IIIMr. Brawly seems to be one of that unfortunate class of persons whose foes are those of his own household. At the locofoco convention, held in Crwford county, where he resides, to appoint delegates to the state convention at Williamsport, the following resolutions were adopted:

1st. That it is necessary for the democratic state convention to nominate candidates of known me ral and political worth and competency.

2d. That the puffs contained in the Crawford Democrat, asserting that the nomination of J. F Brawly, Esq. as a candidate for Auditor General would be gratifying to the democracy of this county are uncalled for and untrue.

3d That the delegates to the Williamsport convention be instructed to vote for Gen. J. B. Guthtie, of Alleghany.

VOTES POLLED BY NEW STATES .-- On he admission as a State, Louisiania polled 4,748 votes, Indiana 6,789 votes, Mississippi 7,576 Illinois 8,075, Akansas 3,638, Michigan 11 350, Florida 5,301, and Iowa 13,271. Califormia polled last year, 14,213 American votes These statistics are taken from an article i the last Southern Recorder, to show that Cali fornia is better entitled to come in as a state than either of the others mentioned. Beside, Texas, when admitted, had an area of 325,000 square miles of territory. California covers by her Constitution 158,000 square miles-less than one half of Texas-and half of that a sandy desert or unbearable and rocky mountains. How unreasonable then, for the South to object to California, because she chooses not to have Slavery .- Geo. Citizen.

A Sale in Church --- A parson, in the course of his sermon, recently asked---

"What is the price of earthly plessure?" "Seven-and-sixpence a dozen," said a half a-leep grocer, who was somewhat startled from his snooze by the question.

"Well, I'll take the lot," rejoined a apeculator, who was anything but wide-awake when he made the offer.
