A positive and never-failing remedy for That dreadful cough ! The Lungs are in danger ! The work of the destroyer hath begun. The cough of consumption hath in it sounds of Death !

> Are you a mother ? Your darling child, your to her chamber by a dangerous cold, her pale cheeks, her thin shrunken fingers, tell the hlod disease has already gained upon her, the sound of her sepulchral cough pierces your soul.

> > SHERMAN'S ALL-HEALING BALSAM

Mrs. Attree, the wife of Wm. H. Attree, Esq., was given up by Dr. Sewall of Washington, Drs. Roe and McClellan of Philadelphia, Dr Roe and Dr. Mott of New York. Her friends all thought she must die. She had every appearance of being in consumption, and was so pronounced by her physicians --- Sherman's Balsam was given and it cured her.

Mrs. Garrabraniz, of Bull's Ferry, was also cured of consumption by this Balsam when all other remedies failed to give relief-she was reduced to a skelton. Dr. A. C. Castle, Dentist , 281 Broadway, has witnessed its effects effects in curing Asthma, which it never fails of doing. Spitting Blood, alarming as it may

be, is effectually cured by this Balsam. I heals the ruptured or wounded blood vessels, and makes the lungs sound again.

Rev. Henry Jones, 108 Eighth avenue, was cured of cough and catarrhal affection of 50 years standing. The first dose gave him more relief than all the other medicine he had ever taken. Dr. L. J. Beals, 19 Delancy-street, gave it to a sister-inlaw who was laboring under Consumption, and to another sorely afflicted with the Asthma. In both cases its effects were immediate, soon restoring them to comfortable health.

Mrs. Lchretia Wells, 95 Christie-st. suffered from Asthma 42 years. Sherman's Balsam vide themselves with this invalvable prepara. relieved her at once, and she is comparatively well, being enabled to subdue every attack by a timely use of this medicine. This indeed is the great remedy for Coughs, Colds, Spitting Blood, Liver Complaints, and all the affections of the throat, and even Asthma and Consump-

MOFFATS Life Pills and Phœnix Bitters. These Medicines have now been before the

ublic for a period of FIFTEEN YEARS, and during that time have maintained a high character in almost every part of the globe for their extraordinary and immediate power of restoring perfect health to persons suffering under nearly every kind of disease to which the human frame is liable.

IN MANY THOUSANDS

of certificated instances, they have even rescued sufferers from the very verge of an untimely grave, after all the deceptive nostrums of the day had utterly failed ; and to many thousands they have permanently secured that uniform enjoyment of health, without which life itself is but a partial blessing. So great, indeed, has their efficacy invariably and infallibly proved, that it has appeared scarcely less than miraculous to those who were acquainted with the beautifully philosophical principles upon which they are combounded, and upon which they consequently act. It was to their manifest and sensible action in purifying the springs and channels of life, and enduing them with renewed tone and vigor, that they were indebted for their name.

Unlike the host of pernicious quackeries which boast of vegetable ingredients, the LIFE MEDI-CINES are purely and solely vegetable; and contain neither Mercury, nor Antimony, nor Arsenic, nor any other mineral, in any form whatever. They are entirely composed of extracts from rare and powerful plants, the virtues of which, though long known to several Indian tribes, and recently to some eminent pharmaceutical chemists, are altogether unknown to the ignorant pretenders to medical science ; and were never before administered in so happily efficacious a combination.

The first operation is to loosen from the coats of the stomach and bowels the various impurities and crudities constantly settling round them ; and to remove the hardened fieces which collect in the convolutions of the small intestines. Other medicines only partially cleanse these, and leave such collected masses behind to produce habitual Costiveness, with all its train of evils, or sudden Diarrhoa with its imminent dangers. This fact is well-known to all regular anatomists who examine the human bowels after death ; and hence the prejudice of these well-informed men against the quack medicines of the age. The second effect of the VEGETABLE LIFE MEDI-CINES is to cleanse the kidneys and the bladder; and, by this means, the liver and lungs, the healthful action of which entirely depends upon the regularity of the urinary organs. The blood, which takes its red color from the agency of the liver and lungs, before it passes into the heart, being thus purified by them, and nourished by food coming from a clean stomach, courses freely through the veins, renews every part of the system, and triumphantly mounts the ban-

Da. TOWNSEND-I verily believe your Sarsaparilla has been the means, through Providence, of saving my life. I have for several years had a bad Cough. It became worse and worse. There was never, perhaps, a medicine brought before the public, that has in so short a time won such a reputation as M'ALLISTER'S ALL-HEALING OR WOKLD.SALVE. Almost evein its praise. One has been cured by it, of the most painful Rheumatism, another of the Piles, a third of a troublesome pain in the limbs, &c., &c. As another evidence of the wonderful healing power possessed by this salve, we subjoin the following certificate, from a respectable citizen of Maiden-

creek township in this county : MAIDENCREER, Berks Co., March 30, 18 7. Messrs. Ritter & Co .-- I desire to inform you that I was entirely cured of a severe pain in the back, by the use of M'Allisters All-Healing Salve, which I purhhased from you. I suffered with it for about 20 years, and at night was unable to sleep. During that time I tried various remedies, which were prescribed for me by physicians and other persons, without receiving any relief, and at last made trial of this Salve, with a result favorable beyond expectation. I am now entirely free from the pain, and enjoy at night a peaceful and sweet sleep. I have also used the Salve since for other complaints, with similar happy results.

Raising Blood

And Consumption, pain in the side and night sweats, Asthma, Whooping Cough, palpitation of the heart, Liver complaint, Bronchitis, And all diseases of the throat, lungs and liver, cured by Sherman's All-Healing Balsam.

RAISING BLOOD AND CONSUMPTION

Mr. Milne, Builder, in Brookfyn, was attacked with raising blood, followed by a cough, pain in the side, and all the usual symptoms of consumption. He employed two of the best physicians; they did him no good, and told him he could not live.

Hearing of the wonderful cures performed by Sherman's Balsam, he sent at 10 o'clock at night to Mrs. Hayes, 136 Fulton street, and got a bottle ; it operated like a charm, stopped the bleeding and cough ! Before he had taken one bottle he was able to be about his work. It had saved his life. His daughter, residing at 127 Myrtle Avenue, can attest it.

Miss Ann Maston, of Williamsburg, living in Tenth, near South Fourth-street, says --- That and pain in the chest, for a long time, which at last become so bad that she was obliged to give up her school for more than a year. She then commenced taking the All-Healing Balsam --- which soon alleviated her symptoms. She is now fast recovering, and has resumed her laborious occupation as a teacher,

14 years Mr. John O'Neil, 10th avenue and 21st street, suffered with a cough, raising of phlegm, and pain in his side. He could get no relief till he tried the All-Healing Balam, which drove the pain from his side, allayed the cough, and brought the disease upon the surface; and before he had taken three bottles, was entirely cured.

PLEURISY AND CONSUMPTION. Mrs. Baugas, a lady upwards of 70, residing 88 Sheriff, has for years been subject to attacks of Pleurisy, Raising of Blood, severe Cough, Shortness of Breath, Pain in her Head and various parts of her body. Her friena-believed her past recovery. The All-Healing Baisson releived her at once of all her alarming symptons, and now she is able to attend to her work. ASTHMA AND WHOOPING COUGH. Mrs. Lucretia Wells, 95 Christie-st.; L. S. Beals, 19 Delancey st.; W. H. Youngs, 75 Walnut st., know the value of this great remedy. Ask for Sherman,s All-Healing Balsam, and see that his written signature is on each boule. Price 25 cents and \$1 per bottle.

ner of health in the blooming cheek.

The following are among the distressing variety of human diseases in which the VEGE-TABLE LIFE MEDICINES are well known

DYSPEPSIA, by thoroughly cleansing the first and second stomachs, and creating a flow of pure healthy bile, instead of the stale and acrid kind; Flatulency, Loss of Appetite, HEART-BURN, HEADACHE, RESTLESSNESS, ILL-TEMPER, ANXIETY, LANGUOR, and MELANCHOLY, which are the general symptoms of Dyspepsia, will vanish, as a natural consequence of its cure,

Costiveness, by cleansing the whole length of the intestines with a solvent process, and without violence; all violent purges leave the bowels costive within two days.

Diarrhœa and Cholera,, by removing the sharp acrid fluids by which these complaints are occasioned, and by promoting the lubricative seerction of the mucous membrane.

Fevers of all kinds, by restoring the blood to a regular circulation, through the process of perspiration in such cases, and the thorough solution of all intestinal obstruction in others.

The LIFE MEDICINES have been known to cure Rheumatism permanently in three weeks, and Gout in half that time, by removing local inflammation from the muscles and ligaments of the joints.

Dropsies of all kinds, by freeing and strength-ening the kidneys and bladder : they operate most delightfully on these important organs, and hence have ever been found a certain remedy for the

worst cases of Gravel. Also Worms, by dislodging from the turnings of the bowels the slimy matter to which these creatures adhere.

Asthma and Consumption, by relieving the air-vessels of the lungs from the mucous which even slight colds will occasion, and which, if not removed, becomes hardened, and produces these dreadful diseases.

Scurvy, Ulcers, and Inveterate Sores, by the perfect purity which these LIFE MEDI-CINES give to the blood, and all the humors.

Scorbutic Eruptions and Bad Complex-ions, by their alterative effect upon the fluids that feed the skin, and the morbid state of which occasions all eruptive complaints, sallow, cloudy, and other disagreeable complexions.

The use of these Pills for a very short time will effect an entire cure of Salt Rheum, and a striking improvement in the clearness of the skin. Common Colds and Infinenza will always be cured by one dose, or by two even in the worst cases.

PILES. As a remedy for this most distressing. and obstinate malady, the VEGETABLE LIFE MEDICINES deserve a distinct and emphatic. recommendation. It is well-known to hundreds in this city, that the former proprietor of these valuable Medicines was himself afflicted with this compaint for upwards of THIRTY-FIVE YEARS ; and that he tried in vain every remedy prescribed within the whole compass of the Materia Medica. He however at length tried the Medicine which is now offered to the public, and he was cured in a very short time, after his recovery had been pronounced not only improbable, but absolutely impossible, by any human means.

FEVER AND AGUE.

For this scourge of the western country these Medicines will be found a safe, speedy, and cer-tain remedy. Other medicines leave the system subject to a return of the disease—a cure by these medicines is permanent—TRY THEM, BE SATISFIED, AND BE CURED.

Bilious Fevers and Liver Complaints. General Debility, Loss OF APPETITE, AND DISEASES OF FEMALES-these medicines have been used with the most beneficial results in cases of this description :- KING'S EVIL and SCROFULA, in its wow forms, yields to the mild yet powerful action of these remarkable Medicines. NIGHT SWEATS, NERVOUS DEBILITY, NERVOUS COM-PLAINTS of all kinds, PALA TION OF THE HEART, PAINTER'S COLIC, are speedily wood. of Fits, of course, never recommended it, and was surprised to receive the following from an intelligent and respectable Farmer in Westchester County ;

Fordham, August 13, 1847. Dr. Townsend-Dear Sir: I have a little girl seven years of age, who has been several years afflicted with Fits; we tried almost everything for her, but without success ; at last, although we could find no recommendation in your circulars for cases like hers, we thought, as she was in very delicate health, we would give her some of your Sarsaparilla and are very glad we did, for it not only restored her strength, but she has had no return of the Fits, to our great pleasure and sur-prise. She is fast becoming rugged and healthy, for which we feel grateful. Yours, respectfully,

JOHN BUTLER, Jr.

Female Medicines. Dr. Townsend's Sarsaparilla is a sovereign and speedy cura for Incipient Consumption, Barrenness, Prolapsus Uteri, or Falling of the Womb Costiveness, Piles, Leucorrhora, or Whites, obstructed or difficult Menstruation, Incontinence of Urine, or involuntary discharge thereof, and for the general prostration of the system-no matter whether the of inherent cause or causes, produced by irregularity, illness or socident. Nothing can be more surprising than its in-vigorating effects on the human frame. Persons all weakness and lassitude, from taking it, at once become robust and full of energy under its influence. It immediately counteracts the nervelessness of the female frame, which is the great cause of Barrenness. It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed, but we can assure the afflicted, that hundreds of cases have been reported to us. Thousands of cases where families have been without children, after using a few bottles of this invaluable Medicine, have been blessed with fine, healthy offspring.

Great Blessing to Mothers and Children. It is the safest and most effectual medicine for parifying the system, and relieving the sufferings attendant upon childbirth ever discovered. It strengthens both the mother and the child, prevents pain and disease, increases and enriches the food; those who have used it, think it is indispensa ble. It is highly useful both before and after confinement, as it prevents diseases attendant upon child-birth-in Cos-tiveness, Piles. Cramps Swelling of the Feet, Despondency, Hearthure, Vomining, Pain in the Back and Louis, False Paine. Hemorrhage, and in regulating the secretions and equalizing the circulation, it has no equal. The great beauty of this medicine is, it is always safe, and the most delicate use it most successfully, very few cases require any other medi-cine, in some a little Castor Oil, or Magnesia is useful. Ex-ercise in the open sir, and light food with this medicine, will always secure a safe and easy confinement.

Beauty and Health. Cosmetics, Chalk, and a variety of preparations generally in use, when applied to the face, very soon spoil it of its beauty. They close the pores of the skin, and check the circulation, which, when nature is not thwarted by disease or powder, or the skin inflamed by the alkalies used in soaps beautifies its own production in the "human face Divine," as well as in the garden of rich and delicately tinted variegated flowers. A free, active and healthy circulation of the fluids, or the coursing of the pure. rich blood, to the extremi ties, is that which paints the countenance in the most exquisite beauty. It is that which imparts the indescribable shades and flashes of loveliness that all admire, but none can de-scribe. This beauty is the offspring of nature-not of powder or soap. If there is not a free and healthy circulation, there is no beauty. If the lady is fair as driven snow, if she paints, and use cosmetics, and the blood is thick, cold and impure, she is not beautiful. If she he brown or yellow, and there is pure and active blood, it gives a rich bloom to the cheeks, and a brilliancy to their eyes that is fascinating.

This is why the southern, and especially the Spanish ladies, are so much admired. Ladies in the north, who take but little exercise, or are confined in close rooms, or have spoiled their complexion by the application of deleterious mixtures, if they wish to regain elasticity of step, buoyant spirits, sparkling eyes and beautiful complexion, they should use Dr. Townsend's Sarsaparilla. Thousands who have tried it, are more than satisfied, are delighted. Ladies of every station crowd our office daily.

The Rev. John Seger Of Jersey City, an old and highly respectable clergyman of the Baptist denomination, handed in the following certifi-cate at Dr. Townsend's office. It speaks for itself. Dr. Townsend-Dear Sir: I am constrained to give you a

atatement of the benefit I derived from using your Saraspa-rilla, believing, by so doing, I shall render a benefit to those who are suffering as 1 have been. I was reduced for many months by the Dyspepsia, so much that it was with much dif ficulty for me to walk or keep about. I had also a tetter, which covered the most part of my head-which was ex-tremely troublesome and sore; it got to be almost a scab. used quite a number of remedies for both the complaints, but received little or no benefit, until I took your Sarsaparilla, which, through the kindness of Providence, has restored me to more than my usual health, as I am now enjoying better than 1 have for a number of years. I am now 60 years of age. I helieve it to be an invaluable medicine, and recom-mend it to my numerous acquaintances, which is very large, as I have been a minister a great many years. I hope this has to me. JOHN SEGER, Jersoy City has to me. July 11, 1847.
