To Mechanics, Inventors and Manufacturers.

The publishers of the SCIENTIFIC AMERICAN respectfully give notice that the Vth Volume of this valuable journal will be commenced on the twenty-first of September next, offering a favorable opportunity for all to subscribe who take an interest in the progress and development of the Mechanics, Arts, and Manufactures of our country. The character of the Scientific American is too well known throughout the country to require a detailed account of the various subjects discussed through its columns.

The aim of the publishers has always been to render it the most thorough and useful scientific journal in the country; and to judge of this, by comparing its circulation and influence with other publications of the same class, they have the unequivocal evidence of its value as the leading exponent of the Arts and Sciences.

It will be published WEEKLY as heretofore, in quarto form, on fine paper, affording at the end of the year an ILLUSTRATED ENCYCLOPEDIA of over four hundred pages, with an index, and from five hundred to six hundred original engravings described by letters of reference, besides a vast amount of practical information concerning the progress of Scientific and Mechanical Improvements, Chemistry, Civil Engineering, Manufacturing in its various branches, Architecture, Masonry, Botany—in short it embraces the entire range of the Arts and Sciences.

It also possesses an original feature not found in any other weekly journal in the country, viz: an OFFICIAL LIST of PATENT CLAIMS, prepared expressly for its columns at the Patent Office, thus constituting it the "AMERICAN REPERTORY OF INVENTIONS."

In connection with the publishing department the proprietors transact the most extensive Home and Foreign Patent business done in this country; consequently their facilities must be correspondingly superior.

M'Alister's All-Healing Ointment,
Or, The World's Salve.
Contains no Mercury or other Mineral.
From the Reading Eagle.
There was never, perhaps, a medicine brought before the public, that has in so short a time won such a reputation as M'ALISTER'S ALL-HEALING OR WORLD-SALVE. Almost every person that has made trial of it speaks warmly in its praise. It has been cured by it, of the most painful Rheumatism, another of the Piles, a third of a troublesome pain in the limbs, &c., &c. If it does not give immediate relief, in every case, it can do no injury, being applied outwardly. As another evidence of the wonderful healing power possessed by this salve, we subjoin the following certificate, from a respectable citizen of Maiden-creek township in this county:
Mansacker, Berks Co., March 30, 1857.
Messrs. Ritter & Co.—I desire to inform you that I was entirely cured of a severe pain in the back, by the use of M'Alister's All-Healing Salve, which I purchased from you. I suffered with it for about 30 years, and at night was unable to sleep. During that time I tried various remedies, which were prescribed for me by physicians and other persons, without receiving any relief, and at last made trial of this Salve, with a result favorable beyond expectation. I am now entirely free from the pain, and enjoy at night a peaceful and sweet sleep. I have also used the Salve since for other complaints, with similar happy results. Your friend,
JOHN HOLDINBACH.

Silence.
That dreadful cough! The Lungs are in danger! The work of the destroyer hath begun! The cough of consumption hath in it sounds of Death!

Are you a mother? Your darling child, your idol and earthly joy, is now perhaps, confined to her chamber by a dangerous cold, her pale cheeks, her thin shrunken fingers, tell the flood disease has already gained upon her, the sound of her sepulchral cough pierces your soul.
Young man, when just about to enter life, disease sends a hear-crushing blight over the fair prospects of the future, your hectic cough and feeble limbs tell of your loss of hope, but you need not despair. There is a balm which will heal the wounded lungs, it is
SHERMAN'S ALL-HEALING BALSAM.

Mrs. Atree, the wife of Wm. H. Atree, Esq., was given up by Dr. Sewall of Washington, Dr. Roe and McClellan of Philadelphia, Dr. Roe and Dr. Mott of New York. Her friends all thought she must die. She had every appearance of being in consumption, and was pronounced by her physicians—Sherman's Balsam was given and it cured her.
Mrs. Garabranz, of Bull's Ferry, was also cured of consumption by this Balsam when all other remedies failed to give relief—she was reduced to a skeleton. Dr. A. C. Castle, Dentist, 281 Broadway, has witnessed its effects in several cases where no other medicine afforded relief—but the Balsam operated like a charm. Dr. C. also witnessed its wonderful effects in curing Asthma, which it never fails of doing. Spitting Blood, alarming as it may be, is effectually cured by this Balsam. It heals the ruptured or wounded blood vessels, and makes the lungs sound again.

Rev. Henry Jones, 108 Eighth avenue, was cured of cough and catarrhal affection of 50 years standing. The first dose gave him more relief than all the other medicine he had ever taken. Dr. L. J. Beals, 19 Delancy-street, gave it to a sister-in-law who was laboring under Consumption, and to another sorely afflicted with the Asthma. In both cases its effects were immediate, soon restoring them to comfortable health.
Mrs. Lehetia Wells, 95 Christie-st. suffered from Asthma 42 years. Sherman's Balsam relieved her at once, and she is comparatively well, being enabled to subdue every attack by a timely use of this medicine. This indeed is the great remedy for Coughs, Colds, Spitting Blood, Liver Complaints, and all the affections of the throat, and even Asthma and Consumption.
Price 25 cents and \$1 per bottle.

Raising Blood
And Consumption, pain in the side and night sweats, Asthma, Whooping Cough, palpitation of the heart, Liver complaint, Bronchitis, And all diseases of the throat, lungs and liver, cured by Sherman's All-Healing Balsam.
RAISING BLOOD AND CONSUMPTION
Mr. Milne, Builder, in Brookfyn, was attacked with raising blood, followed by a cough, pain in the side, and all the usual symptoms of consumption. He employed two of the best physicians; they did him no good, and told him he could not live.
Hearing of the wonderful cures performed by Sherman's Balsam, he sent at 10 o'clock at night to Mrs. Hayes, 136 Fulton street, and got a bottle; it operated like a charm, stopped the bleeding and cough! Before he had taken one bottle he was able to be about his work. It had saved his life. His daughter, residing at 127 Myrtle Avenue, can attest it.
Miss Ann Maxton, of Williamsburg, living in Teuth, near South Fourth street, says—That she had been troubled with a hacking cough, and pain in the chest, for a long time, which at last became so bad that she was obliged to give up her school for more than a year. She then commenced taking the All-Healing Balsam—which soon alleviated her symptoms. She is now fast recovering, and has resumed her laborious occupation as a teacher.
14 years Mr. John O'Neil, 10th avenue and 21st street, suffered with a cough, raising of phlegm, and pain in his side. He could get no relief till he tried the All-Healing Balsam, which drove the pain from his side, allayed the cough, and brought the disease upon the surface; and before he had taken three bottles, was entirely cured.

PLEURISY AND CONSUMPTION.
Mrs. Baggas, a lady upwards of 70, residing 88 Sheriff, has for years been subject to attacks of Pleurisy, Raising of Blood, severe Cough, Shortness of Breath, Pain in her Head and various parts of her body. Her friends believed her past recovery. The All-Healing Balsam relieved her at once of all her alarming symptoms, and now she is able to attend to her work.
ASTHMA AND WHOOPING COUGH.
Mrs. Lucretia Wells, 95 Christie-st.; L. S. Beals, 19 Delancy st.; W. H. Youngs, 75 Walnut st., know the value of this great remedy.
Ask for Sherman's All-Healing Balsam, and see that his written signature is on each bottle. Price 25 cents and \$1 per bottle.

JOHN H. MELICK,

MOFFAT'S
Life Pills and Phenix Bitters.

These Medicines have now been before the public for a period of FIFTEEN YEARS, and during that time have maintained a high character in almost every part of the globe for their extraordinary and immediate power of restoring perfect health to persons suffering under nearly every kind of disease to which the human frame is liable.

IN MANY THOUSANDS
of certificated instances, they have even rescued sufferers from the very verge of an untimely grave, after all the deceptive nostrums of the day had utterly failed; and to many thousands they have permanently secured that uniform enjoyment of health, without which life itself is but a partial blessing. So great, indeed, has their efficacy invariably and infallibly proved, that it has appeared scarcely less than miraculous to those who were acquainted with the beautiful philosophical principles which they consequently adopted, and upon which they consequently acted. It was to their manifest and sensible action in purifying the springs and channels of life, and ending them with renewed tone and vigor, that they were indebted for their name.
Unlike the host of pernicious quackeries which boast of vegetable ingredients, the LIFE MEDICINES are purely and solely vegetable; nor contain neither Mercury, nor Antimony, nor Arsenic, nor any other mineral, in any form whatever. They are entirely composed of extracts from rare and powerful plants, the virtues of which, though long known to several Indian tribes, and recently to some eminent pharmaceutical chemists, are altogether unknown to the ignorant pretenders to medical science; and were never before administered in so happily efficacious a combination.
The first operation is to loosen from the coats of the stomach and bowels the various impurities and crudities constantly settling round them; and to remove the hardened feces which collect in the convolutions of the small intestines. Other medicines only partially cleanse these, and leave such collected masses behind to produce habitual Constiveness, with all its train of evils, or sudden Diarrhoea with its imminent dangers. This fact is well-known to all regular anatomists who examine the human bowels after death; and hence the prejudice of these well-informed men against the quack medicines of the age. The second effect of the VEGETABLE LIFE MEDICINES is to cleanse the kidneys and the bladder; and, by this means, the liver and lungs, the healthful action of which entirely depends upon the regularity of the urinary organs. The blood, which takes its red color from the agency of the liver and lungs, before it passes into the heart, being thus purified by them, and nourished by food coming from a clean stomach, courses freely through the veins, renews every part of the system, and triumphantly mounts the banner of health in the blooming cheek.

The following are among the distressing variety of human diseases in which the VEGETABLE LIFE MEDICINES are well known to be infallible.
DYSPEPSIA, by thoroughly cleansing the first and second stomachs, and creating a flow of pure healthy bile, instead of the stale and acrid kind; **Flatulency**, Loss of Appetite, **Heartburn**, **Headache**, **Rustiness**, **Itch-Temper**, **Astheny**, **Languor**, and **Melancolity**, which are the general symptoms of Dyspepsia, will vanish, as a natural consequence of its cure.
Constiveness, by cleansing the whole length of the intestines with a solvent process, and without violence; all violent purges leave the bowels coated within two days.
Diarrhoea and Cholera, by removing the sharp acid fluids by which these complaints are occasioned, and by promoting the lubricative secretion of the mucous membrane.
Fever of all kinds, by restoring the blood to a regular circulation, through the process of perspiration in such cases, and the thorough solution of all intestinal obstruction in others.
The LIFE MEDICINES have been known to cure **Rheumatism** permanently in three weeks, and **Gout** in half that time, by restoring local inflammation from the muscles and ligaments of the joints.
Prospies of all kinds, by freeing and strengthening the kidneys and bladder; they operate most delightfully on these important organs, and hence have ever been found a certain remedy for the worst cases of **Gravel**.
Also **Worms**, by dislodging from the turnings of the bowels the slimy matter to which these creatures adhere.
Asthma and Consumption, by relieving the air-vessels of the lungs from the mucus which even slight colds will occasion, and which, if not removed, becomes hardened, and produces these dreadful diseases.
Scurvy, Ulcers, and Invertebrate Sores, by the perfect purity which these LIFE MEDICINES give to the blood, and all the humors.
Scorbatic Eruptions and Bad Complexions, by their alterative effect upon the fluids that feed the skin, and the morbid state to which occasions all eruptive complaints, scallow, cloudy, and other disagreeable complexions.
The use of these Pills for a very short time will effect an entire cure of **Salt Rheum**, and a striking improvement in the clearness of the skin. **Common Colds and Influenza** will always be cured by one dose, or by two even in the worst cases.
PILES. As a remedy for this most distressing and obstinate malady, the VEGETABLE LIFE MEDICINES deserve a distinct and emphatic recommendation. It is well-known to hundreds in this city, that the former proprietor of these valuable Medicines was himself afflicted with this complaint for upwards of thirty-five years; and that he tried in vain every remedy prescribed within the whole compass of the *Materia Medica*. He however at length tried the Medicine which is now offered to the public, and he was cured in a very short time, after his recovery had been pronounced not only improbable, but absolutely impossible, by any human means.

FEVER AND AGUE.
For this scourge of the western country these Medicines will be found a safe, speedy, and certain remedy. Other medicines leave the system subject to a return of the disease—a cure by these medicines is permanent—TRY THEM, BE SATISFIED, AND BE CURED.
Bilious Fevers and Liver Complaints.
General Debility, Loss of Appetite, and Diseases of FEMALES—these Medicines have been used with the most beneficial results in cases of this description—**KIND'S EVIL**, and **SCROFULA**, in their worst forms, yields to the mild yet powerful action of these remarkable Medicines. **NERVE SWEATS, NERVOUS DEBILITY, NERVOUS COMPLAINTS of all kinds, PALPITATION of the HEART, PAINTER'S COLIC**, are speedily cured.

MERCURIAL DISEASES.
Persons whose constitutions have become impaired by the injudicious use of Mercury, will find these Medicines a perfect cure, as they never fail to eradicate from the system all the effects of Mercury infinitely sooner than the most powerful preparations of Sarsaparilla. A single trial will place them beyond the reach of competition, in the estimation of every patient.
BE CAREFUL OF COUNTERFEITS.
Several have lately been discovered, and their nefarious authors arrested, both in the city of New York and abroad.
