Mutual Fire Insurance Company. The rate of Insurance is one dollar on the housand dollars insured, after which payment no subsequent tax will be levied, except to cover actual loss or damage by fire, that may fall upon members of the company.

The nett profits arising from interest or otherwise, will be ascertained yearly, for which each member in proportion to his, her, or their deposite, will have a credit in the company .--Each insurer in or with the said company will be a member thereof during the term of his or her policy. The principle of Mutual Insurance has been thoroughly tested-has been tried by the unerring test of experience, and has proved successful and become very popular. It affords the greatest security against loss or damage by fire, on the most advantageous and reasonable terms.

Applications for Insurance to be made in person, or by letters addressed to

January 10, 1850.

The testimony in its favor is overwhelming. The proprietors are daily in receipt of letters and certificates, going to prove its remarkable efficiency to all cases of worms, both in children and adults. The relief given, and the immediate improvement of health which follows its use, has called the attention of physicians to this article, and they freely recommend and prescribe it in their practice.

The retail price is 25 cents per vial, which rings it within the means of all.

Brooklyn, L. I. January 16, 1847. I do certify that I gave one bottle of B. A. Fahnestock's Vermifuge to my child, and in seven hours it passed 23 large worms. Any person doubting this may apply for further information at my residence corner of York and Jackson streets. JAMES McCAFFREY.

Poughkeepsie, N. Y. March 2, 1844. I certify, that I took two vials of B. A. Fahnestock's Vermifuge, which I found to be the greatest cure for worms I have ever used. .. I have been troubled with tape worms for a number of years, and I have never found so good a medicine as B. A. Fahnestock's Vermifuge. I therefore recommend it. MARTHA CLIFT.

The public is cautioned against counterfeits and spurious articles, and to put no confidence next, at the Commissioner's office, in Strouds- in statements that "Kolmstock's" and "S. Fahnestock's" Vermifuge are the same or as good as the only genuine article, which is B. A. FAHNESTOCK'S VERMIFUGE.
