A positive and never-failing remedy for | That dreadful cough ! The Lungs are in danger ! The work of the destroyer hath begun. The cough of consumption hath in it sounds of Death !

Are you a mother ? Your darling child, your idol and earthly joy, is now perhaps, confined to her chamber by a dangerous cold, her pale cheeks, her thin shrunken fingers, tell the hlod disease has already gamed upon her, the sound of her sepulchral cough pierces your soul.

Young man, when just about to enter life, disease sends a hear-crushing blight over the fair prospects of the future, your hectic cough and feeble limbs tell of your loss of hope, but you need not despair. There is a balm which will heal the wounded lungs, it is

SHERMAN'S ALL-HEALING BALSAM

Mrs Attree, he wile of Wm. H. Attree, Esq., was given up by Dr. Sewall of Washington, Drs. Roe and McClellan of Philadelphia, Dr. Roe and Dr. Mott of New York, Her friends pearance of being in consumption, and was so pronounced by her physicians --- Sherman's Balsam was given and it cured her

Mrs. Garrabraniz, of Bull's Ferry, was also cured of consumption by this Balsam when all other remedies failed to give relief-she was reduced to a skelton. Dr. A. C. Castle, Dentist , 281 Broadway, has witnessed its effects in several cases where no other medicine afforded relief --- but the Balsam operated like a charm. Dr. C. also witnessed its wonderful effects in curing Asthma, which it never fails of doing. Spitting Blood, alarming as it may be, is effectually cured by this Balsam. It

heals the ruptured or wounded blood vessels, and makes the lungs sound again.

Rev. Henry Jones, 108 Eighth avenue, was cured of cough and catarthal affection of 50 years standing. The first dose gave him more relief than all the other medicine he had ever taken. Dr. L. J. Beals, 19 Delancy-street, gave it to a sister-inlaw who was laboring under Consumption, and to another sorely afflicted with the Asthma. In both cases its effects were immediate, soon restoring them to comfortable health.

Mrs. Lchretia Wells, 95 Christie-st. suffered from Asthma 42 years. Sherman's Balsam relieved her at once, and she is comparatively well, being enabled to subdue every attack by a timely use of this medicine. This indeed is

the great remedy for Coughs, Colds, Spitting Blood, Liver Complaints, and all the affections of the throat, and even Asthma and Consump-

MOFFATS

Life Pills and Phœnix Bitters.

These Medicines have now been before the public for a period of FIFTEEN YEARS, and during that time have maintained a high character in almost every part of the globe for their extraordinary and immediate power of restoring perfect health to persons suffering under nearly every kind of disease to which the human frame is liable.

IN MANY THOUSANDS

of certificated instances, they have even rescued sufferers from the very verge of an untimely grave, after all the deceptive nostrums of the day had utterly failed ; and to many thousands they have permanently secured that uniform enjoyment of health, without which life itself is but a partial blessing. So great, indeed, has their efficacy invariably and infallibly proved, that it has appeared scarcely less than miraculous to those who were acquainted with the beautifully philosophical principles upon which they are compounded, and upon which they consequently act. It was to their manifest and sensible action in purifying the springs and channels of life, and enduing them with renewed tone and vigor, that they were indebted for their name.

Unlike the host of pernicious quackeries which boast of vegetable ingredients, the LIFE MEDI-CINES are purely and solely vegetable; and contain neither Mercury, nor Antimony, nor Arsenic, nor any other mineral, in any form whatever. They are entirely composed of extracts from rare and powerful plants, the virtues of which, though long known to several Indian tribes, and recently to some eminent pharmaceutical chemists, are altogether unknown to the ignorant pretenders to medical science ; and were never before administered in so happily efficacious a combination.

The first operation is to loosen from the coats of the stomach and bowels the various impurities and crudities constantly settling round them ; and to remove the hardened faces which collect in the convolutions of the small intestines. Other medicines only partially cleanse these, and leave such collected masses behind to produce habitual Costiveness, with all its train of evils, or sudden Diarrhœa with its imminent dangers. This fact is well-known to all regular anatomists who examine the human bowels after death ; and hence the prejudice of these well-informed men against the quack medicines of the age. The second effect of the VEGETABLE LIFE MEDI-CINES is to cleanse the kidneys and the bladder; and, by this means, the liver and lungs, the healthful action of which entirely depends upon the regularity of the urinary organs. The blood, which takes its red color from the agency of the liver and lungs, before it passes into the heart, being thus purified by them, and nourished by food coming from a clean stomach, courses treely through the veins, renews every part of the system, and triumphantly mounts the banner of health in the blooming cheek.

The following are among the distressing variety of human diseases in which the VEGE-

A man by the name of OJ. IPP has engaged with a young man of the name of S. P. Townsend, and uses his name to put up a Sarsaparilla, which they call Dr. Townsend's Sarsaparilla, denominating it GENUINE, Original, etc. This Townsend is no doctor, and never was; but was formerly a worker on rail roads, canals, and the like. Yet he assumes the title of Dr., for the purpose of gaining credit for what he is not. This is to cantion the public not to be deceived, and purchase none but the GENUINE ORIGINAL OLD Dr. Jacob Townsend's Saraparilla, having on it the O'd Dr's. likeness, his family coat of urins, and his signature across the coat of arms.

OLD DR. JACOB TOWNSEND THE ORIGINAL DISCOVERER OF THE

Genuine Townsend Sarsaparilla.

Old Dr. Townsend is now about 70 years of age, and has long seen known as the AUTHOR and DISCOVERER of the GENUINE ORIGINAL " TOWNSEND SARSAPARIL L.A." Being poor, he was compelled to limit its monufacture, by which means it has been kept out of market, and the sales cir cumscribed to those only who had proved its worth, and known is value. It had reached the cars of many, nevertheless, as those persons who had been healed of sore discuses, and saved from death, proclaimed its excellence and wonderful

HEALING POWER. Knowing, many years ago, that he had, by his skill, science and experience, devised an article which would be of incalcuable advantage to mankind when the means would be furalshed to bring it into universal notice, when its inestimable virtues would be known and appreciated. This time has come. the means are supplied ; this

GRAND AND UNEQUALLED PREPARATION s manufactured on the largest scale, and is called for through out the length and breadth of the land, especially as it is found incapable of degeneration or deterioration. Unlike young S. P. Townsend's, it improves with age, and

never changes, but for the better ; because it is prepared on scien tifs principles by a scientific man. The highest knowledge of Chemistry, and the intest discoveries of the art, have all been brough, no requisition in the manufecture of the Old Dr's Sarsapar.lia. The Sarapariils root, it is well known to medica? men, contains many medicinal properties, and some properties which are inert or useless, and others, which if retained in preparing it for use, produce fermentation and acid, which is inpurious to the system. Some of the properties of Sarsaparilla are so volatile, that they entirely evaporate and are to t in the preparation, if they are not preserved by a scientific precess known only to those experienced in its manufacture. Moreover, these volatile principles, which fly off in vapor, or as an exhalation, under heat, are the very essential medical properties of the coot, which give to it r . its value.

SULLAG, FERMENTING, ACID "COMPOUND" OF S. P. TOWNSEND,

and yet he would tun in we it understood that Old fir. Jacob Townsend's Genuine Original Sprinparilla, is an IMITATION of his interior preparation !!

Dr. Townsend-Dear Sir: I have a little girl seven years of age, who has been several years afflicted with Fits; we tried almost everything for her, but without success ; at last dthouch we could find no recommendation in your circulars or cases like hers, we thought, as she was in very delicate he dth, we would give her some of your Sarsaparil'a and are very glad we did, for it not only restored her strength, but she has had no return of the Fits to our great pleasure and sur-press. She is fast becoming rugged and healthy, for which we inel grateful. Yours, respectfully,

Female Medicines.

Dr. Townsend's Sarsaparilla is a sovereign and speedy cure or Incident Consumption, Barrenness, Prolapsus Uteri, or ing of the Womb Costiveness, Piles, Lencorrhom, or Visites, o structed or difficult Menstruation, Incontinence of Usine, or involuntary discharge thereof, and for the general prostration of the system-up matter whether the result of inherent cause or causes, produced by irregularity, illness scendent. Noticing can be more surprising than its iny go along effects on the human frame. Persons all weakness in-situate from taking it, at once become robust and full energy under its influence. It immediately counteracts e nervelessness of the female frame, which is the great cause of Barrenness. It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed, but we can assure the afflicted, that hundreds of cases have been reported to us. Thousands of cases where families have there without children, after using a few bottles of this invalua-the Medicine, have been blessed with fine, healthy offspring.

Great Blessing to Mothers and Children.

it is the safest and most effectual medicine for purifying the hirth ever discovered. It strongthens both the mother and the child, prevents pain and disease, increases and enriches the food; those who have used it, thick it is indispensa ble. It is highly useful both before and after confinement as it prevents dischors attendant upon child-birth-in Cos-Parameter Sealling of the Feet, Despondency, Park and Luins Fairs Pains

in the range, such as regarding the secretions and equalizing the mulation, it has up equal. The great beauty of this medicate is, it is always safe, and the most delicate use it nost successfally, very few cases require any other mediine in some a little Custor Oil, or Marnesia is useful. Exerc se in the open air, and light food with this medicine, will dways secure a safe and easy confinement.

Beauty and Health.

Cosmetics, Chalk, and a variety of preparations generally i. u.e. when applied to the face, very soon speil it of its beau y. The close the pores of the skin, and check the circulation, which, when nature is not thwarted by disease of powder, or the skin inflamed by the alkalies used in soaps, beau-ifies its own production in the "human face Divine," as well as in the garden of rich and delicately tinted variegated flowers. A free, active and healthy circulation of the fluids, or the coursing of the pure, rich blood, to the extremities, is that which paints the countenance in the most exquisite beauty. It is that which imparts the indescribable shades and flashes of loveliness that all admire, but none can describe. This beauty is the offspring of nature-not of powder or soap. If there is not a free and hea'thy circulation there is no beauty. If the lady is fair as driven snow, if she paints, and use cosmetics, and the blood is thick, cold and impure, she is not beautiful. If she be brown or yellow, and there is pure and active blood, it gives a rich bloom to the checks, and a brilliancy to their eyes that is fascinating.

This is why the southern, and especially the Spanish ladies, are so much admired. Ladies in the north, who take but lutle exer ise, or are confined in close rooms, or have spoiled their complex on by the application of deleterious mixtures. if they wish to regain elasticity of step, buoyant spirits, sparkling eyes and beautiful complexion, they should use Dr. Townsend's Sarsaparilla. Thousands who have tried it, are more than satisfied, are delighted. Ladies of every station crowd our office daily.

The Rev. John Seger

Of Jersey City, an old and highly respectable clergyman

of the Baptist denomination, handed in the following certificate at Dr. Townsend's office. It speaks for itself. Dr. Townsend—Dear Sir: I am constrained to give you a statement of the benefit I derived from using your Sarsaparilla, believing, by so doing, I shall render a benefit to those who are auffering as I have been. I was reduced for many who are suffering as I have been. I was reduced for many months by the Dyspepsia, so much that it was with much dif-ficulty for me to walk or keep about. I had also a tetter, which covered the most part of my head-which was ex tremely troublesome and sore ; it got to be almost a scab. used quite a number of remedies for both the complaints, but received little or no benefit, until I took your Sarsaparilla. which, through the kindness of Providence, has restored me to more than my usual health, as I am now enjoying better than I have for a number of years. I am now 60 years of age. I believe it to be an invaluable medicine, and recommend it to my numerous acquaintances, which is very larre, as I have been a minister a great many years. I hope this hasty sketch may be as much benefit to you as your medicine has to me. JOHN SEGER, Jersey City. July 11, 1847.

There was never, perhaps, a medicine brought before the public, that has in so short a time won such a reputation as M'ALLISTER'S ALL-HEALING OR WORLD SALVE. Almost every person that has made trial of it speaks warmly in its praise. One has been cured by it, of the And Consumption, pain in the side and night most painful Rheumatism, another of the Piles, a third of a troublesome pain in the limbs, &c., &c. If it does not give immediate relief, in every case, it can do no injury, being applied outwardly. As another evidence of the wonderful healing power possessed by this salve, we subjoin the following certificate, from a respectable citizen of Maidencreek township in this county :

MAIDENCREEK, Berks Co., March 30, 18.7. Messis. Ritter & Co .-- I desire to inform you that I was entirely cured of a severe pain in the back, by the use of M'Allisters All-Healing Salve, which I purhhased from you. I suffered with it for about 20 years, and at night was unable to sleep. During that time I tried various remedies, which were prescribed for me by physicians and other persons, without receiving any relief, and at last made trial of this Salve, with a result fa- got a bottle ; it operated like a charm, stopped vorable beyond expectation. TABLE LIFE MEDICINES are well known to be infallible.

DYSPEPSIA, by thoroughly cleansing the first and second stomachs, and creating a flow of pure healthy bile, instead of the stale and acrid kind ; Flatulency, Loss of APPETITE, HEART-BURN, HEADACHE, RESTLESSNESS, ILL-TEMPER, ANXIETY, LANGUOR, and MELANCHOLY, which are the general symptoms of Dyspepsia, will vanish, as a natural consequence of its cure,

Costiveness, by cleansing the whole length of the intestines with a solvent process, and without violence; all violent purges leave the bowels costive within two days.

Diarrhœa and Cholera, by removing the sharp acrid fluids by which these complaints are occasioned, and by promoting the lubricative seoretion of the mucous membrane.

Fevers of an knocs, by restoring the blood to a regular circulation, through the process of perspiration in such cases, and the thorough solution of all intestinal obstruction in others.

The LIFE MEDICINES have been known to cure Rheumatism permanently in three weeks, and Gout in half that time, by removing local inflammation from the neuscles and ligaments of the joints.

Dropsies of all kinds, by freeing and strengthening the kidneys and bladder : they operate most delightfully on these important organs, and hence have ever been found a certain remedy for the

worst cases of Gravel. Also Worms, by dislodging from the turnings of the bowels the slimy matter to which these creatures adhere.

Asthma and Consumption, by relieving the air-vessels of the lungs from the mucous which even slight colds will occasion, and which, if not removed, becomes hardened, and produces these dreadful diseases.

The use of these Pills for a very short time will effect an entire cure of Salt Rheum, and a striking improvement in the clearness of the skin. Common Colds and Influenza will always be cured by one dose, or by two even in the worst cases

PILES. As a remedy for this most distressing and obstinate malady, the VEGETABLE LIFE MEDICINES deserve a distinct and emphatic recommendation. It is well-known to hundreds in this city, that the former proprietor of these valuable Medicines was himself afflicted with this compaint for upwards of THIRTY-FIVE YEARS ; and that he tried in vain every remedy prescribed within the whole compass of the Materia Medica. He however at length tried the Medicine which is now offered to the public, and he was cured in a very short time, after his recovery had been pronounced not only improbable, but absolutely impossible, by any human means.
