EASTON, PA., August 5, 1850.
About two years since my little daughter caught the Measles, which left her with a severe cough, which no doubt would have turned to consumption had not Dr. S. P. Townsend's Sarsaparilla been given, and by which she was perfectly restored to health.

PERRY DAVIS'S VEGETABLE PAIN KILLER

THE WONDER OF THE AGE.
Internal and External Remedy.

The proprietor of this justly esteemed medicine did not originally purpose it as an article of trade, but merely for his own family and those of his friends. Finding that its medical qualities were spreading over a large surface of country was induced to offer it for sale, and such is the demand that some fifty persons are employed daily in putting it up for the large Cities. Every Farmer should have a bottle of this medicine in his house in cases of sudden sickness.

A great discovery and valuable medicine. It cures Cholera, Bowel Complaints, Cholice, Diarrhea, Fever and Ague, Piles, Dysentery, Pain in the Head, Bruises, Rheumatism, Dyspepsia, Burns.

READ THE EVIDENCE.
This certifies that I have for several months used Mr. Davis's Vegetable Pain Killer in my family in several of those cases for which it is recommended, and find it a very useful family medicine.
A. BRONSON,
Pastor of 2d Baptist Church, Fall River, Tisbury, Martha's Vineyard.

This may certify that I have used Davis's Pain Killer with great success in cases of Cholera Infantum, common Bowel Complaint, Bronchitis, Coughs, Colds, &c. and would cheerfully recommend it as a valuable family medicine.
JAMES C. BOONER,
Pastor of the Baptist Church.

FRIEND DAVIS.—This may certify that I still use the Pain Killer in my family. My health has been so good for three or four months past, that I have but little or no use for it, and would still recommend it to the public.

Mutual Fire Insurance Company.
The rate of Insurance is one dollar on the thousand dollars insured, after which payment no subsequent tax will be levied, except to cover actual loss or damage by fire, that may fall upon members of the company.

The net profits arising from interest or otherwise, will be ascertained yearly, for which each member in proportion to his, her, or their deposit, will have a credit in the company. Each insurer in or with the said company will be a member thereof during the term of his or her policy. The principle of Mutual Insurance has been thoroughly tested—has been tried by the unerring test of experience, and has proved successful and become very popular. JOB WORK
Neatly executed at this Office.

NEW-YORK TRIBUNE.

The Daily Tribune is issued every morning except Sunday on a large sheet of fine white paper, forming eight pages of six columns each, or about the size of two average Country Newspapers. About six of these pages are new every morning; the aggregate of Editorials, News and Miscellanies being greater than that of any other paper in America, and greater than any but one or two in Europe, though its price is but half that of other first-class Dailies in this Country and less than one-fourth the cost of similar journals in England. Two Evening Editions are issued to supply each subscriber with the latest news up to the hour when his copy must be mailed.

The Tribune is edited in chief by **Horace Greeley,** who has special charge of all matters pertaining to the Politics and Legislation of our own Country. Its Foreign (Old-World) department is in charge of **Charles A. Dana,** assisted by able correspondents in London, Paris, Constantinople, &c. &c. Its California intelligence and its City department are in charge of **Bayard Taylor,** assisted by an efficient corps of Reporters. No expense is or will be spared to render its news from all quarters, by Telegraph, Expresses, Steamships and Mails, as early and reliable as that of any other paper.

The Semi-Weekly Tribune contains nearly all the non-advertising matter of the Daily, except such as is of local interest, or has been superseded by fuller and more exact advices before the Semi-Weekly is issued. It is of the same size with the Daily, and has few advertisements.

The Weekly Tribune is issued every Thursday morning, and contains most of the matter of the Daily with more summary accounts of such Events and Proceedings as cannot be published in full. We mean that no Weekly shall surpass this in giving a full graphic and faithful account of what the world is doing, whereof it is thinking, and how it is progressing.

The Tribune is not quite ten years old, and has obtained an aggregate circulation of not far from sixty-five thousand copies—about two thirds of them on its Weekly. Every subscription is paid in advance, and the paper stops when the advance pays run out, so that no man need hesitate to subscribe from an apprehension of being dupped for arrears, perhaps after he has left the place to which the paper is sent, in ignorance that it is continued. Subscriptions from individuals and clubs are respectfully solicited by

Silence.

That dreadful cough! The Lungs are in danger! The work of the destroyer hath begun. The cough of consumption hath in its sounds of Death!
Are you a mother! Your darling child, your idol and earthly joy, is now perhaps, confined to her chamber by a dangerous cold, her pale cheeks, her thin shrunken fingers, tell the dread disease has already gained upon her, the sound of her sepulchral cough pierces your soul.

Young man, when just about to enter life, disease sends a hear-crushing blight over the fair prospects of the future, your hectic cough and feeble limbs tell of your loss of hope, but you need not despair. There is a balm which will heal the wounded lungs, it is
SHERMAN'S ALL-HEALING BALSAM.

Mrs. Attree, the wife of Wm. H. Attree, Esq., was given up by Dr. Sewall of Washington, Dr. Roe and McClellan of Philadelphia, Dr. Roe and Dr. Mott of New York. Her friends all thought she must die. She had every appearance of being in consumption, and was so pronounced by her physicians—Sherman's Balsam was given and it cured her.

Mrs. Garrabrant, of Bull's Ferry, was also cured of consumption by this Balsam when all other remedies failed to give relief—she was reduced to a skeleton. Dr. A. C. Castle, Dentist, 281 Broadway, has witnessed its effects in several cases where no other medicine afforded relief—but the Balsam operated like a charm. Dr. C. also witnessed its wonderful effects in curing Asthma, which it never fails of doing. Spitting Blood, alarming as it may be, is effectually cured by this Balsam. It heals the ruptured or wounded blood vessels, and makes the lungs sound again.

Rev. Henry Jones, 108 Eighth avenue, was cured of cough and catarrhal affection of 50 years standing. The first dose gave him more relief than all the other medicine he had ever taken. Dr. L. J. Beals, 19 Delancy-street, gave it to a sister-in-law who was laboring under Consumption, and to another sorely afflicted with the Asthma. In both cases its effects were immediate, soon restoring them to comfortable health.

Mrs. Lchretia Wells, 95 Christie-st. suffered from Asthma 42 years. Sherman's Balsam relieved her at once, and she is comparatively well, being enabled to subdue every attack by a timely use of this medicine. This indeed is the great remedy for Coughs, Colds, Spitting Blood, Liver Complaints, and all the affections of the throat, and even Asthma and Consumption.

Raising Blood

And Consumption, pain in the side and night sweats, Asthma, Whooping Cough, Palpitation of the heart, Liver complaint, Bronchitis, And all diseases of the throat, lungs and liver cured by Sherman's All-Healing Balsam.

RAISING BLOOD AND CONSUMPTION.
Mr. Milne, Builder, in Brooklyn, was attacked with raising blood, followed by a cough-pain in the side, and all the usual symptoms of consumption. He employed two of the best physicians; they did him no good, and told him he could not live.

Hearing of the wonderful cures performed by Sherman's Balsam, he sent at 10 o'clock at night to Mrs. Hayes, 136 Fulton street, and got a bottle; it operated like a charm, stopped the bleeding and cough! Before he had taken one bottle he was able to be about his work. It had saved his life. His daughter, residing at 127 Myrtle Avenue, can attest it.

Miss Ann Maxton, of Williamsburg, living in Tenth, near South Fourth-street, says—That she had been troubled with a hacking cough, and pain in the chest, for a long time, which at last became so bad that she was obliged to give up her school for more than a year. She then commenced taking the All-Healing Balsam—which soon alleviated her symptoms. She is now fast recovering, and has resumed her laborious occupation as a teacher.

14 years Mr. John O'Neil, 10th avenue and 21st street, suffered with a cough, raising of phlegm, and pain in his side. He could get no relief till he tried the All-Healing Balm, which drove the pain from his side, allayed the cough, and brought the disease upon the surface; and before he had taken three bottles, was entirely cured.

PLEURISY AND CONSUMPTION.
Mrs. Baggas, a lady upwards of 70, residing 88 Sheriff, has for years been subject to attacks of Pleurisy, Raising of Blood, severe Cough, Shortness of Breath, Pain in her Head and various parts of her body. Her friends believed her past recovery. The All-Healing Balsam relieved her at once of all her alarming symptoms, and now she is able to attend to her work.

ASTHMA AND WHOOPING COUGH.
Mrs. Lucretia Wells, 95 Christie-st.; L. S. Beals, 19 Delancy-st.; W. H. Youngs, 75 Walnut st., know the value of this great remedy. Ask for Sherman's All-Healing Balsam, and see that his written signature is on each bottle. Price 25 cents and \$1 per bottle.

Dr. Sherman's Worm and Cough Lozenges sold as above.

MOFFAT'S Life Pills and Phenix Bitters.

These Medicines have now been before the public for a period of FIFTEEN YEARS, and during that time have maintained a high character in almost every part of the globe for their extraordinary and immediate power of restoring perfect health to persons suffering under nearly every kind of disease to which the human frame is liable.

IN MANY THOUSANDS

of certified instances, they have even rescued sufferers from the very verge of an untimely grave, after all the deceptive nostrums of the day had utterly failed; and to many thousands they have permanently secured that uniform enjoyment of health, without which life itself is but a partial blessing. So great, indeed, has their efficacy invariably and infallibly proved, that it has appeared scarcely less than miraculous to those who were acquainted with the beautifully philosophical principles upon which they are compounded, and upon which they consequently act. It was to their manifest and sensible action in purifying the springs and channels of life, and ending them with renewed tone and vigor, that they were indebted for their names.

Unlike the host of pernicious quackeries which boast of vegetable ingredients, the **LIFE MEDICINES** are purely and solely vegetable, and contain neither Mercury, nor Antimony, nor Arsenic, nor any other mineral, in any form whatever. They are entirely composed of extracts from rare and powerful plants, the virtues of which, though long known to several Indian tribes, and recently to some eminent pharmaceutical chemists, are altogether unknown to the ignorant pretenders to medical science; and were never before administered in so happily efficacious a combination.

The first operation is to loosen from the coats of the stomach and bowels the various impurities and crudities constantly settling round them; and to remove the hardened feces which collect in the convolutions of the small intestines. Other medicines only partially cleanse these, and leave such collected masses behind to produce habitual Costiveness, with all its train of evils, or sudden Diarrhea with its imminent dangers. This fact is well-known to all regular anatomists who examine the human bowels after death; and hence the prejudice of these well-informed men against the quack medicines of the age. The second effect of the **VEGETABLE LIFE MEDICINES** is to cleanse the kidneys and the bladder; and, by this means, the liver and lungs, the healthful action of which entirely depends upon the regularity of the urinary organs. The blood, which takes its red color from the agency of the liver and lungs, before it passes into the heart, being thus purified by them, and nourished by food coming from a clean stomach, courses freely through the veins, renews every part of the system, and triumphantly mounts the banner of health in the blooming cheek.

The following are among the distressing variety of human diseases in which the **VEGETABLE LIFE MEDICINES** are well known to be infallible.

DYSPEPSIA, by thoroughly cleansing the first and second stomachs, and creating a flow of pure healthy bile, instead of the stale and acrid kind; **Flatulency, Loss of Appetite, Heartburn, HEADACHE, RHEUMATISM, Indigestion, ASTHMA, LANCOR, and MELANCHOLY,** which are the general symptoms of Dyspepsia, will vanish, as a natural consequence of its cure.

Costiveness, by cleansing the whole length of the intestines with a solvent purges, and without violence; all violent purges leave the bowels costive within two days.

Diarrhea and Cholera, by removing the sharp acid fluids by which these complaints are occasioned, and by promoting the lubricative secretion of the mucous membrane.

FEVERS of all kinds, by restoring the blood to a regular circulation, through the process of perspiration in such cases, and the thorough solution of all intestinal obstruction in others.

The **LIFE MEDICINES** have been known to cure **Rheumatism** permanently in three weeks, and **Gout** in half that time, by removing local inflammation from the muscles and ligaments of the joints.

Dropsies of all kinds, by freeing and strengthening the kidneys and bladder; they operate most delightfully on these important organs, and hence have ever been found a certain remedy for the worst cases of Gravel.

Worms, by dislodging from the turnings of the bowels the slimy matter to which these creatures adhere.

Asthma and Consumption, by relieving the air-vessels of the lungs from the mucous which even slight colds will occasion, and which, if not removed, becomes hardened, and produces these dreadful diseases.

Scanty Ulcers, and Inveterate Sores, by the perfect purity which these **LIFE MEDICINES** give to the blood, and all the humors.

Scorbatic Eruptions and Bad Complexions, by their alterative effect upon the fluids that feed the skin, and the morbid state of which occasions all eruptive complaints, sallow, cloudy, and other disagreeable complexions.

The use of these Pills for a very short time will effect an entire cure of **Salt Rheum,** and a striking improvement in the cleanness of the skin. **Common Colds and Influenza** will always be cured by one dose, or by two even in the worst case.

PILES, as a remedy for this most distressing and obstinate malady, the **VEGETABLE LIFE MEDICINES** deserve a distinct and emphatic recommendation. It is well-known to hundreds in this city, that the former proprietor of these valuable Medicines was himself afflicted with this complaint for upwards of thirty-five years; and that he tried in vain every remedy prescribed within the whole compass of the Materia Medica. He however at length tried the Medicine which is now offered to the public, and he was cured in a very short time, after his recovery had been pronounced not only impossible, but absolutely impossible, by any human means.

FEVER AND AGUE.
For this scourge of the western country these Medicines will be found a safe, speedy, and certain remedy. Other medicines leave the system subject to a return of the disease—a cure by these medicines is permanent—**TRY THEM, BE SATISFIED, AND BE CURED.**

Bilious Fevers and Liver Complaints.
General Debility, Loss of Appetite, and DISEASES OF FEMALES—these medicines have been used with the most beneficial results in cases of this description.—**KING'S EVIL and SCROFULA,** in their worst forms, yields to no more powerful action of these remarkable Medicines. Not only Swellings, Nervous Debility, Nervous Complaints of all kinds, PALPITATION OF THE HEART, PAINTER'S COLIC, are speedily cured.

MERCURIAL DISEASES.
Persons whose constitutions have become impaired by the injudicious use of Mercury, will find these Medicines a perfect cure, as they never fail to eradicate from the system all the effects of Mercury infinitely sooner than the most powerful preparations of Sarsaparilla. A single trial will place them beyond the reach of competition in the estimation of every patient.

BE CAREFUL OF COUNTERFEITS.
Several have lately been discovered, and their nefarious authors arrested, both in the city of New York and abroad.
