SARSAPARILLA

The most Wonderful Medicine of the Age
1,500,000 BOTTLES MANUFACTURED YEARLY

Dr. S. P. TOWNSEND'S COMPOUND EXTRACT OF SARSAPARILLA

EXPOSE

BY READING THE FOLLOWING AFFIDAVIT—the Public will learn the origin, or rather where to judge for making the stuff they call Old Dr. Jacob Townsend's SARSAPARILLA, and how they will be able to judge which is the genuine and original, and of the honesty of the men who are employed in selling it as the original Dr. Townsend's SARSAPARILLA. Dr. S. P. Townsend was the original proprietor and inventor of Dr. Townsend's SARSAPARILLA, and his medicine has gained a reputation that no other remedy ever gained. He manufactured over one million bottles last year, and is manufacturing at present 5,000 bottles per day. We use now SARSAPARILLA and Yellow Dock in our establishment each day, than all the other SARSAPARILLA Manufacturers in the world. Principal Office, 126 Fulton-st.

READ THE AFFIDAVIT.

City and County of New-York, ss.
William Armstrong, of the said City, being duly sworn, doth depose and say that he is a practical Druggist and Chemist, that some time in the latter part of May, or first of June, 1844, a man by the name of Jacob Townsend, who at that time was a book and pamphlet peddler, called upon him at the house of Mr. Thompson, No. 42 West Broadway, where he boarded, and requested him to write him a receipt by which to make a Syrup of SARSAPARILLA. Townsend further says, that he acquainted with said Townsend at the office of Theodore Foster, Esq., Book Publisher, with whom said Townsend dealt. That said Townsend had frequent conversations with him, and that he had seen an article of SARSAPARILLA to be sold under the name of Dr. Jacob Townsend.

That said Townsend stated he was an old man, and poor, and was not fit for hard labor—and wished to make some money, in order to live easy in his old days, and that if SARSAPARILLA under the name of Townsend sold so well, and so much money was made by it, he could see no reason why he might not make something out of it too, (his name being Townsend), if he could get a capable person to prepare a receipt, and manufacture it for him, and he would be glad to give him the amount of the capital—said Townsend also told him that the bottles they were to use were to be of the same size and shape as Dr. S. P. Townsend's, and that he would be glad to give him the amount of the capital—said Townsend also told him that he had been informed, and verily believes the Syrup of SARSAPARILLA, sold as Old Jacob Townsend's, is made after the recipe furnished by Dr. Jacob Townsend, as aforesaid.

And further deponent saith not.

WILLIAM ARMSTRONG.
Sworn to before me, this 21st day of May, 1849.

C. S. WOODHULL,
Mayor of the City of New York.

PROOF!!! PROOF!!!

Here is proof conclusive that Dr. S. P. Townsend's SARSAPARILLA is the original. The following is from some of the most respectable papers in this State.

FROM THE
New York Daily Tribune.

“We published an advertisement inadvertently some time since, in which we did injustice to Dr. S. P. Townsend, who is the original proprietor of the preparation of SARSAPARILLA known as Dr. Townsend's. Other parties have within the past few months engaged or connected themselves with the name of Dr. Townsend who put up a medicine and calls it by the same name. This medicine was advertised in *The Tribune* as the original. This advertisement also contained matter, and was in the character of Dr. S. P. Townsend and that of his medicine. We regret it appeared, and in justice to the Dr. make this explanation.

FROM THE
New York Daily Sun.

“Dr. Townsend's extraordinary advertisement, which occupies an entire page, will not escape notice. Dr. S. P. Townsend, who is the original proprietor of Dr. Townsend's SARSAPARILLA, and whose office is next door to the City Hall, has been for several years, in driving an immense business. He receives not less than four hundred dozen of SARSAPARILLA per day, and even this enormous quantity does not supply the demand. No medicine ever gained so great a popularity as his preparation of the SARSAPARILLA. His edition of Almanacs for 1849 cost \$22,000, and he has sold the New York Sun for advertising in the last four years, over \$10,000, and he acknowledges that it is the cheapest advertising he has had done. This medicine is exported to the Canada, West Indies, South America, and Europe, in enormous quantities, and is coming into general use in those countries, as well as here.

Swindlers.

Druggists and others who sell SARSAPARILLA for the genuine and original Dr. Townsend's SARSAPARILLA, that is not signed by S. P. Townsend, commits a fraud, and swindles the customers. Men that would be guilty of such an act, would commit any other fraud—and no Druggist of common intelligence but knows that ours is the only genuine.

Old Jacob Townsend.

Some people are not well informed, and have read the papers, and then seen our advertisements, have been led to suppose, that because these men advertise their stuff as “Old Jacob Townsend's,” that it must of course, be the original. It is less than one year since they commenced to make their medicine. Ours has been in the market over ten years.

This Old Jacob Townsend.

They are endeavoring to palm off on the public as an old Physician, &c. He is a regular educated Physician, and never attempted to manufacture a medicine, until these men hired him for the use of his name. They say they do not wish the people to believe that their SARSAPARILLA is ours, but they know the better to deceive the public, they at the same time assert that their is the Old Dr. Townsend's, and the original; and make the people believe that the stuff they manufacture, is the Dr. Townsend's SARSAPARILLA, that has performed so many wonderful cures for the past ten years, and which has gained a reputation which no other medicine ever enjoyed, which is a base, villainous, unprincipled falsehood. We have commenced suits against these men for damages. We wish it that the old man is no relation to Dr. Townsend whatever. In their advertisements and circulars, they publish a number of gross falsehoods respecting Dr. Townsend, which we will not notice.

False Reports.

Our opponents have published in the papers, that Dr. S. P. Townsend is dead. This they tend to their agents about the country, who report that we have given up business, &c. &c. The public should be on their guard, and not be deceived by these unprincipled men.

Notice of Removal.—After the first of September, 1849, Dr. S. P. Townsend's New York Office will be in the South Baptist Church, No. 83 Nassau-street, which is now undergoing a thorough change, and will be fitted for the better accommodation of the proprietors and the public.

Take particular Notice.—No SARSAPARILLA is the genuine and original Dr. Townsend's SARSAPARILLA, unless signed by S. P. Townsend.

M'Allister's All-Heating Ointment, Or, The World's Salve.
Contains no Mercury or other Mineral.

There was never, perhaps, a medicine brought before the public, that has in so short a time won such a reputation as M'ALLISTER'S ALL-HEATING OR WORLD-SALVE. Almost every person that has made trial of it speaks warmly in its praise. One has been cured by it, of the most painful Rheumatism, another of the Piles, a third of a troublesome pain in the limbs, &c., &c. If it does not give immediate relief, in every case, it can do no injury, being applied outwardly.

As another evidence of the wonderful healing power possessed by this salve, we subjoin the following certificate, from a respectable citizen of Maiden-creek township in this county:

MAIDENCREK, BERKS Co., March 30, 1847.

Messrs. Ritter & Co.—I desire to inform you that I was entirely cured of a severe pain in the back, by the use of M'Allister's All-Heating Salve, which I purchased from you. I suffered with it for about 20 years, and at night was unable to sleep. During that time I tried various remedies, which were prescribed for me by physicians and other persons, without receiving any relief, and at last made trial of this Salve, with a result favorable beyond expectation. I am now entirely free from the pain, and enjoy at night a peaceful and sweet sleep. I have also used the Salve since for other complaints, with similar happy results.

Your friend,
JOHN HOLDINBACH.

Silence

That dreadful cough! The Lungs are in danger! The work of the destroyer hath begun. The cough of consumption hath in it sounds of Death!

Are you a mother? Your darling child, your idol and earthly joy, is now perhaps, confined to her chamber by a dangerous cold, her pale cheeks, her thin shrunken fingers, tell the hideous disease has already gained upon her, the sound of her sepulchral cough pierces your soul.

Young man, when just about to enter life, disease sends a hear-crushing blight over the fair prospects of the future, your hectic cough and feeble limbs tell of your loss of hope, but you need not despair. There is a balm which will heal the wounded lungs, it is **SHERMAN'S ALL-HEALING BALSAM.**

Mrs. Attree, the wife of Wm. H. Attree, Esq., was given up by Dr. Sewall of Washington, Drs. Roe and McClellan of Philadelphia, Dr. Roe and Dr. Mott of New York. Her friends all thought she must die. She had every appearance of being in consumption, and was so pronounced by her physicians—Sherman's Balsam was given and it cured her.

Mrs. Garrison, of Bull's Ferry, was also cured of consumption by this Balsam when all other remedies failed to give relief—she was reduced to a skeleton. Dr. A. C. Castle, Dentist, 251 Broadway, has witnessed its effects in several cases where no other medicine afforded relief—but the Balsam operated like a charm. Dr. C. also witnessed its wonderful effects in curing Asthma, which it never fails of doing. Spitting Blood, alarming as it may be, is effectually cured by this Balsam. It heals the ruptured or wounded blood vessels, and makes the lungs sound again.

Rev. Henry Jones, 108 Eighth avenue, was cured of cough and catarrhal affection of 50 years standing. The first dose gave him more relief than all the other medicine he had ever taken. Dr. L. J. Beals, 19 Delancy-street, gave it to a sister-in-law who was laboring under Consumption, and to another sorely afflicted with the Asthma. In both cases its effects were immediate, soon restoring them to comfortable health.

Mrs. Loretta Wells, 95 Christie-st. suffered from Asthma 42 years. Sherman's Balsam relieved her at once, and she is comparatively well, being enabled to subdue every attack by a timely use of this medicine. This indeed is the great remedy for Coughs, Colds, Spitting Blood, Liver Complaints, and all the affections of the throat, and even Asthma and Consumption.

Raising Blood

And Consumption, pain in the side and night sweats, Asthma, Whooping Cough, palpitation of the heart, Liver complaint, Bronchitis, And all diseases of the throat, lungs and liver, cured by Sherman's All-Healing Balsam.

RAISING BLOOD AND CONSUMPTION
Mr. Milne, Builder, in Brookfyn, was attacked with raising blood, followed by a cough, pain in the side, and all the usual symptoms of consumption. He employed two of the best physicians; they did him no good, and told him he could not live.

Hearing of the wonderful cures performed by Sherman's Balsam, he sent at 10 o'clock at night to Mrs. Hayes, 136 Fulton street, and got a bottle; it operated like a charm, stopped the bleeding and cough! Before he had taken one bottle he was able to be about his work. It had saved his life. His daughter, residing at 127 Myrtle Avenue, can attest it.

Miss Ann Maston, of Williamsburg, living in Tenth, near South Fourth-street, says—That she had been troubled with a hacking cough, and pain in the chest, for a long time, which at last became so bad that she was obliged to give up her school for more than a year. She then commenced taking the All-Healing Balsam—which soon alleviated her symptoms. She is now fast recovering, and has resumed her laborious occupation as a teacher, 14 years. Mr. John O'Neil, 10th avenue and 21st street, suffered with a cough, raising of phlegm, and pain in his side. He could get no relief till he tried the All-Healing Balsam, which drove the pain from his side, allayed the cough, and brought the disease upon the surface; and before he had taken three bottles, was entirely cured.

PLEURISY AND CONSUMPTION.
Mrs. Baggas, a lady upwards of 70, residing 88 Sheriff, has for years been subject to attacks of Pleurisy, Raising of Blood, severe Cough, Shortness of Breath, Pain in her Head and various parts of her body. Her friends believed her past recovery. The All-Healing Balsam relieved her at once of all her alarming symptoms, and now she is able to attend to her work.

MOFFAT'S

Life Pills and Phenix Bitters.

These Medicines have now been before the public for a period of FIFTEEN YEARS, and during that time have maintained a high character in almost every part of the globe, for their effect on the system, and immediate power of restoring persons afflicted with various disorders, and every kind of disease to which the human frame is liable.

IN MANY THOUSANDS
of certificated instances, they have even rescued sufferers from the very verge of an untimely grave, after all the deceptive nostrums of the day had utterly failed; and to many thousands they have permanently secured that uniform enjoyment of health, without which life itself is but a partial blessing. So great, indeed, has their efficacy invariably and infallibly proved, that it has appeared scarcely less than miraculous to those who were acquainted with the beautifully philosophical principles upon which they are compounded, and upon which sensible action. It was to their manifest and sensible action, and purifying the springs and channels of life, and ending them with renewed tone and vigor, that they were indebted for their name.

Unlike the host of pernicious quackeries which boast of vegetable ingredients, the **LIFE MEDICINES** are purely and solely vegetable; and contain neither Mercury, nor Antimony, nor Arsenic, nor any other mineral, in any form whatever. They are entirely composed of extracts from rare and powerful plants, the virtues of which, though long known to several Indian tribes, and recently to some eminent pharmaceutical chemists, are altogether unknown to the ignorant pretenders to medical science; and were never before administered in so happily efficacious a combination.

The first operation is to loosen from the coats of the stomach and bowels the various impurities and crudities constantly settling round them; and to remove the hardened feces which collect in the convolutions of the small intestines. Other medicines only partially cleanse these, and leave such collected masses behind to produce habitual Constiveness, with all its train of evils, or sudden Diarrhea with its imminent dangers. This fact is well-known to all regular anatomists who examine the human bowels after death; and hence the prejudice of these well-informed men against the quick medicines of the age. The second effect of the **VEGETABLE LIFE MEDICINES** is to cleanse the kidneys and the bladder; and, by this means, the liver and lungs, the healthful action of which entirely depends upon the regularity of the urinary organs. The blood, which takes its red color from the agency of the liver and lungs, before it passes into the heart, being thus purified by them, and nourished by food coming from a clean stomach, courses freely through the veins, renews every part of the system, and triumphantly mounts the banner of health in the blooming cheek.

The following are among the distressing variety of human diseases in which the **VEGETABLE LIFE MEDICINES** are well known to be infallible:

DYSPEPSIA, by thoroughly cleansing the first and second stomachs, and creating a flow of pure healthy bile, instead of the stale and acid bile; **Fatulence**, **LOSS OF APPETITE**, **HEART-BURN**, **HEADACHE**, **RESTLESSNESS**, **ILL-TEMPER**, **ANXIETY**, **LANGUOR**, and **MELANCHOLY**, which are the general symptoms of Dyspepsia, will vanish, as a natural consequence of its cure.

Constiveness, by cleansing the whole length of the intestines with a solvent process, and without violence; all violent purges leave the bowels constive within two days.

Diarrhea, and **Cholera**, by removing the sharp acid fluids by which these complaints are occasioned, and by promoting the lubrication of the mucous membrane.

Fevers of all kinds, by restoring the blood to a regular circulation, through the process of perspiration in such cases, and the thorough solution of all intestinal obstructions in others.

The **LIFE MEDICINES** have been known to cure **Rheumatism** permanently in three weeks, and **Gout** in half that time, by removing local inflammation from the muscles and ligaments of the joints.

Dropsies of all kinds, by freeing and strengthening the kidneys and bladder; they operate most delightfully on these important organs, and hence have ever been found a certain remedy for the worst cases of **Gravel**.

Also **Worms**, by dislodging from the turnings of the bowels the slimy matter to which these creatures adhere.

Asthma and Consumption, by relieving the air-vessels of the lungs from the mucous which envelops them, and which, if not removed, becomes hardened, and produces these dreadful diseases.

Scurvy, Ulcers, and Invertebrate Sores, by the perfect purity which these **LIFE MEDICINES** give to the blood, and all the humors.

Scrofulous Eruptions and Bad Complexions, by their alternative effect upon the fluids that feed the skin, and the morbid state of which occasions all eruptive complaints, scaly, cloudy, and other disagreeable complexions.

The use of these Pills for a very short time will effect an entire cure of **Salt Rheum**, and a striking improvement in the clearness of the skin.

Common Colds and Influenza will always be cured by one dose, or by two even in the worst cases.

PILES. As a remedy for this most distressing and obstinate malady, the **VEGETABLE LIFE MEDICINES** deserve a distinct and emphatic recommendation. It is well-known to hundreds in this city, that the former proprietor of these valuable Medicines was himself afflicted with this complaint for upwards of thirty-five years; and that he tried in vain every remedy prescribed within the whole compass of the *Materia Medica*. He however at length tried the Medicine which is now offered to the public, and he was cured in a very short time, after his recovery had been pronounced not only improbable, but absolutely impossible, by any human means.

FEVER AND AGUE.
For this scourge of the western country these Medicines will be found a safe, speedy, and certain remedy. Other medicines leave the system subject to a return of the disease—a cure by these medicines is permanent—TRY THEM, BE SATISFIED, AND BE CURED.

Bilious Fevers and Liver Complaints.
General Debility, LOSS OF APPETITE, AND DISEASES OF FEMALES.—These medicines have been used with the most beneficial results in cases of this description—KING'S EVIL and SCROFULA, in its worst forms, yields to the mild yet powerful action of these remarkable Medicines. NIGHT SWEATS, NERVOUS DEBILITY, NERVOUS COMPLAINTS of all kinds, PALPITATION OF THE HEART, PAINTER'S COLIC, are speedily cured.

MERCURIAL DISEASES.
Persons whose constitutions have become impaired by the injudicious use of MERCURY, will find these Medicines a perfect cure, as they never fail to eradicate from the system all the effects of Mercury infinitely sooner than the most powerful preparations of SARSAPARILLA. A single trial will place them beyond the reach of competition, in the estimation of every patient.

BE CAREFUL OF COUNTERFEITS.
Several have lately been discovered, and their nefarious authors arrested, both in the City of New York and abroad.

CAUTION EXTRA.

A man by the name of CLAPP has engaged with a young man of the name of S. P. Townsend, and uses his name to put up a SARSAPARILLA, which they call Dr. Townsend's SARSAPARILLA, denouncing it GENUINE, Original, &c. This Townsend is no doctor, and never was; but was formerly a worker on rail roads, canals, and the like. Yet he assumes the title of Dr. for the purpose of gaining credit for what he is not. This is to caution the public not to be deceived, and purchase none but the **GENUINE ORIGINAL OLD DR. JACOB TOWNSEND'S SARSAPARILLA**, having on it the Old Dr.'s likeness, his family coat of arms, and his signature across the coat of arms.
Principal Office, 102 Nassau-st., New York City.

OLD DR. JACOB TOWNSEND,

THE ORIGINAL DISCOVERER OF THE
Genuine Townsend SARSAPARILLA.

Old Dr. Townsend is now about 70 years of age, and has long been known as the **AUTHOR and DISCOVERER** of the **GENUINE ORIGINAL TOWNSEND'S SARSAPARILLA**. Being poor, he was compelled to leave his profession, by which means it has been kept out of market, and the sales circumscribed to those only who had proved its worth, and known its value. It had reached the ears of some, nevertheless, as persons who had been afflicted of some diseases, and saved from death, proclaimed its excellence and wonderful **HEALING POWER.**

Knowing, many years ago, that he had, by his skill, science and experience, devised an article which would be of considerable advantage to mankind when the means would be furnished to bring it into universal notice, when its immense virtues would be known and appreciated. This time however, the means are supplied; this

GRAND AND UNEQUALLED PREPARATION is manufactured on the largest scale, and is called for throughout the world, and is sold in every part of the world, and is found incapable of degeneration or deterioration.

Unlike young S. P. Townsend's, it improves with age, and never changes, but for the better, because it is prepared on scientific principles by a scientific man. The highest knowledge of Chemistry, and the latest discoveries of the art, have all been brought to bear upon the manufacture of the Old Dr.'s SARSAPARILLA. The SARSAPARILLA root is well known to medicinal men, contains many medicinal properties, and some properties which are inert or useless, and others, which if retained in preparation for use, produce fermentation, acid, and other deleterious to the system. Some of the properties of SARSAPARILLA are so volatile, that they entirely evaporate and are lost in the preparation, if they are not preserved by a scientific process known only to those experienced in its manufacture. These volatile principles, which fly off in vapor, or as an exhalation, under heat, are the very essential medicinal properties of the root which give to it its value.

SOURING, FERMENTING, ACID COMPOUND OF S. P. TOWNSEND, and yet he would have us understand that Old Dr. Jacob Townsend's Genuine Original SARSAPARILLA, is an IMITATION of the latter or preparation.

Heaven forbid that we should deal in an article which would bear the most distant resemblance to S. P. Townsend's article! And that should bring down upon the Old Dr. such a mountain load of complaints and criticisms from Agents who have sold and purchasers who have used S. P. Townsend's FERMENTING COMPOUND!

We wish it understood, because it is the absolute truth, that S. P. Townsend's article and Old Dr. Jacob Townsend's SARSAPARILLA are *leaves wide apart, and infinitely dissimilar*; that they are unlike in every particular, having not one single thing in common.

As S. P. Townsend is no doctor, and never was, is no chemist, no pharmacist—knows no more of medicine or disease than any other common, uneducated, unprofessional man, who guarantees the public have that they are receiving a genuine scientific medicine, containing all the virtues of the articles which he is preparing it, and which is incapable of changes which might render them the AGENTS OF DISEASE instead of health.

What else should be expected from one who knows nothing comparatively of medicine or disease? It requires a person of some experience to cook and serve up even a common decent meal; how much more important is it that the person who manufactures medicine, designed for

WEAK STOMACHS AND ENFERBED SYSTEMS, should know well the medicinal properties of plants, the best manner of securing and concentrating their healing virtues, and also an extensive knowledge of the various diseases which afflict the human system, and how to adapt remedies to these diseases!

It is to arrest frauds upon the unfortunate, to pour balm into wounded humanity, to kindle hope in despairing bosoms, to restore health and bloom, and vigor into the crushed and broken, and to banish infirmity that **OLD DR. JACOB TOWNSEND** has **SOUGHT** and **FOUND** the opportunity and means to bring his

Grand Universal Concentrated Remedy

within the reach, and to the knowledge of all who need it, that they may learn and know its joyful experience.

Transcendent Power of the Heal.
Any person can boil or stew the root till they get dark colored liquid, which is more from the coloring matter in the root than from any thing else; they can then strain this liquid or vapor through a fine muslin, to kindle hope in despairing bosoms, to restore health and bloom, and vigor into the crushed and broken, and to banish infirmity that **OLD DR. JACOB TOWNSEND** has **SOUGHT** and **FOUND** the opportunity and means to bring his

Genuine Old Dr. Jacob Townsend's SARSAPARILLA.

This is so prepared, that all the inert properties of the SARSAPARILLA root are first removed, every thing capable of becoming acid, or of fermentation, is extracted and rejected; then every medicinal virtue is secured in a pure and concentrated form; and this is rendered incapable of losing any of its valuable and healing properties. Prepared in this way, it is made the most powerful agent in the

Cure of innumerable diseases.
Because the reason why we hear commendations on every side in its favor by men, women, and children. We find it doing wonders in the cure of **CONSUMPTION, DYSPEPSIA, and LIVER COMPLAIN**TS, **PLEURISY, and RHEUMATISM, SCROFULA, PILES, CONSTIPATION, all CUTANEOUS ERUPTIONS, PAINFUL BLENDS, BLOTTES, and all obstructions arising from IMPURITY OF THE BLOOD.**

It possesses a marvellous efficacy in all complaints arising from **Indigestion, Acidity of the Stomach, from unequal circulation, determination of blood to the head, indigestion of the heart, cold feet and hands, cold chills and hot flashes over the body.** It has not its equal in **Colds and Coughs**; and promotes easy expectoration and gentle perspiration, relaxing strictly of the lungs, throat, and every other part.

But in nothing is its excellence more manifestly seen and acknowledged than in all kinds and stages of

FEMALE COMPLAINTS.
It works wonders in cases of **Kidney Afflictions, Falling of the Work, Obstructed, Suppressed, or Painful Menstruation, Irritation of the menstrual periods, and the like**; and is as effectual in curing all the forms of **Acid Dyspepsia.**

By removing obstructions, and regulating the general system, it gives tone and strength to the whole body, and thus cures all forms of

Nervous diseases and debility.
And this prevents or relieves a great variety of other maladies, as **Spiritual Raptures, Nymphomania, St. Vitus' Dance, Scurvy, Erysipelas, Piles, Constipation, &c.**

It cleanses the blood, excites the liver to healthy action, tones the stomach, and gives good digestion; relieves the bowels of torpid constipation, always inflammation, purifies the skin, equalizes the circulation of the blood, produces gentle warmth, equalizes all over the body, and the insensible perspiration; relaxes all strictures and tightness, removes all obstructions, and invigorates the entire nervous system.

The medicine you pre-eminently need!
But can any of these things be said of S. P. Townsend's inferior article? This young man's liquid is not to be compared with the old Dr's, because of one **GRAND FACT**, that the one is **INCAPABLE OF DETERIORATION, and NEVER SPOILS,** while the other DOES *swallow, fermenting, and blowing the better contained it into fragments*; the one is acid liquid, explosive, and damaging other goods! Must not this horrible combination be poisonous to the system? What! put acid into the system? Must it not be deadly with acid? What causes Dyspepsia but acid? Do we not all know that when food comes in our stomach, what mischief it produces? flatulence, heartburn, palpitation of the heart, liver complaint, diarrhoea, dysentery, colic, and corruption of the blood? What is Scrofula but an acid humor in the body? What produces all the humors which bring on Eruptions of the Skin, Scald Head, Salt Rheum, Erysipelas, White Swellings, Fever Sore, and all eruptions in spots, White Swellings, Fever Sore, and all eruptions in spots, and corruption of the blood? It is nothing under heaven, but an acid substance, which soaks, and thus spoils all the fluids of the acid, more or less. What causes Rheumatism but a sour or acid fluid, which infiltrates itself between the joints and disorganizes the entire nervous system, and produces gentle warmth, where, irritating and inflaming the delicate tissues upon which it acts? So of nervous diseases, of impurity of the blood, of deranged circulations, and nearly all the ailments which afflict human nature.

Now is it not terrible to make and sell, and infinitely worse to use this
