SAMUEL S. DREHER, Auditor. January 17, 1850.

NOTICE.

The undersigned respectfully informs the people of this county, that he will be at David Keller's Hotel, in Stroudsburg, till the last of February next-his attention will be given principally to all operations for preserving and beautifying the natural teeth. All persons having operations performed, will also receive advice in reference to the care of the teeth, the general health, and the cure of bad breath, from whatever cause arising. The great importance of the teeth for purposes of mastication and speech, contributing to the charms of beauty, and when lost detracting therefrom; and, to avoid that "hell o' a' diseases," should induce especially the young to have them attended to. My practice in this county already speaks for itself. My prices are the lowest for which good service can be done-no variation, except gratis in case of the poor.

Let no unpracticed hand guide the steel, Whose polished point must carry wo or weal. I shall be in this county often enough to attend to all matters in my profession.

The testimony in its favor is overwhelming. The proprietors are daily in receipt of letters and certificates, going to prove its remarkable efficiency to all cases of worms, both in children and adults. The relief given, and the immediate improvement of health which follows its use, has called the attention of physicians to this article, and they freely recommend and prescribe it in their practice.

The retail price is 25 cents per vial, which brings it within the means of all. Brooklyn, L. I. January 16, 1847.

I do certify that I gave one bottle of B. A. Fahnestock's Vermifuge to my child, and in seven hours it passed 23 large worms. Any person doubting this may apply for further information at my residence corner of York and Jackson streets. JAMES McCAFFREY. Poughkeepsie, N. Y. March 2, 1844.

I certify, that I took two vials of B. A. Fahnestock's Vermifuge, which I found to be the greatest cure for worms I have ever used.
