of good. I am so much better—indeed, I am entirely relieved. You are at liberty to use this for the benefit of the afflicted. Yours resp'y, JAS. CUMMINGS.

Fits! Fits! Fits!
Dr. Townsend! not having tested his Sarsaparilla in cases of Fits, of course never recommended it, and was surprised to receive the following from an intelligent and respectable Farmer in Westchester County:

Fordham, August 13, 1847.
Dr. Townsend—Dear Sir: I have a little girl seven years of age, who has been several years afflicted with Fits; we tried almost everything for her, but without success; at last, although we could find no recommendations in our circulars for cases like hers, we thought, as she was in very delicate health, we would give her some of your Sarsaparilla, and are very glad we did, for it not only restored her strength, but she has had no return of the Fits, to our great pleasure and surprise. She is fast becoming rugged and hearty, for which we feel grateful. Yours respectfully, JOHN BUTLER, Jr.

Female Medicine.
Dr. Townsend's Sarsaparilla is a sovereign and speedy cure for Incipient Consumption, Rheumatism, Protrusion Uteri, or Falling of the Womb, Costiveness, Piles, Leucorrhoea, or Whites, obstructed or difficult Menstruation, Incontinence of Urine, or involuntary discharge thereof, and for the general prostration of the system—no matter whether the result of inherent cause or cause produced by irregularity, illness or accident. Nothing can be more surprising than its invigorating effects on the human frame. Persons all weakness and lassitude, from taking it, at once become robust and full of energy under its influence. It immediately counteracts the nervousness of the female frame, which is the great cause of Barrenness. It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed but we can assure the afflicted that hundreds of cases have been reported by thousands of cases where families have been without children, after using a few bottles of this invaluable medicine, have been blessed with healthy offspring.

Principal Office, 126 Fulton Street, New York; Building, N. Y.; Redding & Co., 8 S. 1st street Boston; Dyott & Sons, 132 North Second-st Philadelphia; S. S. Hancock, Druggist, Baltimore; P. M.
