MALISTER'S All-Healing Ointment,
 Or, The World's Salve.
 Contains no Mercury or other Mineral.
 From the Reading Eagle.

There was never, perhaps, a medicine brought
 before the public, that has in so short a time won
 such a reputation as MALISTER'S ALL-
 HEALING OR WORLD'S SALVE. Almost every
 person that has made trial of it speaks warmly
 of its praise. It has been cured by it, of the
 most painful Rheumatism, another of the Piles, a
 third of a troublesome pain in the limbs, &c., &c.
 If it does not give immediate relief, in every case,
 it can do no injury, being applied outwardly. As
 another evidence of the wonderful healing power
 possessed by this salve, we submit the following
 certificate, from a respectable citizen of Maiden-
 creek township in this county:

Maiden Creek, Berks Co., March 30, 1857.
 Messrs. Ritter & Co.—I desire to inform you
 that I was entirely cured of a severe pain in the
 back, by the use of Malister's All-Healing Salve,
 which I purchased from you. I suffered with it
 for about 20 years, and at night was unable to
 sleep. During that time I tried various remedies,
 which were prescribed for me by physicians and
 other persons, without receiving any relief, and
 at last made trial of this Salve, with a result
 far beyond expectation. I am now entirely
 free from the pain, and enjoy at night a peaceful
 and sweet sleep. I have also used the Salve
 since for other complaints, with similar happy re-
 sults.
 Your friend,
 JOHN HOLDENBACH.

SILENCE
 That dreadful cough! The Lungs are in dan-
 ger! The work of the destroyer hath begun.
 The cough of consumption hath in its
 wailings said!
 Are you a mother? Your darling child, your
 idol and earthy joy, is now perhaps, confined to
 her chamber by a dangerous cold, her pale
 cheeks, her thin shrunken fingers, tell the blood
 disease has already gained upon her, the sound
 of her sepulchral cough pierces your soul.
 Young man, when just about to enter life,
 disease sends a hear-crushing blight over the
 fair prospects of the future, your hectic cough
 and feeble limbs tell of your loss of hope, but
 you need not despair. There is a balm which
 will heal the wounded lungs, it is
SHERMAN'S ALL-HEALING BALSAM.
 Mrs. Atrue, the wife of Wm. H. Atrue, Esq.,
 was given up by Dr. Sewall of Washington,
 Drs. Roe and McClellan of Philadelphia, Dr.
 Roe and Dr. Mott of New York. Her friends
 all thought she must die. She had every ap-
 pearance of being in consumption, and was so
 pronounced by her physicians—Sherman's Bal-
 sam was given and it cured her.

Mrs. Garabranz, of Bull's Ferry, was also
 cured of consumption by this Balsam when all
 other remedies failed to give relief—she was
 reduced to a skeleton. Dr. A. C. Castle, Dentist,
 281 Broadway, has witnessed its effects
 in several cases where no other medicine af-
 forded relief—but the Balsam operated like a
 charm. Dr. C. also witnessed its wonderful
 effects in curing Asthma, which it never fails
 of doing. Spitting Blood, alarming as it may
 be, is effectually cured by this Balsam. It
 heals the ruptured or wounded blood vessels,
 and makes the lungs sound again.

Rev. Henry Jones, 108 Eighth avenue, was
 cured of cough and catarrhal affection of 50
 years standing. The first dose gave him more
 relief than all the other medicine he had ever
 taken. Dr. L. J. Beals, 19 Delancy-street,
 gave it to a sister-in-law who was laboring un-
 der Consumption, and to another sorely afflicted
 with the Asthma. In both cases its effects
 were immediate, soon restoring them to com-
 fortable health.

Mrs. Lecheira Wells, 95 Christie-st. suffered
 from Asthma 42 years. Sherman's Balsam
 relieved her at once, and she is comparatively
 well, being enabled to subdue every attack by
 a timely use of this medicine. This indeed is
 the great remedy for Coughs, Colds, Spitting
 Blood, Liver Complaints, and all the affections
 of the throat, and even Asthma and Consump-
 tion.

MOFFAT'S
Life Pills and Phoenix Bitters.
 These Medicines have now been before the
 public for a period of FIFTEEN YEARS, and
 during that time have maintained a high charac-
 ter in almost every part of the globe for their ex-
 traordinary and immediate power of restoring per-
 fect health to persons suffering under nearly every
 kind of disease to which the human frame is liable.

IN MANY THOUSANDS
 of afflicted instances, they have even rescued
 sufferers from the very verge of an untimely
 grave, after all the deceptive nostrums of the day
 had utterly failed; and to many thousands they
 have permanently secured that uniform enjoy-
 ment of health, without which life itself is but
 a partial blessing. So great, indeed, has their
 efficacy invariably and infallibly proved, that it
 has appeared scarcely less than miraculous to
 those who were acquainted with the beautifully
 philosophical principles upon which they are com-
 pounded, and upon which they consequently act.
 It was to their manifest and sensible action in
 purifying the springs and channels of life, and
 giving them with renewed tone and vigor, that
 they were indebted for their efficacy.

Unlike the host of pernicious quackeries which
 consist of vegetable ingredients, the LIFE MEDI-
 CINES are purely and solely vegetable; and
 contain neither Mercury, nor Antimony, nor
 Arsenic, nor any other mineral, in any form
 whatever. They are entirely composed of ex-
 tracts from rare and powerful plants, the virtues
 of which, though long known to several Indian
 tribes, and recently to some eminent pharmaceu-
 tical chemists, are altogether unknown to the
 ignorant pretenders to medical science; and were
 never before administered in so happily efficacious
 a combination.

The first operation is to loosen from the coats
 of the stomach and bowels the various impuri-
 ties and crudities constantly settling round them;
 and to remove the hardened masses which collect
 in the convolutions of the small intestines. Other
 medicines only partially cleanse these, and leave
 much collected masses behind to produce habit-
 ual Costiveness, with all its train of evils, or sudden
 Diarrhoea with its imminent dangers. This fact
 is well-known to all regular anatomists who ex-
 amine the human bowels after death; and hence
 the prejudice of these well-informed men against
 the quack medicines of the age. The second
 effect of the VEGETABLE LIFE MEDI-
 CINES is to cleanse the kidneys and the bladder;
 and, by this means, the liver and lungs,
 the healthful action of which entirely depends
 upon the regularity of the urinary organs. The
 blood, which takes its red color from the agency
 of the liver and lungs, before it passes into the
 heart, being thus purified by them, and nourished
 by food coming from a clean stomach, courses
 freely through the veins, renews every part of
 the system, and triumphantly mounts the ban-
 ner of health in the blooming cheek.

The following are among the distressing vari-
 ety of human diseases in which the VEGETABLE
 LIFE MEDICINES are well known to be
 infallible.

DYSPEPSIA, by thoroughly cleansing the
 first and second stomachs, and creating a flow of
 pure healthy bile, instead of the stale and acrid
 bile; Flatulency, Loss of APETITE, HEART-
 BURN, HEADACHE, RESTLESSNESS, ILL-TEMPER,
 ANXIETY, LAZINESS, and MALADISSY, which are
 the general symptoms of Dyspepsia, will
 vanish, as a natural consequence of its cure.

COSTIVENESS, by cleansing the whole length
 of the intestines with a solvent process, and
 without violence; all violent purges leave the
 bowels clogged with two days.

DIARRHOEA and Cholera, by removing the
 sharp acid fluids by which these complaints are
 occasioned, and by promoting the lubricative se-
 cretion of the mucous membrane.

FEVERS of all kinds, by restoring the blood to a
 regular circulation, through the process of perspira-
 tion in such cases, and the thorough solution of
 all intestinal obstruction in others.

The LIFE MEDICINES have been known to
 cure Rheumatism permanently in three weeks,
 and Gout in half that time, by removing local
 inflammation from the muscles and ligaments of
 the joints.

Dropsies of all kinds, by freeing and strength-
 ening the kidneys and bladder; they operate most
 delightfully on these important organs, and hence
 have ever been found a certain remedy for the
 worst cases of Gravel.

Also Worms, by dislodging from the turnings
 of the bowels the slimy matter to which these
 creatures adhere.

Asthma, Consumption, by relieving the
 air-vessels of the lungs from the mucus which
 even slight colds will occasion, and which, if not
 removed, becomes hardened, and produces these
 dreadful diseases.

Sorely, Ulcers, and Inveterate Sores, by
 the perfect purity which these LIFE MEDI-
 CINES give to the blood, and all the humors.

Scorbatic Eruptions and Bad Complexions,
 by their alterative effect upon the fluids that
 feed the skin, and the morbid state of which occasions
 all eruptive complaints, sallow, cloudy, and
 other disagreeable complexions.

The use of these Pills for a very short time
 will effect an entire cure of Salt Rheum, and a
 striking improvement in the clearness of the skin.
Common Colds and Influenza will always be
 cured by one dose, or by two even in the worst
 cases.

PILES. As a remedy for this most distressing
 and obstinate malady, the VEGETABLE LIFE
 MEDICINES deserve a distinct and emphatic
 recommendation. It is well-known to hundreds
 in this city, that the former proprietor of these
 valuable Medicines was himself afflicted with this
 complaint for upwards of THIRTY-FIVE YEARS; and
 that he tried in vain every remedy prescribed
 within the whole compass of the Materia Medica.
 He however at length tried the Medicine which
 is now offered to the public, and he was cured in
 a very short time, after his recovery had been pro-
 nounced not only improbable, but absolutely im-
 possible, by any human means.

FEVER AND AGUE.
 For this scourge of the western country these
 Medicines will be found a safe, speedy, and cer-
 tain remedy. Other medicines leave the system
 subject to a return of the disease—a cure by these
 medicines is permanent—TRY THEM, BE
 SATISFIED, AND BE CURED.

Bilious Fevers and Liver Complaints.
General Debility. Loss of APPETITE, and
DISEASES of FEMALES—these medicines have been
 used with the most beneficial results in cases of
 this description—KING'S EVIL and SCROFULA, in
 its worst forms, yields to the mild yet powerful
 action of these remarkable Medicines. NIGHT
 SWEATS, NERVOUS DEBILITY, NERVOUS COM-
 PLEXIONS of all kinds, PALPITATION OF THE HEART,
 PAINTER'S COLIC, are speedily cured.

MERCURIAL DISEASES.
 Persons whose constitutions have become im-
 paired by the injudicious use of MERCURY, will
 find these Medicines a perfect cure, as they never
 fail to eradicate from the system all the effects of
 Mercury infinitely sooner than the most powerful
 preparations of Sarsaparilla. A single trial will
 place them beyond the reach of competition, in
 the estimation of every patient.

BE CAREFUL OF COUNTERFEITS.
 Several have lately been discovered, and their
 authors are arrested, both in the city of New
 York and abroad.

CAUTION EXTRA
 A man by the name of CLIFF engaged with a young
 man of the name of S. F. Townsend, and uses his name to put
 up a Sarsaparilla, which they call Dr. Townsend's Sarsaparilla,
 denominated it GENUINE, Original, &c. This Townsend is
 no doctor, and never was; but was formerly a worker on rail
 roads, canals, and the like. Yet he has sometimes the title of Dr.
 for the purpose of gaining credit for what he is not. This is to ca-
 sion the public not to be deceived, and purchase none but the
 GENUINE ORIGINAL OLD DR. JACOB TOWNSEND'S SARSAPARILLA,
 having on it the Old Dr.'s face, his family coat of
 arms, and his signature across the coat of arms.
 Principal Office, 102 Nassau st., New York City.

OLD DR. JACOB TOWNSEND,
 THE ORIGINAL DISCOVERER OF THE
GENUINE TOWNSEND SARSAPARILLA.

Old Dr. Townsend is now about 70 years of age, and has long
 been known as the DISCOVERER OF THE
 GENUINE ORIGINAL TOWNSEND SARSAPARILLA.
 He has long been known as the discoverer of the
 GENUINE ORIGINAL TOWNSEND SARSAPARILLA,
 and his name has been on the market, and the sales of it
 increased to those who had proved its worth, and known its
 value. It had reached the ears of many, nevertheless, as
 those persons who had been deceived, and saved from
 death, proclaimed its excellence and wonderful
 HEALING POWER.

Knowing, many years ago, that his skill, science
 and experience, devised an article which would be of incal-
 culable advantage to mankind, even the subjects would be fit-
 tish to bring it into universal notice, when its insatiable
 virtues would be known and appreciated. This time has come,
 the means are supplied; the
GRAND UNIVERSE PREPARATION
 is manufactured on the largest scale, and is called for through-
 out the length and breadth of the land; especially as it is found
 in some of the most distressing and dangerous cases, to pur-
 sue them, and the latest discoveries, and they have all been
 enough, into requisition in the manufacture of the Old Dr.'s
 Sarsaparilla. The Sarsaparilla, too, is well known to medical
 men, as a most valuable preparation, and it is well known to
 which are not of equal, and others, which if used in pre-
 paring it for use, produce fermentation and acid, which is in-
 jurious to the system. Some of the properties of Sarsaparilla
 are so scientific, that they entirely prevent the production of
 acid, if they are not prepared by a scientific process
 known only to those experienced in its manufacture. Moreover,
 this Sarsaparilla, which is of a most delicate nature, and is
 under heat, as the very essential medical property of the
 root, which give to it its
SOURING, FERMENTING, ACID COMPOUND
 OF S. F. TOWNSEND.

And yet he would not have it understood that Old Dr. Jacob
 Townsend's GENUINE ORIGINAL SARSAPARILLA, is an Imitation
 of his inferior preparation!

He is aware that we should deal in an article which would
 bear the most distant resemblance to his Sarsaparilla, and
 which should bring down upon the Old Dr.'s name a host of
 complaints and terminations from Agents who have sold,
 and purchasers who have used S. F. Townsend's FERMENTING
 COMPOUND.

We wish it understood, because it is the absolute truth, that
 S. F. Townsend's article and Old Dr. Jacob Townsend's Sar-
 saparilla are not the same, and that the latter is not a
 Sarsaparilla, and is in every particular, having not one single
 thing in common.

Old Dr. Townsend is not a doctor, and never was; he is a
 chemist, no pharmacist—knows no more of medicine, or dis-
 ease, than any other common, unscientific, unprofessional, man,
 who guarantees to the public that they are receiving a
