

NEW ARRANGEMENT OF PARTIES—The Natchez Free Trader copies from a letter to a Southern member of Congress, this new distribution of parties:

- 1. There appears to be four parties in Congress: 1st. A party from the South [Compromise] who wish to cut their own throats.
- 2d. A party at the North [Anti Compromise] who do not wish the people of the South to cut their own throats, but prefer doing the job for them.
- 3d. A party from the North [Compromise] who are willing that the people of the South may cut their own throats.
- 4th. A party at the South [Anti Compromise] who do not intend to cut their own throats nor let any one else do it for them.

This last party have the other three against them, and they will have to exert great energy to save their jugular."
