EXPOSE.

BY READING THE FOLLOWING AFFIDAVIT—the Public will learn the origin, or rather where the recipe for making the stuff they call Old Dr. Jacob Townsend's Sarsaparilla, came from—and will be able to judge which is the genuine and original, and of the honesty of the men who are employed in selling it as the original Dr. Townsend's Sarsaparilla. Dr. S. P. Townsend was the original proprietor and inventor of Dr. Townsend's Sarsaparilla, and his medicine has gained a reputation that no other remedy ever gained. He manufactured over one million of bottles last year, and is manufacturing at present 5,000 bottles per day. We use more Sarsaparilla and Yellow Dock in our establishment each day, than all the other Sarsaparilla Manufacturers in the world. Principal Office, 126 Fulton-st.

City and County of New-York, ss.

William Armstrong, of the said City, being duly sworn, doth depose and say that he is a practical Druggist and Chemist. That some time in the latter part of May, or first of June, 1848, a man by the name of Jacob Townsend, who at that time was a book and pamphlet peddler, called upon deponent, at the house of Mr. Thompson, No. 42 Hudson-street, where deponent boarded, and requested deponent to write him a recipe by which to make a Syrup of Sarsaparilla. Deponent further says, that he became acquainted with said Townsend at the office of Theodore Foster, Esq., Book Publisher, with whom said Townsend dealt. That said Townsend had had frequent conversations with deponent respecting the manufacture of an article of Sarsaparilla to be sold under the name of Dr. Jacob Townsend.

That said Townsend stated he was an old man, and poor, and was not fit for hard labor—and wished to make some money, in order to live easy in his old days, and that, if Sarsaparilla under the name of Townsend sold so well, and so much money was made by it, he could see no reason why he might not make something out of it too, (his name being Townsend,) if he could get a capable person to prepare a recipe, and manufacture it for him. Deponent in one of the conversations asked said Townsend if he was related to Dr. S. P. Townsend, to which he replied, that he knew Dr. S. P. Townsend would be down on him after he should commence. But that he did not care for him, as he had formed a co-partnership with men who could furnish the requisite amount of capital—and was well prepared to defend himself against any attack that might be made on him.

Deponent further says, that pursuant to the request of said Jacob Townsend, he wrote a recipe for the manufacture of a Syrup of Sarsaparilla, and gave it to him. Said Townsend observed that he wanted to make a specimen to exhibit to his partners for their approval, as he wished to gratify them in every thing, as they furnished all the capital—said Townsend also told deponent that the bottles they were to use were to be of the same size and shape as Dr. S. P. Townsend's, and deponent, at the request of said Jacob Townsend, went to the office of Dr. S P. Townsend, and procured one of his labels.

And deponent further says, that he has been informed, and verily believes the Syrup of Sarsaparilla, sold as Old Jacob Townsend's, is made after the recipe furnished by deponent, to Jacob Townsend, as aforesaid.

And further deponent saith not.

WILLIAM ARMSTRONG.

Mayor of the City of New York

PROOF!! PROOF!!!

Here is proof conclusive that Dr. S. P. Townsend's Sarsaparilla is the original. The following is from some of the most respectable papers in this State.

FROM THE
New York Daily Tribune.

☞ We published an advertisement inadvertently some time since that did injustice to Dr. S. P. Townsend, who is the original proprietor of the preparation of Sarsaparilla known as Dr. Townsend's. Other parties have within the past few months engaged or connected themselves with a man by the name of Townsend who put up a medicine and calls it by the same name. This medicine was advertised in *The Tribune* as the original, &c. This advertisement also contained matter derogatory to the character of Dr S. P. Townsend and that of his medicine. We regret it appeared, and in justice to the Dr. make this explanation.

FROM THE
New York Daily Sun.

Dr. Townsend's extraordinary advertisement, which occupies an entire page of the Sun, will not escape notice. Dr. S. P. Townsend, who is the original proprietor of Dr. Townsend's Sarsaparilla, and whose office is next door to ours, where he has been for several years, is driving an immense business. He receives no less than four hundred dozen of Sarsaparilla per day, and even this enormous quantity does not supply the demand. No medicine ever gained so great a popularity as his preparation of the Sarsaparilla. His edition of Almanacs for 1849 cost $22,000, and he has paid the New York Sun for advertising, in the last four years, over $10,000, and he acknowledges that it is the cheapest advertising he has had done. This medicine is exported to the Caundes, West Indies, South America and Europe, in considerable quantities, and is coming into general use in those countries, as well as here.

Swindlers.

Druggists and others that sell Sarsaparilla for the genuine and original Dr. Townsend's Sarsaparilla, that is not signed by S. P. Townsend, commits a fraud, and swindles the customers. Men that would be guilty of such an act, would commit any other fraud—and no Druggist of common intelligence but knows that ours is the only genuine.

Old Jacob Townsend.

Some people who are not well informed, and have not read the papers, and not seen our advertisements, have been led to suppose, that because these men advertise their stuff as "Old Jacob Townsends," that it must, of course, be the original. It is less than one year since they commenced to make their medicine. Ours has been in the market over ten years.

This Old Jacob Townsend.

They are endeavoring to palm off on the public as an old Physician, &c. He is not a regular educated Physician, and never attempted to manufacture a medicine, until these men hired him for the use of his name. They say they do not wish the people to believe that their Sarsaparilla is ours, or the same—but the better to deceive the public, they at the same time assert that their's is the Old Dr. Townsend's, and the original; and endeavor to make the people believe that the stuff they manufacture, is the Dr. Townsend's Sarsaparilla, that has performed so many wonderful cures for the past ten years, and which has gained a reputation which no other medicine ever enjoyed—which is a base, villainous, unprincipled falsehood. We have commenced suits against these men for damages. We wish it to be understood, that the old man is no relation to Dr. Townsend whatever. In their advertisements and circulars, they publish a number of gross falsehoods respecting Dr. Townsend, which we will not notice.

False Reports.

Our opponents have published in the papers, that Dr. S. P. Townsend was dead. This they send to their agents about the country, who report that we have given up business, &c. &c. The public should be on their guard, and not be deceived by these unprincipled men.

Notice of Removal.—After the first of September, 1849, Dr. S. P. Townsend's New York Office will be in the South Baptist Church, No. 82 Nassau-street, which is now undergoing a thorough change, and will be fitted for the better accommodation of the proprietors and the public.

Take particular Notice.—No Sarsaparilla is the genuine and original Dr. Townsend's Sarsaparilla, unless signed by S. P. Townsend.

AGENTS.—Redding & Co., No. 8 State-street, and Mrs. E. Kidder, No. 100 Court-street, Boston; Samuel Kidder, Jr., Lowell; Henry Pratt, Salem; James B. Green, Worcester; Allison & Gault, Concord; J. M'Alisters All-Healing Ointment,

Or, The World's Salve.

Contains no Mercury or other Mineral.

From the Reading Eagle.

There was never, perhaps, a medicine brought before the public, that has in so short a time won such a reputation as M'ALLISTER'S ALL-HEALING OR WORLD-SALVE. Almost every person that has made trial of it speaks warmly in its praise. One has been cured by it, of the most painful Rheumatism, another of the Piles, a third of a troublesome pain in the limbs, &c., &c. If it does not give immediate relief, in every case, it can do no injury, being applied outwardly. As another evidence of the wonderful healing power possessed by this salve, we subjoin the following certificate, from a respectable citizen of Maiden-creek township in this county:

MAIDENCREEK, Berks Co., March 30, 18[illegible]7.

Messrs. Ritter & Co.—I desire to inform you that I was entirely cured of a severe pain in the back, by the use of M'Allisters All-Healing Salve, which I purhhased from you. I suffered with it for about 20 years, and at night was unable to sleep. During that time I tried various remedies, which were prescribed for me by physicians and other persons, without receiving any relief, and at last made trial of this Salve, with a result favorable beyond expectation. I am now entirely free from the pain, and enjoy at night a peaceful and sweet sleep. I have also used the Salve since for other complaints, with similar happy results. Your friend,

JOHN HOLDINBACH.

Silence

That dreadful cough! The Lungs are in danger! The work of the destroyer hath begun. The cough of consumption hath in it sounds of Death!

Are you a mother? Your darling child, your idol and earthly joy, is now perhaps, confined to her chamber by a dangerous cold, her pale cheeks, her thin shrunken fingers, tell the blod disease has already gained upon her, the sound of her sepulchral cough pierces your soul.

Young man, when just about to enter life, disease sends a hear-crushing blight over the fair prospects of the future, your hectic cough and feeble limbs tell of your loss of hope, but you need not despair. There is a balm which will heal the wounded lungs, it is

SHERMAN'S ALL-HEALING BALSAM.

Mrs. Attree, the wife of Wm. H. Attree, Esq., was given up by Dr. Sewall of Washington, Drs. Roe and McClellan of Philadelphia, Dr. Roe and Dr. Mott of New York. Her friends all thought she must die. She had every appearance of being in consumption, and was so pronounced by her physicians---Sherman's Balsam was given and it cured her.

Mrs. Garrabrantz, of Bull's Ferry, was also cured of consumption by this Balsam when all other remedies failed to give relief—she was reduced to a skelton. Dr. A. C. Castle, Dentist, 281 Broadway, has witnessed its effects in several cases where no other medicine afforded relief---but the Balsam operated like a charm. Dr. C. also witnessed its wonderful effects in curing Asthma, which it never fails of doing. Spitting Blood, alarming as it may be, is effectually cured by this Balsam. It heals the ruptured or wounded blood vessels, and makes the lungs sound again.

Rev. Henry Jones, 108 Eighth avenue, was cured of cough and catarrhal affection of 50 years standing. The first dose gave him more relief than all the other medicine he had ever taken. Dr. L. J. Beals, 19 Delancy-street, gave it to a sister-inlaw who was laboring under Consumption, and to another sorely afflicted with the Asthma. In both cases its effects were immediate, soon restoring them to comfortable health.

Mrs. Lehretia Wells, 95 Christie-st. suffered from Asthma 42 years. Sherman's Balsam relieved her at once, and she is comparatively well, being enabled to subdue every attack by a timely use of this medicine. This indeed is the great remedy for Coughs, Colds, Spitting Blood, Liver Complaints, and all the affections of the throat, and even Asthma and Consumption.

Raising Blood

And Consumption, pain in the side and night sweats, Asthma, Whooping Cough, palpitation of the heart, Liver complaint, Bronchitis, And all diseases of the throat, lungs and liver, cured by Sherman's All-Healing Balsam.

RAISING BLOOD AND CONSUMPTION.

Mr. Milne, Builder, in Brooklyn, was attacked with raising blood, followed by a cough, pain in the side, and all the usual symptoms of consumption. He employed two of the best physicians; they did him no good, and told him he *could not live.*

Hearing of the wonderful cures performed by Sherman's Balsam, he sent at 10 o'clock at night to Mrs. Hayes, 136 Fulton street, and got a bottle; it operated like a charm, stopped the bleeding and cough! Before he had taken one bottle he was able to be about his work. It had *saved his life.* His daughter, residing at 127 Myrtle Avenue, can attest it.

Miss Ann Maston, of Williamsburg, living in Tenth, near South Fourth-street, says---That she had been troubled with a hacking cough, and pain in the chest, for a long time, which at last become so bad that she was obliged to give up her school for more than a year. She then commenced taking the All-Healing Balsam---which soon alleviated her symptoms. She is now fast recovering, and has resumed her laborious occupation as a teacher,

14 *years* Mr. John O'Neil, 10th avenue and 21st street, suffered with a cough, raising of phlegm, and pain in his side. He could get *no relief* till he tried the All-Healing Balam, which drove the pain from his side, allayed the cough, and brought the disease upon the surface; and before he had taken three bottles, was entirely cured.

PLEURISY AND CONSUMPTION.

Mrs. Baggas, a lady upwards of 70, residing 88 Sheriff, has for years been subject to attacks of Pleurisy, Raising of Blood, severe Cough, Shortness of Breath, Pain in her Head and various parts of her body. Her friends believed her *past recovery.* The All-Healing Balsam relieved her at once of all her alarming symptons, and now she is able to attend to her work.

ASTHMA AND WHOOPING COUGH.

Mrs. Lucretia Wells, 95 Christie-st; L. S. Beals, 19 Delancey st.; W. H. Youngs, 75 Walnut st., know the value of this great remedy.

Ask for Sherman,s All-Healing Balsam, and see that his written signature is on each bottle.

MOFFAT'S

Life Pills and Phœnix Bitters.

These Medicines have now been before the public for a period of **FIFTEEN YEARS**, and during that time have maintained a high character in almost every part of the globe for their extraordinary and immediate power of restoring perfect health to persons suffering under nearly every kind of disease to which the human frame is liable.

IN MANY THOUSANDS

of certificated instances, they have even rescued sufferers from the very verge of an untimely grave, after all the deceptive nostrums of the day had utterly failed; and to many thousands they have permanently secured that uniform enjoyment of health, without which life itself is but a partial blessing. So great, indeed, has their efficacy invariably and infallibly proved, that it has appeared scarcely less than miraculous to those who were acquainted with the beautifully philosophical principles upon which they are compounded, and upon which they consequently act. It was to their manifest and sensible action in purifying the springs and channels of life, and enduing them with renewed tone and vigor, that they were indebted for their name.

Unlike the host of pernicious quackeries which boast of vegetable ingredients, the **LIFE MEDICINES** are purely and solely vegetable; and contain neither **Mercury,** nor **Antimony,** nor **Arsenic,** nor any other mineral, in any form whatever. They are entirely composed of extracts from rare and powerful plants, the virtues of which, though long known to several Indian tribes, and recently to some eminent pharmaceutical chemists, are altogether unknown to the ignorant pretenders to medical science; and were never before administered in so happily efficacious a combination.

The first operation is to loosen from the coats of the stomach and bowels the various impurities and crudities constantly settling round them; and to remove the hardened fæces which collect in the convolutions of the small intestines. Other medicines only partially cleanse these, and leave such collected masses behind to produce habitual Costiveness, with all its train of evils, or sudden Diarrhœa with its imminent dangers. This fact is well-known to all regular anatomists who examine the human bowels after death; and hence the prejudice of these well-informed men against the quack medicines of the age. The second effect of the **VEGETABLE LIFE MEDICINES** is to cleanse the kidneys and the bladder; and, by this means, the liver and lungs, the healthful action of which entirely depends upon the regularity of the urinary organs. The blood, which takes its red color from the agency of the liver and lungs, before it passes into the heart, being thus purified by them, and nourished by food coming from a clean stomach, courses freely through the veins, renews every part of the system, and triumphantly mounts the banner of health in the blooming cheek.

The following are among the distressing variety of human diseases in which the **VEGETABLE LIFE MEDICINES** are well known to be infallible.

DYSPEPSIA, by thoroughly cleansing the first and second stomachs, and creating a flow of pure healthy bile, instead of the stale and acrid kind; **Flatulency,** Loss of Appetite, Heartburn, Headache, Restlessness, Ill-Temper, Anxiety, Languor, and Melancholy, which are the general symptoms of Dyspepsia, will vanish, as a natural consequence of its cure,

Costiveness, by cleansing the whole length of the intestines with a solvent process, and without violence; all violent purges leave the bowels costive within two days.

Diarrhœa and **Cholera,** by removing the sharp acrid fluids by which these complaints are occasioned, and by promoting the lubricative secretion of the mucous membrane.

Fevers of all kinds, by restoring the blood to a regular circulation, through the process of perspiration in such cases, and the thorough solution of all intestinal obstruction in others.

The Life Medicines have been known to cure **Rheumatism** permanently in three weeks, and **Gout** in half that time, by removing local inflammation from the muscles and ligaments of the joints.

Dropsies of all kinds, by freeing and strengthening the kidneys and bladder: they operate most delightfully on these important organs, and hence have ever been found a certain remedy for the worst cases of **Gravel.**

Also **Worms,** by dislodging from the turnings of the bowels the slimy matter to which these creatures adhere.

Asthma and **Consumption,** by relieving the air-vessels of the lungs from the mucous which even slight colds will occasion, and which, if not removed, becomes hardened, and produces these dreadful diseases.

Scurvy, Ulcers, and **Inveterate Sores,** by the perfect purity which these **LIFE MEDICINES** give to the blood, and all the humors.

Scorbutic Eruptions and **Bad Complexions,** by their alterative effect upon the fluids that feed the skin, and the morbid state of which occasions all eruptive complaints, sallow, cloudy, and other disagreeable complexions.

The use of these Pills for a very short time will effect an entire cure of **Salt Rheum,** and a striking improvement in the clearness of the skin.

Common Colds and **Influenza** will always be cured by one dose, or by two even in the worst cases.

PILES. As a remedy for this most distressing and obstinate malady, the **VEGETABLE LIFE MEDICINES** deserve a distinct and emphatic recommendation. It is well-known to hundreds in this city, that the former proprietor of these valuable Medicines was himself afflicted with this complaint for upwards of THIRTY-FIVE YEARS; and that he tried in vain every remedy prescribed within the whole compass of the *Materia Medica.* He however at length tried the Medicine which is now offered to the public, and he was cured in a very short time, after his recovery had been pronounced not only improbable, but absolutely impossible, by any human means.

FEVER AND AGUE.

For this scourge of the western country these Medicines will be found a safe, speedy, and certain remedy. Other medicines leave the system subject to a return of the disease—a cure by these medicines is permanent—TRY THEM, BE SATISFIED, AND BE CURED.

Bilious Fevers and Liver Complaints.
General Debility, Loss of Appetite, and Diseases of Females—these medicines have been used with the most beneficial results in cases of this description:—King's Evil and Scrofula, in its worst forms, yields to the mild yet powerful action of these remarkable Medicines. Night Sweats, Nervous Debility, Nervous Complaints of all kinds, Palpitation of the Heart, Painter's Colic, are speedily cured.

MERCURIAL DISEASES.

Persons whose constitutions have become impaired by the injudicious use of Mercury, will find these Medicines a perfect cure, as they never fail to eradicate from the system all the effects of Mercury infinitely sooner than the most powerful preparations of Sarsaparilla. A single trial will place them beyond the reach of competition, in the estimation of every patient.

BE CAREFUL OF COUNTERFEITS.

Several have lately been discovered, and their nefarious authors arrested, both in the city of New York and abroad.

DR. TOWNSEND'S

COMPOUND EXTRACT OF

SARSAPARILLA.

Wonder and Blessing of the Age.

The most extraordinary medicine in the world!

This Extract is put up in Quart Bottles; it is six times cheaper, pleasanter, and warranted superior to any sold. It cures disease without vomiting, purging, sickening, or debilitating the Patient.

The great beauty and superiority of this Sarsaparilla over all other Medicines is, while it eradicates disease, it inrigorates the body. It is one of the very best

SPRING AND SUMMER MEDICINES

ever known; it not only purifies the whole system and strengthens the person, but it creates, new, pure and rich blood, a power possessed by no other Medicine. And in this lies the grand secret of its wonderful success. It has performed within the last two years, more than one hundred thousand cures of severe cases of disease; at least, 50,000 were considered incurable. It has saved the lives of more than 15,000 children the three past seasons.

100,000 cases of General Debility and want of Nervous Energy.

Dr. Townsend's Sarsaparilla invigorates the whole system permanently. To those who have lost their muscular energy, by the effects of medicine, or indiscretion committed in youth, or the excessive indulgence of the passions, and brought on by physical prostration of the nervous system, lassitude, want of ambition, fainting sensations, premature decay and decline, hastening toward that fatal disease, Consumption, can be entirely restored by this pleasant remedy. This Sarsaparilla is far superior to any

INVIGORATING CORDIAL.

As it renews and invigorates the system, gives activity to the limbs, and strength to the muscular system in a most extraordinary degree.

Consumption Cured.

Cleanse and Strengthen. Consumption can be cured. *Bronchitis, Consumption, Liver Complaint, Colds, Catarrh, Coughs Asthma, Spitting of Blood, Soreness in the Chest, Hectic Flush, Night Sweats, Difficult or Profuse Expectoration, Pain in the Side, &c., have been and can be cured.*

Spitting Blood.

Dr. Townsend—I verily believe your Sarsaparilla has been the means, through Providence, of saving my life. I have for several years had a bad Cough. It became worse and worse. At last I raised large quantities of blood, had night sweats, and was greatly debilitated and reduced, and did not expect to live. I have only used your Sarsaparilla a short time, and there has a wonderful change been wrought in me. I am now able to walk all over the city. I raise no blood, and my cough has left me. You can well imagine that I am thankful for these results. Your obedient servant.

WM. RUSSEL, 65 Catherine-st.

Rheumatism.

Blackwell's Island, Sept. 14 1847.

Dr. Townsend—Dear Sir: I have suffered terribly for nine years with the Rheumatism; considerable of the time I could not eat, sleep or walk. I had the utmost distressing pains, and my limbs were terribly swollen. I have used four bottles of your Sarsaparilla, and they have done me more than one thousand dollars worth of good, I am so much better—indeed, I am entirely relieved. You are at liberty to use this for the benefit of the afflicted.

Yours, respectfully,

JAMES CUMMINGS.

Fits! Fits!! Fits!!!

Dr. Townsend, not having tested his Sarsaparilla in cases of Fits, of course, never recommended it, and was surprised to receive the following from an intelligent and respectable Farmer in Westchester County;

Fordham, August 13, 1847.

Dr. Townsend—Dear Sir: I have a little girl, seven years of age, who has been several years afflicted with Fits; we tried almost everything for her, but without success; at last, although we could find no recommendation in your circulars for cases like hers, we thought, as she was in very delicate health, we would give her some of your Sarsaparilla, and are very glad we did, for it not only restored her strength, but she has had no return of the Fits, to our great pleasure and surprise. She is fast becoming rugged and healthy, for which we feel grateful. Yours, respectfully,

JOHN BUTLER, Jr.

Female Medicines.

Dr. Townsend's Sarsaparilla is a sovereign and speedy cure for Incipient Consumption, Barrenness, Prolapsus Uteri, or Falling of the Womb Costiveness, Piles, Leucorrhœa, or Whites, obstructed or difficult Menstruation, Incontinence of Urine, or involuntary discharge thereof, and for the general prostration of the system—no matter whether the result of inherent cause or causes, produced by irregularity, illness or accident. Nothing can be more surprising than its invigorating effects on the human frame. Persons all weakness and lassitude, from taking it, at once become robust and full of energy under its influence. It immediately counteracts the nervelessness of the female frame, which is the great cause of Barrenness. It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed, but we can assure the afflicted, that hundreds of cases have been reported to us. Thousands of cases where families have been without children, after using a few bottles of this invaluable Medicine, have been blessed with fine, healthy offspring.

Great Blessing to Mothers and Children.

It is the safest and most effectual medicine for purifying the system, and relieving the sufferings attendant upon childbirth ever discovered. It strengthens both the mother and the child, prevents pain and disease, increases and enriches the food; those who have used it, think it is indispensable. It is highly useful both before and after confinement, as it prevents diseases attendant upon child-birth—in Costiveness, Piles, Cramps Swelling of the Feet, Despondency, Heartburn, Vomiting, Pain in the Back and Loins, False Pains, Hemorrhage, and in regulating the secretions and equalizing the circulation, it has no equal. The great beauty of this medicine is, it is always safe, and the most delicate use it most successfully, very few cases require any other medicine, in some a little Castor Oil, or Magnesia is useful. Exercise in the open air, and light food with this medicine, will always secure a safe and easy confinement.

Beauty and Health.

Cosmetics, Chalk, and a variety of preparations generally in use, when applied to the face, very soon spoil it of its beauty. They close the pores of the skin, and check the circulation, which, when nature is not thwarted by disease or powder, or the skin inflamed by the alkalies used in soaps, beautifies its own production in the "human face Divine," as well as in the garden of rich and delicately tinted variegated flowers. A free, active and healthy circulation of the fluids, or the coursing of the pure, rich blood, to the extremities, is that which paints the countenance in the most exquisite beauty. It is that which imparts the indescribable shades and flashes of loveliness that all admire, but none can describe. This beauty is the offspring of *nature—not of powder or soap.* If there is not a free and healthy circulation there is no beauty. If the lady is fair as driven snow, if she paints, and use cosmetics, and the blood is thick, cold and impure, she is not beautiful. If she be brown or yellow, and there is pure and active blood, it gives a rich bloom to the cheeks, and a brilliancy to their eyes that is fascinating.

This is why the southern, and especially the Spanish ladies, are so much admired. Ladies in the north, who take but little exercise, or are confined in close rooms, or have spoiled their complexion by the application of deleterious mixtures, if they wish to regain elasticity of step, buoyant spirits, sparkling eyes and beautiful complexion, they should use Dr. Townsend's Sarsaparilla. Thousands who have tried it, are more than satisfied, are delighted. Ladies of every station crowd our office daily.

The Rev. John Seger

Of Jersey City, an old and highly respectable clergyman of the Baptist denomination, handed in the following certificate at Dr. Townsend's office. It speaks for itself.

Dr. Townsend—Dear Sir: I am constrained to give you a statement of the benefit I derived from using your Sarsaparilla, believing, by so doing, I shall render a benefit to those who are suffering as I have been. I was reduced for many months by the Dyspepsia, so much that it was with much difficulty for me to walk or keep about. I had also a tetter, which covered the most part of my head—which was extremely troublesome and sore; it got to be almost a scab. I used quite a number of remedies for both the complaints, but received little or no benefit, until I took your Sarsaparilla, which, through the kindness of Providence, has restored me to more than my usual health, as I am now enjoying better than I have for a number of years. I am now 60 years of age. I believe it to be an invaluable medicine, and recommend it to my numerous acquaintances, which is very large, as I have been a minister a great many years. I hope this hasty sketch may be as much benefit to you as your medicine has to me. JOHN SEGER, Jersey City
