The testimony in its favor is overwhelming. The proprietors are daily in receipt of letters and certificates, going to prove its remarkable efficiency to all cases of worms, both in children and adults. M'Alister's All-Healing Ointment,
Or, The World's Salve.
Contains no Mercury or other Mineral. From the Reading Eagle.
There was never, perhaps, a medicine brought before the public, that has in so short a time won such a reputation as M'ALISTER'S ALL-HEALING-OR WORLD-SALVE. Almost every person that has made trial of it speaks warmly in its praise. One has been cured by it, of the most painful Rheumatism, another of the Piles, a third of a troublesome pain in the limbs, &c., &c. If it does not give immediate relief, in every case, it can do no injury, being applied outwardly. As another evidence of the wonderful healing power possessed by this salve, we subjoin the following certificate, from a respectable citizen of Maiden-creek township in this county: MAIDEN-CREEK, Berks Co., March 30, 1847.

Messrs. Ritter & Co.—I desire to inform you that I was entirely cured of a severe pain in the back, by the use of M'ALISTER'S ALL-HEALING OR WORLD-SALVE, which I purchased from you. I suffered with it for about 20 years, and at night was unable to sleep. During that time I tried various remedies, which were prescribed for me by physicians and other persons, without receiving any relief, and at last made trial of this Salve, with a result favorable beyond expectation. I am now entirely free from the pain, and enjoy at night a peaceful and sweet sleep. I have also used the Salve since for other complaints, with similar happy results. Your friend,
JOHN HOLDINBACH.

Silence
That dreadful cough! The Lungs are in danger! The work of the destroyer hath begun. The cough of consumption hath in it sounds of Death!
Are you a mother! Your darling child, your idol and earthly joy, is now perhaps, confined to her chamber by a dangerous cold, her pale cheeks, her thin shrunken fingers, tell the blood disease has already gained upon her, the sound of her sepulchral cough pierces your soul. Young man, when just about to enter life, disease sends a hear-crushing blight over the fair prospects of the future, your hectic cough and feeble limbs tell of your loss of hope, but you need not despair. There is a balm which will heal the wounded lungs, it is

SHERMAN'S ALL-HEALING BALSAM.
Mrs. Attree, the wife of Wm. H. Attree, Esq., was given up by Dr. Sewall of Washington, Dr. Roe and McClellan of Philadelphia, Dr. Roe and Dr. Mot of New York. Her friends all thought she must die. She had every appearance of being in consumption, and was so pronounced by her physicians—Sherman's Balsam was given and it cured her. Mrs. Garbrahrant, of Bull's Ferry, was also cured of consumption by this Balsam when all other remedies failed to give relief—she was reduced to a skelton. Dr. A. C. Castle, Dentist, 281 Broadway, has witnessed its effects in several cases where no other medicine afforded relief—but the Balsam operated like a charm. Dr. C. also witnessed its wonderful effects in curing Asthma, which it never fails of doing. Spitting Blood, alarming as it may be, is effectually cured by this Balsam. It heals the ruptured or wounded blood vessels, and makes the lungs sound again.

Rev. Henry Jones, 108 Eighth avenue, was cured of cough and catarrhal affection of 50 years standing. The first dose gave him more relief than all the other medicine he had ever taken. Dr. L. J. Beals, 19 Delancy-street, gave it to a sister-in-law who was laboring under Consumption, and to another sorely afflicted with the Asthma. In both cases its effects were immediate, soon restoring them to comfortable health. Mrs. Lchretia Wells, 95 Christie-st. suffered from Asthma 42 years. Sherman's Balsam relieved her at once, and she is comparatively well, being enabled to subdue every attack by a timely use of this medicine. This indeed is the great remedy for Coughs, Colds, Spitting Blood, Liver Complaints, and all the affections of the throat, and even Asthma and Consumption.

Raising Blood
And Consumption, pain in the side and night sweats, Asthma, Whooping Cough, palpitation of the heart, Liver complaint, Bronchitis, And all diseases of the throat, lungs and liver, cured by Sherman's All-Healing Balsam.
RAISING BLOOD AND CONSUMPTION.
Mr. Milne, Builder, in Brookfyn, was attacked with raising blood, followed by a cough, pain in the side, and all the usual symptoms of consumption. He employed two of the best physicians; they did him no good, and told him he could not live. Hearing of the wonderful cures performed by Sherman's Balsam, he sent at 10 o'clock at night to Mrs. Hayes, 136 Fulton street, and got a bottle; it operated like a charm, stopped the bleeding and cough! Before he had taken one bottle he was able to be about his work. It had saved his life. His daughter, residing at 127 Myrtle Avenue, can attest it.

Miss Ann Mason, of Williamsburg, living in Tenth, near South Fourth-street, says—That she had been troubled with a hacking cough, and pain in the chest, for a long time, which at last became so bad that she was obliged to give up her school for more than a year. She then commenced taking the All-Healing Balsam—which soon alleviated her symptoms. She is now fast recovering, and has resumed her laborious occupation as a teacher. 14 years Mr. John O'Neil, 10th avenue and 21st street, suffered with a cough, raising of phlegm, and pain in his side. He could get no relief till he tried the All-Healing Balsam, which drove the pain from his side, allayed the cough, and brought the disease upon the surface; and before he had taken three bottles, was entirely cured.

PLEURISY AND CONSUMPTION.
Mrs. Baggas, a lady upwards of 70, residing 88 Sheriff, has for years been subject to attacks of Pleurisy, Raising of Blood, severe Cough, Shortness of Breath, Pain in her Head and various parts of her body. Her friends believed her past recovery. The All-Healing Balsam relieved her at once of all her alarming symptoms, and now she is able to attend to her work.
ASTHMA AND WHOOPING COUGH.
Mrs. Lucretia Wells, 95 Christie-st.; J. S. Beals, 19 Delancy-st.; W. H. Youngs, 75 Walnut st., know the value of this great remedy. Ask for Sherman's All-Healing Balsam, and see that his written signature is on each bottle. Price 25 cents and \$1 per bottle. Dr. Sherman's Worm and Cough Lozenges sold as above. MOFFAT'S
Life Pills and Phoenix Bitters.
These Medicines have now been before the public for a period of FIFTEEN YEARS, and during that time have maintained a high character in almost every part of the globe for their extraordinary and immediate power of restoring perfect health to persons suffering under nearly every kind of disease to which the human frame is liable. In MANY THOUSANDS of certified instances, they have even rescued sufferers from the very verge of an untimely grave, after all the deceptive nostrums of the day had utterly failed; and to many thousands they have permanently secured that uniform enjoyment of health, without which life itself is but a partial blessing. So great, indeed, has their efficacy invariably and infallibly proved, that it has appeared scarcely less than miraculous to those who were acquainted with the beautifully philosophical principles upon which they are compounded, and upon which their consequently acted. It was to their manifest and sensible action in purifying the springs and channels of life, and enduring them with renewed tone and vigor, that they were indebted for their name.

Unlike the host of pernicious quackeries which boast of vegetable ingredients, the **LIFE MEDICINES** are purely and solely vegetable; and contain neither Mercury, nor Antimony, nor Arsenic, nor any other mineral, in any form whatever. They are entirely composed of extracts from rare and powerful plants, the virtues of which, though long known to several Indian tribes, and recently to some eminent pharmaceutical chemists, are altogether unknown to the ignorant pretenders to medical science; and were never before administered in so happily efficacious a combination.

The first operation is to loosen from the coats of the stomach and bowels the various impurities and crudities constantly settling round them; and to remove the hardened feces which collect in the convolutions of the small intestines. Other medicines only partially cleanse these, and leave such collected masses behind to produce habitual Costiveness, with all its train of evils, or sudden Diarrhoea with its imminent dangers. This fact is well-known to all regular anatomists who examine the human bowels after death; and hence the prejudice of these well-informed men against the quack medicines of the age. The second effect of the **VEGETABLE LIFE MEDICINES** is to cleanse the kidneys and the bladder; and, by this means, the liver and lungs, the healthful action of which entirely depends upon the regularity of the urinary organs. The blood, which takes its red color from the agency of the liver and lungs, before it passes into the heart, being thus purified by them, and nourished by food coming from a clean stomach, courses freely through the veins, renews every part of the system, and triumphantly mounts the banner of health in the blooming cheek.

The following are among the distressing variety of human diseases in which the **VEGETABLE LIFE MEDICINES** are well known to be infallible. **DYSPEPSIA**, by thoroughly cleansing the first and second stomachs, and creating a flow of pure healthy bile, instead of the stale and acid kind; **HEADACHE, LOSS OF APPETITE, HEART-BURN, FLATULANCE, REFLESSION, ILL-TUMOR, ANXIETY, LANGUOR, and MELANCHOLY**, which are the general symptoms of Dyspepsia, will vanish, as a natural consequence of its cure. **Costiveness**, by cleansing the whole length of the intestines with a solvent process, and without violence; all violent purges leave the bowels costive within two days.

Diarrhoea and Cholera, by removing the superabundant bile, and the irritability, are occasioned, and by promoting the lubricating secretion of the mucous membrane. **Fevers** of all kinds, by restoring the blood to a regular circulation, through the process of perspiration in such cases, and the thorough solution of all intestinal obstruction in others. The **LIFE MEDICINES** have been known to cure Rheumatism permanently in three weeks, and Gout in half that time, by removing local inflammation from the muscles and ligaments of the joints. **Dropsies** of all kinds, by freeing and strengthening the kidneys and bladder; they operate most delightfully on these important organs, and hence have ever been found a certain remedy for the worst cases of Gravel. **Also Worms**, by dislodging from the turnings of the bowels the slimy matter to which these creatures adhere. **Asthma and Consumption**, by relieving the air-vessels of the lungs from the mucous which even slight colds will occasion, and which, if not removed, becomes hardened, and produces these dreadful diseases. **Soreness, Ulcers, and Inveretate Sores**, by the perfect purity which these **LIFE MEDICINES** give to the blood, and all the humors. **Scorbatic Eruptions and Bad Complexions**, by their alternative effect upon the fluids that feed the skin, and the morbid state of which occasions all eruptive complaints, sallow, cloudy, and other disagreeable complexions. The use of these Pills for a very short time will effect an entire cure of Salt Rheum, and a striking improvement in the clearness of the skin. **Common Colds and Influenza** will always be cured by one dose, or by two even in the worst cases.

PILES. As a remedy for (this most distressing and obnoxious malady, the **VEGETABLE LIFE MEDICINES** deserve a distinct and emphatic recommendation. It is well known to hundreds in this city, that the former proprietor of these valuable Medicines was himself afflicted with this complaint for upwards of THIRTY-FIVE YEARS; and that he tried in vain every remedy prescribed within the whole compass of the Materia Medica. He however at length tried the Medicine which is now offered to the public, and he was cured in a very short time, after his recovery had been pronounced not only improbable, but absolutely impossible, by any human means. **FEVER AND AGUE.** For this scourge of the western country these Medicines will be found a safe, speedy, and certain remedy. Other medicines leave the system subject to a return of the disease—a cure by these Medicines is permanent—TRY THEM, BE SATISFIED, AND BE CURED.

Bilious Fevers and Liver Complaints. **General Debility, LOSS OF APPETITE, and DISEASES OF FEMALES**—these Medicines have been used with the most beneficial results in cases of this description.—KIND'S EVIL and SCROFULA, in its worst forms, yields to the mild yet powerful action of these remarkable Medicines. **NIGHT SWEATS, NERVOUS DEBILITY, NERVOUS COMPLAINTS OF ALL KINDS, PALPITATION OF THE HEART, PAINTER'S COLIC,** are speedily cured.

MERCURIAL DISEASES. Persons whose constitutions have become impaired by the injudicious use of MERCURY, will find these Medicines a perfect cure, as they need not eradicate from the system all the effects of Mercury infinitely sooner than the most powerful preparations of Sarsaparilla. A single trial will place them beyond the reach of competition, in the estimation of every patient. **BE CAREFUL OF COUNTERFEITS.** Several have lately been discovered, and their nefarious authors arrested, both in the city of New York and abroad. Buy of no one who is not an AUTHORIZED AGENT. Prepared and sold by DR. W. B. MOFFAT, 336 Broadway, New York.

DR. TOWNSEND'S
Office MANUFACTORY
DR. TOWNSEND'S
COMPOUND EXTRACT OF SARSAPARILLA.
Wander and Blessing of the Age.
The most extraordinary medicine in the world!
This Extract is put up in Quart Bottles; it is six times clearer, pleasanter, and warranted superior to any sold. It cures disease without vomiting, purging, sickening, or debilitating the Patient. The great beauty and superiority of this Sarsaparilla over all other Medicines is, while it eradicates disease, it invigorates the body. It is one of the very best SPRING AND SUMMER MEDICINES ever known; it not only purifies the whole system and strengthens the person, but it creates new, pure and rich blood, a power possessed by no other Medicine. And in this the grand secret of its wonderful success. It has been performed within the last few years, more than one hundred thousand cures of severe cases of disease; at least, 50,000 were considered incurable. It has saved the lives of more than 15,000 children in three past seasons. **100,000 cases of General Debility and want of Nervous Energy.** Dr. Townsend's Sarsaparilla invigorates the whole system permanently. To those who have lost their muscular energy, by the effects of medicine, or who, from youth, or the excessive indulgence of the passions, and brought on by physical prostration of the nervous system, lassitude, want of ambition, fainting sensations, premature decay and decline, hastening toward that fatal disease, Consumption, can be entirely restored by this pleasant remedy. This Sarsaparilla is far superior to any. **INVIGORATING COBDEIAL.** As it renews and invigorates the system, it is a most extraordinary degree. **Consumption Cured.** Cleanse and Strengthen. Consumption can be cured. Bronchitis, Consumption, Liver Complaint, Colds, Catarrh, Coughs, Asthma, Spitting of Blood, Soreness in the Throat, Hectic Flush, Night Sweats, Difficulty of Profuse Expectoration, Pain in the Side, &c., have been and can be cured. **Spitting Blood.** Dr. Townsend's Sarsaparilla has been the means, through Providence, of saving my life. I have for several years had a bad Cough. It became worse and worse. At last I raised large quantities of blood, had night sweats, and was greatly debilitated and reduced, and did not expect to live. I have only used your Sarsaparilla a short time, and there has a wonderful change been wrought in me. I am now able to walk all over the city, feel better than good, and my cough has been cured. You can well imagine that I am thankful for these results. Your obedient servant, Wm. RUSSELL, 65 Catherine-st.

Rheumatism. **Hickok, Tenn.,** Sept. 14, 1847. Dr. Townsend—Dear Sir: I have suffered terribly for nine years with the Rheumatism; considerable of the time I could not sleep or walk. I had the utmost distressing pains, and my limbs were terribly swollen. I have used your Sarsaparilla for your Sarsaparilla, and they have done me more than one thousand dollars worth of good. I am so much better—indeed, I am entirely relieved. You are at liberty to use this for the benefit of the afflicted. Yours, respectfully, JAMES CUMMINGS. **Fits: Fits: Fits!!!** Dr. Townsend, not having tested your Sarsaparilla in cases of Fits, of course, never recommended it; and was surprised to receive the following from an intelligent and respectable Farmer in Westchester County: **Jordan, August 13, 1847.** Dr. Townsend—Dear Sir: I have a little girl, seven years of age, who has been several years afflicted with Fits; we tried almost everything for her, but without success; at last, although we could find no recommendation in your Directions for cases like hers, we thought, as she was in very delicate health, we would give her some of your Sarsaparilla, and are very glad we did, for it not only cured her, but she has had no return of the Fits, to our great pleasure and relief. She is fast becoming rugged and healthy, for which we feel grateful. Yours, respectfully, JOHN BUTLER, Jr.

Female Medicines. Dr. Townsend's Sarsaparilla is a sovereign and speedy cure for Incipient Consumption, Barrenness, Profligate Uteri, or Falling of the Womb, Costiveness, Piles, Leucorrhoea, or Whites, or obstructed or difficult Menstruation, Incontinence of Urine, or involuntary discharge thereof, and for the general prostration of the system—no matter whether the result of recent cause or cause, produced by irregularity, excess or accident. Nothing can be more surprising than its invigorating effects on the human frame. Persons all weakness and debility, from taking it, as it restores the vitality of energy under its influence. It immediately counteracts the nervousness of the female frame, which is the great cause of Barrenness. It will not be expected of us, in cases of so delicate a nature, to exhibit our medicines in any form; but we can assure the afflicted, that hundreds of cases have been reported to us. Thousands of cases where families have been without children, after using a few bottles of your Sarsaparilla, have been blessed with a healthy offspring. **Great Blessing to Mothers and Children.** It is the safest and most effectual medicine for purifying the system, and relieving the sufferings attendant upon childhood ever discovered. It strengthens the child, and prevents pain and disease, increases and enriches the food; those who have used it, think it is indispensable. It is highly useful both before and after confinement, as it prevents disease attendant upon the child, and restores the Urine, or involuntary discharge thereof, and for the general prostration of the system—no matter whether the result of recent cause or cause, produced by irregularity, excess or accident. Nothing can be more surprising than its invigorating effects on the human frame. Persons all weakness and debility, from taking it, as it restores the vitality of energy under its influence. It immediately counteracts the nervousness of the female frame, which is the great cause of Barrenness. It will not be expected of us, in cases of so delicate a nature, to exhibit our medicines in any form; but we can assure the afflicted, that hundreds of cases have been reported to us. Thousands of cases where families have been without children, after using a few bottles of your Sarsaparilla, have been blessed with a healthy offspring.

Beauty and Health. Cosmetics, Chalk, and a variety of preparations generally in use when applied to the face, very soon spoil it, and destroy its natural beauty. They close the pores of the skin, and check the circulation, which when nature is not thwarted by disease or powder, or the skin inflamed by the alkalis used in soap, hinders its own production of healthy particles, and, as well as in a garden of rich and delicately tinted variegated flowers. A free, active and healthy circulation of the fluids, or the same thing, is the source of the natural beauty, is that which imparts the indescribable shades of softness and loveliness that all admire, but which are rarely seen. This beauty is the offspring of nature—not of powder or soap. If there is not a free and healthy circulation, there is no beauty. If the lady is fair as driven snow, if she paints, and uses cosmetics, and the brightest and most approved make-up, she is not beautiful. If she be brown or yellow, and there is pure and active blood, it gives a rich bloom to the cheeks, and a brilliancy to their eyes that is fascinating. This is why the southern, and especially the Spanish ladies, are so much admired. Ladies in the north, who take but little exercise, or are confined in close rooms, or have spoiled their complexion by the application of delusive mixtures, if they wish to regain elasticity of step, buoyant spirits, lustrous eyes and beautiful complexion, they should use Dr. Townsend's Sarsaparilla. Thousands who have tried it, are more than satisfied, and delighted. Ladies of every station, come to our office daily.

The Rev. John Seger of Jersey City, an old and highly respectable clergyman of the Baptist denomination, handed us the following certificate at Dr. Townsend's office. It speaks for itself. **Dr. Townsend—Dear Sir:** I am constrained to give you a statement of the benefit I derived from using your Sarsaparilla, believing, by so doing, I shall render a benefit to those who are suffering as I have been. I was reduced for many months by the Dyspepsia, so much that it was with much difficulty for me to walk or keep about. I had a great letter, which covered the most part of my head—which was extremely troublesome and sore; it got to be almost a sear. I used quite a number of remedies for both the complaints, but received little or no benefit, until I took your Sarsaparilla, which, through the kindness of Providence, has restored me to more than my usual health, as I am now enjoying better than I have for a number of years. I am now 60 years of age. I believe it to be an invaluable medicine, and I recommend it to my numerous acquaintances, which is very large, as I have been a minister a great many years. I hope this short sketch may be as much beneficial to you as it has been to me. JOHN SEGER, Jersey City July 11, 1847.

OPINIONS OF PHYSICIANS. Dr. Townsend is almost daily receiving orders from Physicians in different parts of the Union.
